ROCK ISLAND COUNTY FOREST PRESERVE COMMISSION
FEBRUARY 19, 2019 – 6:22 PM
PRESIDENT KAI SWANSON PRESIDING

1. Karen Kinney, County Clerk, called the roll: (Record)

D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl, K. Swanson

TOTAL PRESENT 23

D. Adams, L. Moreno

TOTAL ABSENT 2

2. President Swanson introduced Mike Petersen, Illiniwek Ranger, who addressed the Commission regarding the upcoming events and improvements at Illiniwek and Dorrance Parks."

Mr. Petersen stated, "Good evening, my name is Mike Petersen and I am the Park Ranger at Illiniwek Park. I am just going to take a few minutes to go over some things that we have been concentrating on in the last year. The first one is the conservation activities that we have been doing at Illiniwek and Dorrance. We are continuing to work on our forest management plan, which consists mainly of invasive species such as honeysuckle, buckthorn and garlic mustard. We do have a few volunteer opportunities when we announce to the public that we are doing invasive species removal such as garlic mustard. We have a lot of interest in that to help eliminate these invasive species and it's nice to see the community involvement in that. We are also continuing to expand upon the prairie that we have established in spring of 2019. We are planting about 2 acres more of prairie and we are also going to be planting about 2 acres of savanna mix, which is another project that we've been working on here over the last few years. And, it will be nice to see the seed get planted in the spring and in a few years, we will have a youthful area along the south trail loop. We are also working on the 9 Street restoration project, which is an area on the north side of Route 84 along the river where we have a terrible amount of invasive species. There is about 8 different invasive species in there along with a lot of ash tree. We are going in and removing all of it because invasive species are not supposed to be there and all of the ash trees are infested with emerald ash borer. So, this area is about three acres and we are pretty much doing a clear cut and it's pretty messy right now. Once we get it all cleaned up, we will be replanting the area with some new hardwoods this spring, which will be a nice addition to the area. Other areas that we have been working on include partnerships. We have been in a partnership for 5 years with Living Lands and Waters, which has been a great partnership. They sponsor honeysuckle removal at the park. Today, they have

done about 8 acres of honeysuckle removal utilizing about 600 volunteers. Every May, they do the last two years and this year will be the third year. They do educational workshops in the whole month of May. They come down to Illiniwek with High School groups and the Rangers and I will talk to the High School students about prairie and forest ecology. We've helped them out with the 180 project, which is an area where the Interstate Bridge was hit by the tornado about three years ago. And, we have helped them with planting trees and initial site clearing and preparation. It's been a great partnership and we enjoy them very much. Another really good partnership is (FORC) Friends with Off Road Cycling. They do an excellent job of maintaining trails at Illiniwek and Dorrance. In the fall of 2018, they were able to finish phase three of trail construction up at Dorrance preserve...and that completes all of the trail construction up there. It's a very nice addition to Port Bryon and Dorrance Park. There are 3 ½ miles of trails up there...they are multi-use trails for biking, hiking etc. Another partnership we have been working on is with Rock Island and Moline Parks Departments. They want to convert some of these mowed areas into natural areas like prairie. Prairie management is with fire, so we are offering technical support to the park districts of Moline and Rock Island on writing plans and implementation of fire and in return at Longview Park Rock Island has a greenhouse and they are growing prairie plugs for us. So, we are purchasing the seed for them and they are growing the prairie plugs in an effort to diversify what we have in our prairies...because the more diverse we are, the healthier we are in the prairie. The last thing is the events that we are sponsoring at the park. We tried a number of events but the three that are the most popular are Summer Solstice Celebration, Tee Pee gathering and Halloween at Illiniwek. As long as the weather cooperates, these three events seem to be really popular with a lot of support and a lot of people come out and enjoy them for the day. That's all I have for you unless you have any questions."

Commissioner O'Brien was recognized.

Ms. O'Brien stated, "Mike, the Eagle Scout project was briefly mentioned. If you could just give a little outline of what the Eagle Scout did at Illiniwek Park. I would be curious to know more about it."

Mr. Petersen stated, "Yeah, there were two Eagle Scout projects this past year. One was Ga-Ga ball pit, which was something I wasn't familiar with until an Eagle Scout approached me and it's just a game kind of like dodge ball inside an octagon shaped pit. It's extremely popular with the younger kids. It's a nice addition to the playground. The other one was the removal of the scenic overlook steps, which was in bad need of repair. It was made of railroad ties and falling apart. It was put in about 40 years ago. He came in and removed all of that...all of the stairs and hauled all of that material away. He also raised about \$1,200 to build a pergola over in the ball diamond conversion area. This is where the old ball diamonds used to be and is now planted prairie. Right in the middle

of it is a pergola made of cedar. He did a good job constructing it and raising the funds for it."

Commissioner Cremeens was recognized.

Mr. Cremeens stated, "I wanted to thank you for all you do out there."

Mr. Petersen answered, "Thank you, I appreciate it."

Commissioner Burns asked, "If he removed the steps, there are no steps now or did he put them back in, rebuild them or what?"

Mr. Petersen answered, "We removed them permanently because since those steps were built, a new trail system was constructed. It is a little bit longer route up to the scenic overlook, but there is a trail that is still there and that was a part of the trail system that FORC planned to build about 5 or 6 years ago."

President Swanson stated, "Any other questions or comments? Friends, I hope that you will join me in thanking Mr. Petersen for his leadership."

(Group Applause)

3. Commissioner Maranda moved to approve the January 15, 2019, Forest Preserve Commission minutes, as presented. Commissioner O'Brien seconded.

A voice vote was taken.

Motion carried.

4. **PUBLIC COMMENTS: (None)**

5. **PRESIDENT'S COMMENTS:**

President Swanson stated, "If you have not already or have not received any or a document from Mr. Craver referred to as his 'talking points'...and just to give you a little bit of context as to where this came from, I was grateful to talk to Commissioner Deppe about these...as Monroe said, 'If people wish to be their own government, then they need to arm themselves with the power that knowledge brings. And these talking points raised some critical questions, specifically about the zoo. When there are discussions about the zoo or privatizing the zoo, or turning the zoo over to a private management entity, there are a number of questions, which we as stewards of that facility, must address to our satisfaction before we would take any move forward. So, I encourage you to take a look at that set of questions. And also note that it includes a very key data point. The national firm, Schultz and Williams takes a look at all manner of

public/private partnerships whether its solely run by a public entity, solely private or any hybrid in between...that's where ours fall, in the in between category. And, it finds that in a privately managed setting, there is still a public subsidy from public tax dollars that equates to approximately 30-35%. That is the national average. So, even when you turn things over to a private handler, the public body is still on the hook for about a 30-35% subsidy unless you want to have ticket prices about \$50 a person and \$25 per kid...and that's something we don't want to do or at least haven't to date. So, note that the current public subsidy from the levy, the responsibility of taxpayer money that is assigned for the support of the zoo is in that range. It's favorable. And, as we know from hearing from Mr. Jackson and his leadership team, all indicators are, its moving in the right direction. So, I encourage you to look into the 'talking points' document as public discourse as your constituents come to you with ideas and questions, please be sure that...as our former President indicates to always arm yourself with the power that knowledge brings. Secondly, in your packets, I will hope you'll take some time to look at the survey that was done regarding Niabi Zoo. You'll find some very heartwarming results in there. And, I am thankful to Cassie for supplying us with a color version so that we can see what the results are because black and white was illegible to me. But, you'll see that people come from around our region to visit Niabi Zoo. People, of course, come from across our community and a huge attractor is simply to spend some time with families. If our Forest Preserve District work is providing families time and space to come together, I think we are doing pretty well. It's also encouraging to see how far away that people come to the park...am especially pointing out to Ms. Hayden Zovik who came as far away as Hessen, Germany to visit Niabi. Those are the extent of my comments."

