A voice vote was taken.

Motion carried.

4. **PUBLIC COMMENTS: (None)**

5. **PRESIDENT'S COMMENTS:**

President Swanson stated, "We hosted what appears to be a very successful visit of the Zoo's and Aquariums teams. They wanted to see zoo in full swing. I think they had an opportunity to do that. And at the earliest opportunity we will hear reports from Mr. Jackson and see how that went. Also, I hope...it's very hard to see, but if you read my lapel pin, it says I Fed a Giraffe. You, too, can claim to have fed a giraffe...but it's a reminder to me to thank Bob and Blenda Ontiveros. Many of you may have seen the local coverage of which the Ontiveros', well-known leaders of our community have put forward their own resources to improve the habitat for our giraffes Kenya and Twigga. We had International Giraffe Day celebrated and I wanted to thank the Commissioners who took the time to be there for the celebration. Thank you very much."

Commissioner Reagan was recognized.

Mr. Reagan asked, "I just wanted to know how the membership is doing?"

President Swanson asked, "Let's wait until we get to reports, if we could...is that alright?"

Mr. Reagan nodded yes.

6. Commissioner L. Moreno moved to approve the claims in the Forest Preserve General Fund in the amount of \$62,325.34, Niabi Zoo Fund claims in the amount of \$97,156.38, Golf Course Improvement Fund claims in the amount of \$1,189.72, Loud Thunder Spillway & Improvement Fund claims in the amount of \$37,818.75, Marvin Martin Fund claims in the amount of \$19,719.21, and Development of Forests and Construction Fund claims in the amount of \$8,368.99. Commissioner Normoyle seconded.

12. **Comments from Commissioners**

President Swanson stated, "I would note to Mr. Craver that Mr. Reagan is wondering if we have any information available on memberships at the zoo? It's a rolling thing, so when you prepare for your report, and any questions on your report, I would ask that you be ready for that. And, that's duly noted, Mr. Reagan. Are there any other comments from Commissioners? Is that okay that we wait for the reports? I just wanted to be sure you knew that we heard you."

Commissioner Deppe was recognized.

Mr. Deppe stated, "I would like to say, hats off to the Board and Mr. Craver. It was because of what they do for the Blackhawk Achievement Youth Program. These kids are getting jobs with the local contractors in the county that will help with someone being able to buy a house in Rock Island County, buy a car in Rock Island County and help with improvements at Illiniwek and it's through our internet program, where they are actually taking kids and they are getting paid to go to college so that they can get good paying jobs. So, I just want to say thank you guys for that."

President Swanson added, "I can only accept those thanks if Mr. Deppe will accept some thanks for being a leader and using his expertise in connections and making those connections happen. Those have happened because of Mr. Deppe's leadership. So, give him a big hand."

(Group applause)

Commissioner Simmer was recognized.

Mr. Simmer stated, "I just like for all to know that the Quad City Riverfront Council that me and Larry sit on...Larry was elected from Treasurer to Vice President now...that's right, he is moving up the ladder fast. He's on the fast track. So, we've been doing a lot of good things out there and gave out some awards for Illiniwek for their grasslands and next year, we are going to nominate Loud Thunder. And, hopefully, we'll get that finished up and can do that one next time. Keep your ear open for any good projects we are doing, we can import those next time."

President Swanson stated, "Thank you, Dr. Simmer. I would like to note that Mr. Cremeens and Dr. Simmer took an entire half day out of their schedules to go to the Illinois Association of Park Districts boot camp. That commitment to further their education and development of this Commission is deeply appreciated."

Mr. Simmer added, "And, Mr. Swanson was there."

President Swanson stated, "Well, I just went along for the ride."

13. Commissioner Noyd moved to approve the Routine Reports of the Forest Preserve Commission, as presented. Commissioner L. Moreno seconded. (Record)

President Swanson asked, "Mr. Craver, do you have the information on how the memberships are going out at Niabi? Mr. Jackson wasn't able to join us tonight. If we don't have that information tonight, I will make sure that we get that and share it with this Commission because we have..."