Commissioner Simmer was recognized.

Mr. Simmer stated, "I would also like to say that also our German exchange student tried to get out there if it wasn't for the rainy days that we have suffered so much from this year. She would love to have been there and she is also from Germany."

President Swanson stated, "Oh yes, the lovely rainy days of last summer were the ones with the letter 'A' in them..."

Mr. Simmer added, "...it is one of the places she wanted to get to while she was here, but wasn't able to."

Commissioner Brunk was recognized.

Mr. Brunk stated, "I just had a comment that Niabi Zoo is part of a bigger picture. I believe that anyone from the Quad Cities Convention and Visitors Bureau would point out that this area doesn't have one big item or place to visit, we have several small items. We have the FIGGE, the Putnam, the Tax slayer Center...and

Niabi Zoo and the Forest Preserves are a part of that package. That is something that needs to be considered when we look at that."

Commissioner Mielke was recognized.

Mr. Mielke stated, "I am going to send a Coal Valley newsletter to all of the Commissioners. I have availed myself of the press release that was just in on the Eastern Black and White Colo...Colobus Monkey..."

President Swanson assisted, "Colobus Monkey."

Mr. Mielke added, "Thank you!"

President Swanson stated, "And isn't he adorable?"

Mr. Mielke stated, "Yes! Very! He is the cutest thing ever!! Although it's a county facility, it is inside of Coal Valley and so, we should be promoting it in our newsletter this month. So, I will send it to everybody. If you see a Coal Valley newsletter, you'll know why...it's on the last page. So, just flip to the last page, you don't have to read the whole thing."

President Swanson stated, "Thank you, Mr. Mielke for bringing that up. I appreciate your input on that friend. We'll move on to our agenda for tonight."

6. Commissioner Simmer moved to approve the Forest Preserve Fund claims in the amount of \$25,403.03, Niabi Zoo Fund claims in the amount of \$70,592.45, Liability Fund claims in the amount of \$4,528.00, Development of Forest & Construction claims in the amount of \$755.69, Loud Thunder Spillway & Improvement Fund claims in the amount of \$35,626.21, and the Marvin Martin Fund claims in the amount of \$17,056.75. Commissioners Deppe and O'Brien seconded. (Record)

A roll call vote was taken.

D. Beck, L. Boswell-Loffin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl

TOTAL YES 22

TOTAL NO 0

Motion carried.

7. Commissioner O'Brien moved to approve the Treasurer's Disbursements in the amount of \$19,048.53. Commissioner Langdon seconded. (Record)

A roll call vote was taken.

D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl

TOTAL NO 0

Motion carried.

8. Commissioner Brunk moved to waive the reading and approve the Transfers of Appropriation in the General Fund and Niabi Zoo Fund, as presented. Commissioner O'Brien seconded.

A roll call vote was taken.

D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl

TOTAL YES 22

TOTAL NO 0

Motion carried.

9. Commissioner O'Brien moved to approve the FY19 Appropriation Amendment for the Niabi Zoo Fund regarding Robert & Florence A. Ruhnow Trust, as presented. Commissioner Vyncke seconded.

Commissioner Reagan was recognized.

Mr. Reagan stated, "Just if you could expand on it, please?"

President Swanson stated, "This was an estate bequest given by the Ruhnow's and is something we had been aware but is now come to fruition. And so we are very grateful to the family for thinking of these incredible irreplaceable resources as they did their estate planning."

A roll call vote was taken.

D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl

10. Commissioner O'Brien moved to waive the reading and approve the Financial Certification Statement for the Recreational Trails Program (Grant) for Grand Illinois Trail Restroom and Support Facility. Commissioners Morthland and Sowards seconded.

A roll call vote was taken.

D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl

TOTAL YES 22

TOTAL NO 0

Motion carried.

11. Commissioner Maranda moved to approve the Food Service Concessions Agreement with Sunshine Sammi Inc. for Niabi Zoo, as presented. Commissioners Simmer and Beck seconded.

Commissioner Oelke asked, "Are there any changes in the agreement?"

Mr. Jackson stated, "There are no substantial changes. The only changes were to our emergency planning."

President Swanson stated, "Oh, that's fantastic. Are there any other questions?"

A roll call vote was taken.

D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, D. Johnston, E. Langdon, K. Maranda, M. Mayberry, D. Mielke, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, C. O'Brien, R. Oelke, R. Reagan, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl

TOTAL YES 22

TOTAL NO 0

Motion carried.

12. Commissioner Simmer moved to approve the Zoo Primate Enclosure Project, as presented. Commissioner Deppe seconded.

A roll call vote was taken.

TOTAL YES 22

TOTAL NO 0

Motion carried.

14. **Comments from Commissioners (One)**

Commissioner Noyd was recognized.

Mr. Noyd asked, "Have we had any badger sightings or anything?"

(Group laughter)

President Swanson stated, "Mr. Jackson, you knew that was coming. Except on the hardwood courts against the Illini, I don't know that there have been any successful badger sightings."

Mr. Noyd stated, "I thought maybe the cold weather might have brought them back looking for food or something."

President Swanson stated, "That's still the hope. The saving grace is that is a species that this is a native habitat so in Star Trek terms, we are not messing with the prime directives. There are a couple of badgers in northern Illinois."

Mr. Oelke asked, "Do they travel far?"

President Swanson stated, "No, they don't tend to be very transient."

Mr. Jackson stated, "... (inaudible)"

Ms. Kinney stated, "We can't hear you."

President Swanson stated, "Sorry, Mr. Jackson, they can't hear you without a microphone."

Mr. Jackson repeated, "No, I imagine they have not moved that far away,"

President Swanson stated, "Thank you, Mr. Oelke and Mr. Jackson for that response."

15. Commissioner Langdon moved to approve all the Routine Reports from the Director and Department Heads of the Forest Preserve Commission. Commissioner Noyd seconded. (Record)

A voice vote was taken.

Motion carried.

President Swanson stated, "Believe me, I will be brief because I want to get over to the Carver Center to see the Augustana Vikings Women's basketball team in the playing tonight against North Park Conference Tournament. I will take a moment and pause to celebrate the receipt of a \$400,000 OSLAD Grant from the

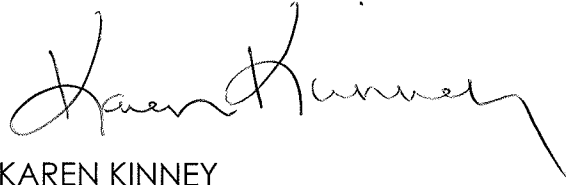

Illinois Department of Natural Resources that will go towards improvements at Loud Thunder. Grants like this don't just happen. It was my privilege to have a very close observation point to watch Mr. Craver and the Bi-State staff...Denise Bulat and her team work together on this endeavor. That is going to be a very big game changer for the improvements that this board has in oversight and already approved at Loud Thunder. This is an exciting time for what's going on for your Forest Preserve District. I hope you will all take some pride in what's going on in these resources and join me in thanking Mr. Craver and his team in securing a nearly half million dollar grant for this project."

(Group Applause)

The next meeting of the Forest Preserve Commission is Tuesday, March 19, 2019, immediately following the meeting of the Rock Island County Board.

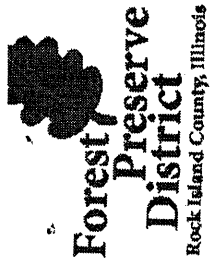

President Swanson declared the Forest Preserve Meeting recessed.

RESPECTFULLY SUBMITTED,

A handwritten signature in black ink, appearing to read "Karen Kinney", with a long, sweeping underline.

KAREN KINNEY
COUNTY CLERK AND SECRETARY
OF THE FOREST PRESERVE COMMISSION

Transfers of Appropriation

WHEREAS, the Forest Preserve Commission of Rock Island County, Illinois, has adopted Annual Budgets and Appropriation Ordinances for the fiscal period beginning July 1, 2018 and ending June 30, 2019, and

WHEREAS, it now appears desirable and necessary that certain adjustments be made between Appropriation Items in the Forest Preserve Fund and Niabi Zoo Fund in said Annual Appropriation Ordinances, and

NOW, THEREFORE, BE IT RESOLVED by the Forest Preserve Commission of Rock Island County, Illinois, that the amounts set forth below are hereby transferred from the unexpended balance of certain appropriation items in the Forest Preserve Fund as contained in said Budgets and Appropriation Ordinances to certain other such Appropriation Items within the same Fund, as follows: within the same Fund, as follows:

Amount		Appropriation #	Description	Revised
\$ 203.00	from	131-32-10 411.10	Seasonal Salaries & Wages	\$ 123,835.00
\$ 203.00	to	131-32-RC 633	Travel	\$ 996.00

ADOPTED by the Forest Preserve Commission of Rock Island County, Rock Island, Illinois on the 19th day of March, 2019.
The Revised Appropriations shall be in full force and effect from and after this date.

R E S O L U T I O N

Re: Marvin Martin Fund Loan from Forest Preserve General Fund

WHEREAS, additional funds are required in the Marvin Martin Fund #608 to pay for current expenditures until payment from the Loud Thunder Forest Preserve Endowment annual distribution is received, and

WHEREAS, District staff have requested the full amount of available funds available to be received for calendar year 2019 in the amount of \$72,000, and

WHEREAS, funds are available from unappropriated funds within the Forest Preserve General Fund #130 to loan to the Marvin Martin Fund #608, and

NOW, THEREFORE, BE IT RESOLVED by the Forest Preserve Commission of Rock Island County, Rock Island, Illinois, as follows:

SECTION 1. An emergency exists as outlined above.

SECTION 2. An amount up to \$20,000 be loaned from the General Fund of the Forest Preserve #130 to the Marvin Martin Fund #608.

SECTION 3. The above amount to be repaid to the Forest Preserve General Fund #130 as funds become available.

SECTION 4. This Resolution to become effective immediately.

ADOPTED by the Rock Island County Forest Preserve Commission, Rock Island County, Illinois, this 19th day of March, 2019.

Kai Swanson, President
Forest Preserve Commission

Karen Kinney, Secretary
Forest Preserve Commission

Report to Forest Preserve Committee

Name of Park ___Indian Bluff
For the Month of _February

February saw continued colder than normal weather which has limited the variety of tasks we are able to tackle. Work has continued on tree and debris removal as weather allows. Equipment service and winter maintenance continues as we prep for the upcoming season.

Grounds/Building Maintenance performed

- Continued clearcutting and disposal of nuisance timber
- Continual removal of infected Ash trees
- Cleaned and cutback dead and decaying plant material in flowerbeds
- re-painted all of our ball washers and putting green cups
- completely refurbished our Vicon fertilizer spreader
- Clear cut and removed vines and other nuisance plant material adjacent to our entry way
- Cleaned and organized our storage facilities
- The course is continual being cleaned this time of year from winter debris

Equipment repairs and/or project performed

- Ground all bed knives and remaining reel stock
- Reassembled cutting units to prepare for use
- Rearranged our storage facilities to accommodate the daily use of our equipment for the upcoming season

Course/General facility conditions- Still in the dormant season!

Incidents- None

Accidents reports- None

Other misc. notes Upcoming Items— Preparations to ready the facility for the 2019 golf season are underway! We look forward to providing our customers with an improved experience this season and look forward to their feedback on the changes we have made from last year.

This report was prepared by: Jay Verstraete **Date:** 3/6/19

February 2019 Clubhouse Report

	<u>2019</u>	<u>2018</u>	<u>2017</u>
Season Passes Sold	0	2	0
Season Pass \$	0	\$1300	0
Golf Revenue	\$54	\$46	\$50
ProShop Sales	0	0	0
Season Pass sales to date	37	37	44

The month of February was a continuation of the extremely slow January at the clubhouse. We had one sale for the month, as indicated above we had a \$54 gift certificate purchased very late in the month. Snow and cold weather continue to drive the lack of activity. I do not believe that this is anything to be concerned with for the upcoming season. My biggest concern for the 2019 season continues to be the I-74 construction project, which has had negative effects on us in the past. Unfortunately, it looks as if the weather will be slow to break, setting up a later opening date than the past few seasons.

Season pass sales remain in line with previous years, and at the same number as at this point one season ago. New for 2019, we have added a guest pass to the season pass, allowing members to bring a guest one time and not have to pay a greens fee.

We began putting final preparations together for the 2019 golf season in February. Included in the preparations:

- Re-arrange and clean basement
- Touch-up paint around a couple areas of clubhouse
- Began receiving ProShop Merchandise
- Began Hiring new staff
- Meet with returning staff to prepare for 2019 season
- Met with Joe's Place to work on creating catering options for golf outings
- Welcome letters for returning outings, pass players, leagues
- Had carpets cleaned in clubhouse
- Began finalizing outing schedule, especially for first half of season\

With the carpets cleaned, and merchandise coming in, we will begin setting up the ProShop for the 2019 season. When the weather warms up, clubhouse staff will finish getting the carts cleaned and the rest of the outside work complete so we can open the course as soon as it is ready. Warmer weather hopefully on the way as we get later into March.

Looking at the scheduled outings for 2018, we have 16 shotgun starts planned for the 2019 season, and 17 major outings booked so far. I do expect a couple more outings to be added. We also will be picking a date for our spring outing soon, as I am in the process of finalizing outside events, and getting those dates set in stone.

As we begin the 2019 season, I will be looking to add to our drink selection as requested by the customer survey from WIU in 2018. I believe we have room for one more tap for draught beer, and will be looking to add a couple local brews to our selection. Also, will be looking to add some local cans to go with the draught beer. During our season kick off staff meeting last week, additional liquors were discussed that customers tend to request that we do not currently carry. I will also be working with vendors to try and find a couple plastic bottle wine coolers for purchase as well.