Mr. Craver stated, "I am sorry, I don't have the exact numbers. Looking at the budgeting reports, you can see there is a slight decrease in attendance in membership members and membership sales. However, sometime some of those can be deceiving because do sell memberships online and don't take into account those we have not received a check...and so, it takes a while to get caught up. Also, the Museum Partnership is very popular. That is also an online ticket sales item for us and we wait on those checks. But, I will ask Mr. Jackson and his staff to put that in the membership report he will give next month. I hope that is satisfactory."

President Swanson gave a Summary of the Executive Committee, "I'd like everybody to please breathe a word of thanks that the weather has gotten a bit better...our revenues are going up. If you have gone out... I would say, I had some company in town and went to a State facility and the trails were awful. We went to Illiniwek and thanks to its partnerships with private organizations like FORK, the trails were immaculate. And so, they saw two very different Forest Preserves and our was better."

President Swanson added, "Also, from the Executive Committee, it is no secret, if you look at the revenues year to date summary, the awful weather that we've been having has hurt us. But, I think the staff should be commended because they have been working very hard to keep expenses down. We know that revenues will be down and have been ratcheting down very prudently. We still have a month left in this fiscal year, and as mentioned, we had AZA here and with continued good weather, we will see the revenues go up and am just grateful for the care and leadership of this incredible resource we have."

The next meeting of the Forest Preserve Commission is Tuesday, July 16, 2019, immediately following the meeting of the Rock Island County Board.

President Swanson declared the Forest Preserve Meeting recessed.

RESPECTFULLY SUBMITTED,

NOTICE TO BIDDERS
Indian Bluff Golf Cart Path Project
BID ID#: 2019-002
ROCK ISLAND FOREST PRESERVE DISTRICT
Indian Bluff Golf Course
6200 78th Avenue
Milan, IL 61264

June 10, 2019

To Whom It May Concern:

The Rock Island County Forest Preserve District is requesting bids for the refurbishment of approximately 12,048 square feet of existing asphalt cart path and site preparation and installation of 28,896 square feet of asphalt new cart path at Indian Bluff Golf Course in Milan, Illinois.

The price shall include all costs complete, including freight, delivery, labor, equipment and materials to be properly installed to either the District's or any applicable manufacturer's specifications to the location noted on the proposal form. Please respond using the enclosed Proposal Bid form.

The sealed bid marked Indian Bluff Golf Cart Path Project – **Bid ID#:2019-002** must be received no later than 12:00 PM, Friday, June 28, 2019 in the Forest Preserve Office, 19406 Loud Thunder Road, Illinois City, IL, 61259. The bids will be publicly opened and read aloud immediately thereafter. Only bids using the enclosed proposal forms will be considered.

The Rock Island County Forest Preserve District is not subject to Excise Tax or Illinois State Sales Tax.

The bids will be considered on services and equipment complying substantially with specifications stated in the scope of work, any deviation or substitution needs to be stated and described in detail. Standard catalog sheets or technical data will not be accepted in lieu of this requirement, however, descriptive literature showing complete specifications for the item being bid is not discouraged. The Rock Island County Forest Preserve District will make the sole determination on whether such substitutions are equivalent to the equipment specified.

Scope of Work:

- Work may be performed any day of the week between 7:00 AM and 5:00 PM beginning October 21, 2019. Earlier start time may be negotiated with the Golf Course Superintendent.
- Upon notification of the award of the bid, a work plan shall be provided to the District.
- Contractor will be required to perform all locates of existing lines and utilities as needed.
- Contractor will be required to obtain all permits as necessary to complete the work.
- All work must be completed no later than 5:00 PM on December 6, 2019.
- Approximately 12,048 square feet of existing asphalt path shall be milled for a new 2" thick hot mix asphalt surface, 8' wide path. Milled areas shall be cleaned by blowing and/or sweeping, tacked and primed for new asphalt. Headers as required to produce a smooth transition between new and existing surfaces as needed. Once complete the refurbished paths shall be at grade with current topsoil. See map for general project area.

- Approximately 28,896 square feet of new 2" thick hot mix asphalt, 8' wide path. The path shall be excavated to proper depth, grade and cross section so that the new path is at grade with existing topsoil. The base shall be 8'6" wide and consist of 6" of compacted CA-6 aggregate. Soils from excavation may be used to fill 3" on either side of the path and prepped for seeding.
- Any existing soils or millings may be left on-site with a location to be determined by the Golf Course Superintendent. See map for general project area.
- Seeding will be done by others.