Loud Thunder Forest Preserve

Report to Committee

February 2019

During the month of February we experienced record low temperatures again. The extreme weather conditions made work out on the grounds very difficult. Staff was able to stay busy with equipment repairs and some conservation work as weather permitted. Staff also had several days of snow removal here on the preserve during the month of February.

Mid America has begun the work of redoing all power poles and lines starting in Illinois City and stopping in our Horse Coral area. These upgrades will definitely help us to provide patrons with a steady supply of power for the new campgrounds and all of our other electrical needs here at Loud Thunder. I am currently working with them to facilitate the upgrades with as little impact to the grounds as possible.

Staff attended the Illinois Association of Conservation Districts conference at Starved Rock for the second time this year. This conference is a collaboration of forest preserve and park districts in Illinois who put on several presentations pertaining to land management issues facing all of our agencies. Some of the presentations also address threatened or endangered species. This is a great opportunity for staff to network and learn ways other agencies are dealing with similar land management issues.

As I previously stated, the majority of the month of February staff worked on equipment in the shop. They replaced a gear box and tie rod ends on our 2005 Yamaha golf cart which we use to carry batteries and trolling motors at the boat rental. They also replaced a master cylinder on our JD 5065 tractor as the old one was not working properly. Staff also performed spring cleaning in the maintenance shop, and meticulously cleaned everything.

General Construction Services began preparation work for installing the sluice gate at the dewatering valve on Lake George. They have been working as weather permits, and it is refreshing to see an end in sight. I have seen several groups of patrons out ice fishing when the weather cooperates this winter.

We did have several days where the weather and ground conditions allowed for work off the on the grounds. During these days, staff removed several willow, ash, and a few maple trees. All of the trees that were removed in the month of February were showing signs of failure or were ash trees which needed to be remove before they were damaged by emerald ash borer and became hazard trees.

Staff is anxiously awaiting spring's arrival. I have secured our state issued camping permit for the season, and my application for the Lake George Boat Rental Permit has been approved. Now all we need is the weather to cooperate so that we can open for camping April 1st.

Report to Forest Preserve Committee

Name of Park: Loud Thunder

For the Month of: February 2019

Building & Grounds Maintenance performed—

- Staff changed trash as needed
- Staff picked up litter on park as needed
- Staff plowed grounds as needed
- Staff removed hazard trees as needed

Equipment repairs and/or project performed— Staff performed daily standard pre and post operation checks on all equipment daily when utilizing a piece of equipment.

- Staff washed all equipment
- Staff worked on 2005 Golf Cart
- Staff replaced a master cylinder on JD5065 tractor
- Staff performed mandatory routine maintenance on all other pieces of equipment

General facility conditions— The Preserve is in great shape, I am continuing to monitor our road system here on the preserve due to vehicular traffic damaging some sections during the freeze thaw conditions.

Weather conditions— Weather here has been extremely cold.

Activities/Events/Outings held at park— Our recent inclement weather during the month of February led to a park patronage decline. However, when the temps rose to tolerable rates I witnessed higher than normal visitation. Our temperatures are starting to normalize now so I anticipate patronage to normalize as well.

Park Improvement Projects— Here are just a few of the park improvement projects that staff is working on currently, and will continue working on moving forward.

- Moving forward with Loud Thunder Forest Management plan- Ongoing
- Preparation for 15.4 acre prairie planting in December or January of 2018- We will be mowing and spraying this field in the month of July to complete planting preparation for the winter planting.
- We will be constructing two new bridges on our Sac Fox Trail as soon as the weather permits
- Ongoing trail improvements to trail south of horse corral
 - Trail signage installation- July 2018
 - Trail mapping- Complete
 - Finish trail crossings- Ongoing
 - Create a new accurate trail map which will include interpretive signage- Ongoing

This report was prepared by Ben Mills

Date: March 5, 2019

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of February 2019

Grounds Maintenance — Staff was able to get a few days to remove honeysuckle. Plowed snow at Illiniwek and Dorrance following snow storms. Started pruning trees in the tree plantations, campground, and in other areas as needed.

Building Maintenance Projects Performed— General cleaning in the maintenance building.

Equipment repairs and/or projects performed— Staff continued working on repairing the transmission and brakes on the 1500 boom sprayer. Repairs are taking longer due to age of equipment and difficulty finding parts.

Trails/Course/General facility conditions— Trails were open most of February with a number of people snow shoeing and cross county skiing.

Vandalism report- No vandalism to report

Incidents— No incidents

Accidents reports—No accidents

Weather conditions— Very snowy and cold.

Activities/Events/Outings held at park— No activities or outings.

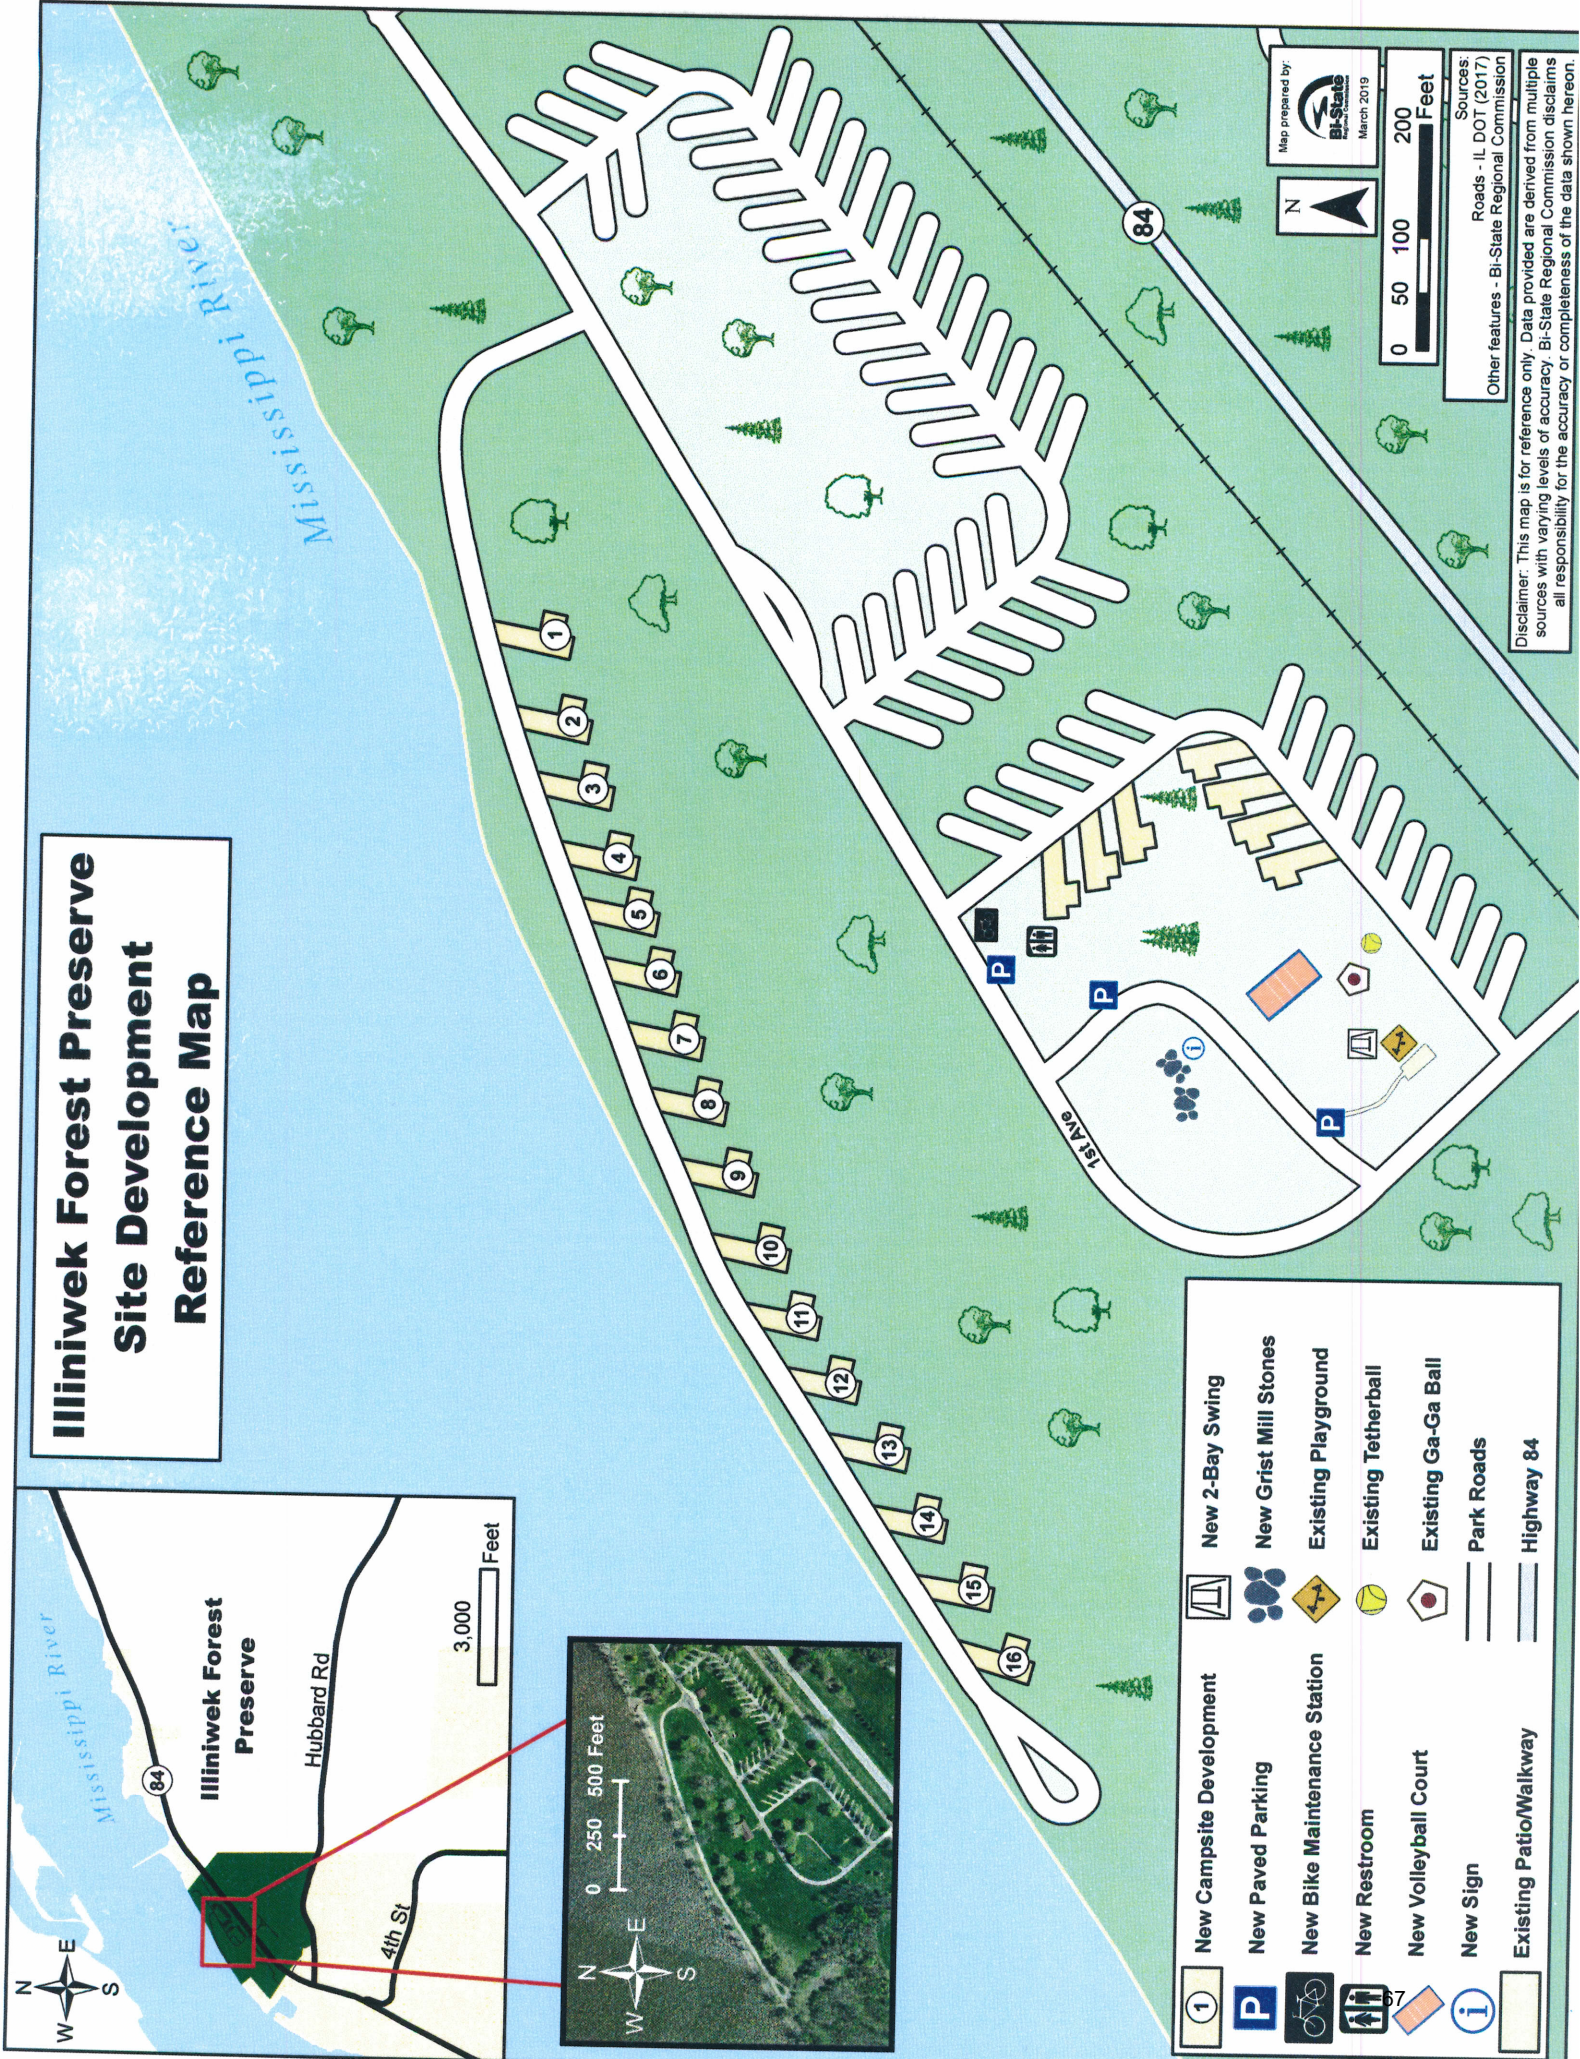

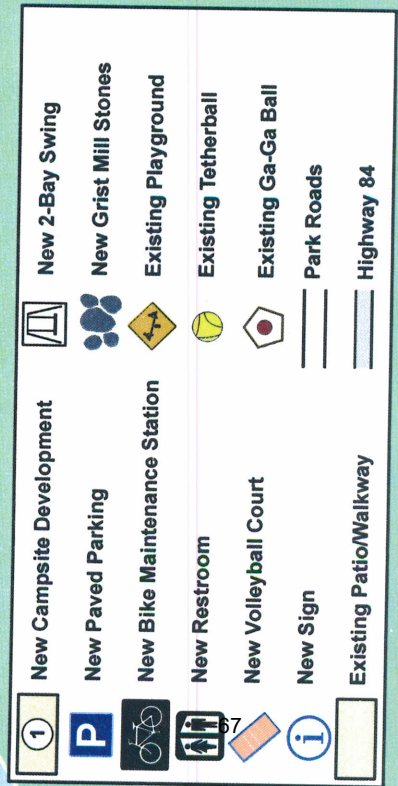

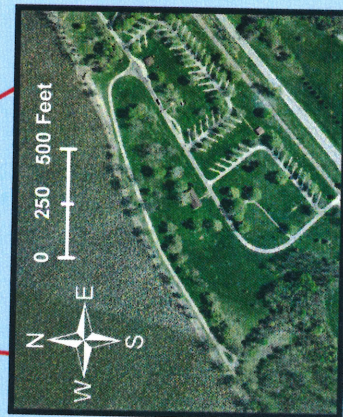

Items to be bid by Purchasing— Waiting for Van Wall to give trade-in value of WAM and purchase price of new Z-turn mower.

Upcoming Activities —Staff will continue working on forest management activities as weather allows in the savanna restoration project and continue with the 9th street restoration project. If weather allows staff will be conducting prescribed burns in the woodland area of Illiniwek. Staff plans to have the campground open on Friday March 29th, if weather allows. The cold temps late in the year and frost in the ground may prevent staff from turning the water on and so delay opening the campground. The bike path south of Cordova is in pretty bad condition from winter storm damage. As weather allows staff will start working on clearing the path.

Misc. – Staff at Illiniwek attended the IACD conference at Starved Rock State Park. Illiniwek staff set up a booth at the outdoor show with a very nice display of banners, video of district activities, and hands on activities.

This report was prepared by: Mike Petersen **Date** 3-7-2019

Illiniwek Forest Preserve Site Develoment Reference Map

Forest preserve committee report for February 2019

3/6/2019

Prepared by Lee Jackson

Collections

- New mixed primate exhibit progressing well. Construction on indoor section is complete. Staff currently focused on perching and landscaping.
- Hatched 6 desert spiny lizard eggs.
- Hatched 32 Veiled chameleon eggs.
- Red handed tamarin and cotton top tamarin placed on exhibit in admin building.
- Hiring completed for seasonal keepers.

Facilities and exhibits

- Repaired Zebra door
- Replaced lock on lion door.
- Repaired gate at Duikers.
- Rehung two stainless steel feeders at Bactrian Camels.
- Extended the height of wall Dromedary Camel barn.
- Repaired gate at Bald Eagle exhibit.
- Repaired gate at wolves.
- Repaired waterer in Giraffes.
- Men's red restroom painted interior.
- Repaired mechanical gate.
- Repaired aquarium filter in Biodiversity.
- Replaced door handle at Zebras.
- Put down new floor tiles in the red restroom.
- Installed FRP plastic paneling in Mixed Primates exhibit.
- Repaired toilet in women's restroom at Biodiversity.
- Snow Removal

Education

- Mahlabezulu Zulu, Field Educator for the Painted Dog Trust in Tanzania, visited the zoo and gave a lunchtime presentation to the staff.
- Dr. Brian Peer from WIU spoke on the "Conservation and Coevolution of Cowbirds" on Sunday, Feb. 17th at 3pm. 15 persons attended. 15 registered persons did not attend because of the weather.
- Vanessa Sage of the Figge Art Museum will speak on March 21st at 6:30pm. Her talk is titled "A mind and Conscious Akin to our own – Animals in Art".
- Dr. Greg Rasmussen of the Painted Dog Trust will speak on the latest developments in Painted dog field research on Tuesday, April 2nd at 6:30 pm.

Guest Services & Gift shop

- Some seasonal staff have started preparing merchandise for sale in the gift shops.

Carousel

- Maintenance is working to prepare damage done to the carousel canopy by heavy snow loads.

Membership

- Started sending out Membership Renewal reminders to persons with memberships that have expired or will expire in the following month.

Events

- Sent out Sponsorship/Donation letters to businesses in the community for the Annual Egg Hunt. The Egg Hunt will take place from 8-10am on April 13th.

2019 season preparation:

- In the process of interviewing and hiring seasonal staff for 2019. Next week we will start our first round of orientations.

Development

Enclosed is a new copy of our “case for support” we plan on using as we move forward with improvements to the zoo.

Bridging Our Future – the New Niabi Zoo

What began as McLain's Wild Animal Farm in 1963 is, over 5 decades later, home to more than 800 animals representing over 175 species.

Niabi Zoo is a top regional attraction, providing guests with up-close access to animals "in their backyards" as well as animals from around the globe. Visitors can glimpse rare and endangered species and gain an appreciation for how their actions "at home" affect these animals across the world.

The mission of Niabi Zoo remains true to its roots – working today to assure a better tomorrow for all living things. Niabi Zoo is owned and operated by the Rock Island County Forest Preserve District and receives some monetary support from the Niabi Zoological Society.

We love and care for every animal in our collection, but our work extends far beyond the walls of the Zoo. Not only do we take the Zoo to more than 35 schools each year, but we also support national and international conservation efforts that help to save endangered species for generations to come. Locally, we participate in the Association of Zoos & Aquariums (AZA) species survival breeding programs and have worked in partnership with the US Fish & Wildlife Service to help save red wolves. Niabi has taken a leading role in the conservation and recovery of our native pollinating insects, and has returned over 20 acres of zoo managed land to native plantings. With the support of the Quad Cities community, since 2014, we have raised \$56,000 for conservation programs throughout the world through our Coins for Conservation Program.

Through the years, we have worked tirelessly to provide the community with memorable visitor experiences, educational opportunities and to serve as a leading regional education and conservation organization.

Grateful for the community's ongoing and unwavering support, Niabi Zoo is dedicated to maintaining its role as a regional asset and strengthening the entire institution to better serve the community.

Creating the Foundation for the Future

Niabi Zoo is in a period of transition. Over the past five years, we have made significant progress toward strengthening our leadership and positioning ourselves to have greater impact in the community.

We have ramped up efforts to become re-accredited with the AZA; the Forest Preserve underwent a shift in management of the Zoo to experienced zoological park managers. A new Community Advisory Board (CAB) made up of energetic community leaders working in partnership with the Forest Preserve and Zoo managers; bring new perspectives and deep wells of experience to bear in helping the zoo

achieve its goals. Together, we are working to identify new, and maximize existing revenue-generating opportunities, while also cultivating and diversifying our contributed funding streams. Most importantly, we have built a stronger staff to care for our animals and execute our mission-focused programs. These efforts will create the foundation for a brighter future for Niabi Zoo.

Through these efforts, Niabi Zoo has recommitted itself to its mission: ***working today to assure a better tomorrow for all living things.***

Progress Made

We have taken a number of critical steps toward our recommitment to a new, stronger Niabi Zoo:

- The Oversight Committee conducted a thorough search process in early 2016 and hired Lee Jackson, from the National Zoo, as its new Director.
- A major review of infrastructure needs was undertaken followed by repair, replacement, or renovation in areas of key importance, including but not limited to; water treatment, electrical systems, plumbing and building maintenance.
- We have completely upgraded and improved all of our interpretive, and wayfinding signage throughout the park.
- The zoo made important hires in key areas such as education and animal management.
- We exponentially increased the depth and scope of our education, volunteer, and outreach programming, providing better service to the community. These programs include our conservation science speaker's series, expanded outreach programs, and expanded class offerings.
- We formed partnerships with regional universities, and local cultural institutions to strengthen our programs and increase our mission reach. Regional partners include Western Illinois University, University of Dubuque, and the Quad Cities Botanical Center.
- We established the Community Advisory Board (CAB) in order to foster greater community inclusion and to draw upon the valuable and varied experiences and expertise that lie within our community.
- The creation of a facilities and financial masterplan to guide the zoo as it grows and improves.
- We added new exhibits and new species, including pampas cats, Dromedary Camels, Giant tortoises, Swamp Monkeys, and fruit bats. Our new themed exhibit, "Oceans" has been immensely popular and has allowed us to exhibit animals never before seen at our zoo.

Continuing success through Philanthropy

It is a little known fact that the Zoo, as part of the Rock Island County Forest Preserve District, receives no financial support from Rock Island County. The tax levy that provided funds to the Zoo and the other Forest Preserve properties amounts to 1.5% of the average tax payers annual property tax bill. This subsidy covers less than 1/3 of the zoos annual operating budget.

A careful evaluation of our revenue streams strongly suggests that Niabi Zoo must continue to build private philanthropic support to fund efforts that strengthen the Zoo – to provide the best experience for both the animals and visitors, serve as a resource to the community through education and

conservation programs, and continually update its exhibits. Without a permanent base of support, taking these vital steps will not be possible.

We seek to raise \$15 million in new support to help us realize our recommitment to our mission.

Innovative Plans for the Future

While the Zoo works to enhance the visitor experience in the short-term, simultaneously planning for the future needs to start now. Bridging to a New Niabi Zoo has already begun! It began with the engagement of an experienced architectural firm that will develop a facility concept plan that outlines innovative exhibit and visitor experience improvements over the next few years. Some of these plans are already underway! Others only await the generous support of our community to make them a reality.

New for the Zoo - \$2.9ml

- Rotating exhibits – 125,000
 - What begun with the creation of “Oceans” the exhibit hall in the Education center is a space be transformed every two to three years into a completely new and exciting experience. Each new exhibit will explore in detail a new habitat, adaptation, or group of animals with a greater depth and focus. Each new exhibit will be accompanied by specialized and focused educational programming.
- Flamingos - \$500,000
 - Upon entering the Zoo, visitors will be greeted with a colorful new experience – Flamingos! This will also be an opportunity for guests to encounter a species never before seen at Niabi Zoo.
- Prairie Dogs - \$250,000
 - Guests will have another opportunity to view a new species at Niabi Zoo – the energetic prairie dogs that educate and entertain.
- Penguins – \$750,000
 - A colony of critically endangered black footed penguins will join the Niabi zoo family. A perpetual guest favorite, these birds will add to the growing diversity of our collection and help us tell the important story of the effects a changing climate has on our fellow creatures.
- Otters – \$1.5 ml
 - Playful and engaging, these charismatic creatures will offer a new level of excitement and engagement to visitors of all ages.

Renovating facilities and exhibits \$9.5mil

- Renovated gift shop and train station - \$1.5 ml
 - These important guest amenities will be expanded and updated with a greater emphasis on creating comfortable spaces in which to shop and relax. Our goal, as always, is to provide the best possible experience for visitors of all ages.
- New lion habitat and restaurant complex – 5.5 mil
 - Longtime Niabi Zoo favorites, our lions will be moved to this new facility, where guests can admire the “king of beast” while enjoying great food inside during any type of weather. The space will also be able to host parties and weddings even when the zoo is closed.
- Primate Zone – 2.5mil
 - Several species of primates will be featured in this new facility that will include indoor/outdoor viewing and an innovative trail system that will allow the monkeys to travel and be viewed outside of their habitats.

Ongoing Transition Support - \$250,000

With a lean staff and high aspirations, working to create a stronger, more sustainable Niabi Zoo will require additional financial resources. Unrestricted operating support will enable Niabi Zoo leadership to make the small-scale improvements and changes to programs and exhibit

Inspired by its long-standing legacy, we invite you to join us in bridging to a brighter and more sustainable future for Niabi Zoo.

2018 HOURS

April 13-September 8.....Sunday-Saturday 10:00am-5:00pm, last entry at 4:00pm

CLOSED ON MONDAYS STARTING SEPT 9TH

Blue Tailed Skink	0.0.1	28-Feb	death	
Bluegreen Chromis	0.0.6	8-Feb	death	

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of March 2019.

Notes from the prior Forest Preserve Executive Committee Meeting

Nothing to report at this time.

Issues or Items noted on the agenda for the month of March

District Finances

The monthly claims & Treasurer's Disbursements for the month are included in the packet are those typical for this time of the year. Expenditures seem down as winter continues to extend itself slowing preparations for parks to open for the season. The claims for the month of February had several issues with missing receipts and sales tax, staff is in the process of rectifying those.

One Transfers of Appropriations was needed in the Zoo Fund to cover a food purchase for the zoo's conservation speaker program.

A resolution to cover expenditures in the Marvin Martin Fund is required as the annual distribution from the Loud Thunder Forest Preserve Endowment has yet to be received. Once received the loan from the General Fund will be repaid. Staff was granted to make the expenditures due to the lead time required for the items (trail bridges) so work on the projects could take place and completed within grant timelines.

Reports

The weather for the month continued to be colder and snow precipitation was above average thus making working conditions difficult to nearly hazardous for a good majority of the month. The weather also played a significant role in park users as the opportunities were rare to have an enjoyable visit were few and far between. The weather forecast for the first half of the month of March isn't all that better with a few days with the possibility of something above 40 degrees. At the time of writing this report the temperature is 10 degrees with a wind chill of -7. It is hard to fathom that the District will be entertaining golfers and campers April 1 this year considering the current conditions. Staff can only do what they can do when it comes to the weather and late openings seem to be probable year. The zoo is scheduled to open April 13th which gives them a little more leeway to be prepared for the first day of visitors for the

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

Forest Preserve District

Rock Island County

year. As noted in prior monthly reports revenues were down for the first part of the District's fiscal year. April isn't usually the greatest month in terms of revenue but really need to capture something to off-set the weak performance of the beginning of the fiscal year, so hopefully some warmer temperatures arrive sooner than later. On a positive note, shelter reservations have begun and staff have taken several to date and calls about camping reservations are also starting to filter into the Loud Thunder Park Office.

As noted in staff reports they have been dealing with snow and colder than average temperatures which has slowed their outdoor work expectations. This most likely will continue into the month of March, which is typically when staff attempt prescribed burns on various areas of prairie established throughout the District.

Staff from the parks did attend the Illinois Association of Conservation District's conference at Starved Rock on February 21 & 22. Conference sessions about the status of Short Eared Owls, Eagles, large predators, exotic jumping worms, oak fire ecology and invasive plants were a few of the topics. The park staff also took part in the pre-conference chainsaw safety program. The District was an agency sponsor and intends to be so again next year. Several staff will participate on the planning committee for the 2020 conference.

Staff participated in the Outdoor Show at the QC Expo Center with a booth distributing and educating folks about the District's parks and services.

Staff was approached by the local Disc Golf community about the possibility of a disc golf course at Illiniwek Forest Preserve. This was something the Director looked into several years ago. Once the weather is more appropriate for a review of the grounds a meeting will be set up between the two parties to discuss the feasibility and possibilities.

Applied for a \$500 IPARKS iGrant to subsidize the purchase of new playground material at Illiniwek Forest Preserve's playground.

Staff have been in contact with a local contractor about a development plan for the Loud Thunder Mississippi River Boat Launch area. Staff intend to submit a Boat Area Access Development grant later this summer to replace the existing docks and create greater access than what the site currently provides.

Contracts were executed by staff for the Zoo Primate (outdoor portion) and Cathouse Projects. Estes will begin work in the upcoming months. An additional funding request was made by the Zoo Director as these two projects and the indoor primate exhibit

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

Forest Preserve District

Rock Island County

work done with in-house labor was above the initial request by nearly \$70,000. The construction kick-off meeting is scheduled for March 7th.

Staff at the zoo are updating the zoo's financial software system from Gateway Ticketing Systems to more securely take electronic payments. Enhanced security measures for electronic purchases are being established with the assistance from the County IS team.

District staff, Auditor, Treasurer and County IS team had a preliminary meeting to discuss the District seeking a Request for Proposals (RFP) for a Point of Sale (POS) financial software system. Currently the District utilizes four different systems at its main facilities. As internet speeds and connectivity has increased over the past several years it may be in the District's interest to move to a single system providing not only cost benefits to the District but greater service opportunities for visitors and guests. Staff is currently assembling a list of current features they utilize and those they wish to continue to with and those that they desire. Once the list is assembled staff will begin reviewing opportunities and release an RFP based on current and future needs that will maximize cost and user efficiency.

Existing Software Breakdown.

Gateway Ticketing Systems (Zoo)

\$7,479 for 2019 hardware and software licensing.

Golf Now (Indian Bluff)

No annual maintenance fee, however must provide eight rounds daily for online sales, average 1000 rounds sold by Golf Now per year, cost of \$15,000 in possible revenue.

Sunrise Reservations (Loud Thunder)

\$3,000 in annual maintenance fees plus a \$3.50 user fee per online reservation.

Campground Master (Illiniwek)

\$100 in annual maintenance fees.

In comparison, the District's financial software annual maintenance fee for New World Systems is \$10,840.

The District did announce two RFP's for zoo security services and zoo fire and life support systems. The District only received one proposal for security services and no proposals for the fire and life support systems. Staff will extend the RFP period and hope that additional proposals can be received and brought forth to the Executive Committee for review in the upcoming months.

ZOO CAB AGENDA

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

Forest Preserve District

Rock Island County

The Zoo CAB meeting is scheduled for March 4, 2019 at 5:30 PM

1. Welcome
2. Approval of the Minutes of February 4, 2019
3. Comments from visitors
4. Review of Budget for the Zoo
5. Review Current Fees for the Zoo
6. CAB membership recruitment
7. Report from the Zoo Director on Activities at the Zoo
8. Items for the next agenda
9. Adjourn

The next CAB meeting: Monday, April 1, 2019 at 5:30 at Niabi Zoo

The Zoo Director is also revising the “Case for Support” for the zoo for the upcoming year. Work continues to solicit community support for a 501c3 nonprofit support organization for the zoo. A draft Development Director position was provided to the CAB for their review.

Union

No grievances were filed by the union for the month of February.

Workers Compensation

Several staff had minor injuries this month due to ice and snow. At this time all have returned to work on a modified to full-workload.

Bond Fund Projects

Phoenix Corporation and its subcontractors were out beginning work on the sluice gate structure towards the end of February. The work will take a couple of weeks to perform and once complete the remaining items to be completed will begin when the weather cooperates i.e. work on the river campground road and final seeding of disturbed areas. The lake level will remain as is until the boat rental project started last fall can be completed with the assistance of the Black Hawk College HCCTP program apprentices. With typical rainfalls staff expect the Lake to be at normal levels throughout the summer boating and fishing season.

Design work is being done for cabins to be added to the Loud Thunder Forest Preserve campground improvements. The District is still awaiting a contract from the IL DNR to be executed before the project is put forth to bid. Strand & Associates is performing the design and bid document work for the District.

Items of note for the Current Month

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

Forest Preserve District

Rock Island County

- Claims & transfers.
- Continue to reviewing best practice policies and procedures as recommended by the Illinois Distinguished Agency Accreditation program sponsored by the Illinois Association of Park Districts.
- Staff will submit the Recreation Trails Program grant for the Great River Trail Restroom & Support Facility.
- Reviewing the upcoming FY 20 budget for adjustments and beginning to review FY 21 in addition to revising expenditures for the next five years with the DFCI Fund. Staff will begin reviewing and must begin preparing for the implementation of the new minimum wage law. The District can absorb the first increase to go into effect January 1, 2020 but slight alterations to FY 21 will be required whether through additional support through the tax levies, fee increases or reduction in staff equating to level of service.
- John Fellman, IMEG, will be conducting the required annual inspection of the Spillway and Dam at Lake George once the conditions present themselves. The District staff is expecting a very clean report this year due to the improvements and repairs conducted last fall. There is a real possibility that the inspection may not occur until next month. To complete a thorough staff will conduct a controlled burn on the downstream side of the dam. Once a report has been provided, it will be made available for your review.
- March 28th, Illiniwek staff are hosting a trivia night at Crawford Brew Works. Fun starts at 7:00 PM.
- Reminder, in lieu of park inspections the next Forest Preserve Executive Committee will be held at Niabi Zoo on April 9th at 3:30 PM.
- Much warmer & dry weather hopefully!

Respectfully submitted this 4th day of March, 2019