Direct Questions and Site Visit Information:

Direct questions about the Indian Bluff Cart Path Project, contact Jay Verstraete, Indian Bluff Course Superintendent, (309) 798-7750, Monday through Friday 8:00 AM-2:30 PM. Contractors may visit the site during normal business hours between June 10 and June 26th. All other site visits must be coordinated with Jay Verstraete, Course Superintendent.

District's Definition of a Responsible Bidder

A responsible bidder, in the case of bidders, for construction projects, new facilities or renovation of current facilities and road projects over \$25,000 at the District's Niabi Zoo, Indian Bluff Golf Course or parks or preserves under the jurisdiction of the Forest Preserve District. The Forest Preserve Commission of Rock Island County may consider the following in its determination:

- A. Certificate/proof to transact business within the State of Illinois per 805 ILCS 5/13 of the Business Corporation Act of 1983.
- B. Evidence of compliance with:
 1. Federal Employer Tax Identification Number or Social Security Number (for individuals) through the submission of a W-9 to the District.
 2. Provisions of Section 2000(e) of Chapter 21, Title 42 of the United States Code and Federal Executive Order No. 11246 as amended by Executive Order No. 11375 (known as the Equal Opportunity Employer provisions).
- C. Certificate of insurance indicating the following coverages with each project bid which include general liability, worker's compensation, completed operations, automobile, hazardous occupation, product liability and professional liability.
- D. Compliance with all provisions of 820 ILCS 130 Illinois Prevailing Wage Act, including wages, medical and hospitalization insurance, and retirement for those trades as covered in the Act.
- E. Participation in apprenticeship and training programs applicable to the work performed on the project which are approved and registered with the United States Department of Labor's Apprenticeship and Training.
- F. The provisions of this Resolution shall not apply to federally funded projects, Illinois Department of Transportation, any grants or awarded funds to the District if such application would jeopardize the receipt or use of funds in support of such a project.
- G. Disclosure of the names and address of each subcontractor from whom the contractor has accepted a bid and/or intends to hire on any part of such project put forth to bid.
- H. A copy of the contractor's written program for the prevention of substance abuse.
- I. Certification from the bidder that all employees expected to perform work on the project have completed a 10-hour or greater OSHA safety program in the last 5 years. Only workers who have satisfactorily completed a 10-hour or greater OSHA safety program will be allowed to participate in the project. The bidder must have copies of employee OSHA cards on file and the Forest Preserve District may request that the bidder provide copies of employee OSHA cards.

Failure to produce an employee's OSHA card may result in a determination that a bidder is not a responsible bidder.

- J. Compliance with any bid or performance bond as required with such project.
- K. Any other factors which are relevant to the determination of a bidder's ability to carry out the requirements of the project in accordance with what may be expected or demanded under the terms of the contract.

Prevailing Wage Rates:

This contract is subject to an "AN ACT regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, City or any public body or any political subdivision or by anyone under contract for public works", approved June 26, 1941, as amended, except that where a prevailing wage violates a Federal law, order, or ruling, the rate conforming to the Federal law, order, or ruling shall govern.

The "prevailing rate of wages" will be used for this contract. The following conditions will be required: Not less than prevailing rate of wages for Rock Island County as found by the Illinois Department of Labor or determined by a court on review shall be paid to all laborers, workers and mechanics performing work under this contract. These prevailing rates of wages are included in this contract. The contractor and each subcontractor shall keep an accurate record showing the names and occupations of all laborers, workers and mechanics employed by them on this contract, and also showing the actual hourly wages paid to each of such persons.

The submission by the contractor and each subcontractor of payrolls, or copies thereof, is required. The contractor and each subcontractor shall preserve their weekly payroll records for a period of three years from the date of completion of this contract.

If the Illinois Department of Labor revises the prevailing rate of hourly wages to be paid by Rock Island County, the revised rates as provided by the public body shall apply to this contract.

Please access Rock Island County Forest Preserve District Website (www.riicfpd.org) for Prevailing Wage Information or the Illinois Department of Labor (www.illinois.gov/idol/Pages/default.aspx)

Insurance:

The contractor shall provide insurance in the following coverage and amounts, and shall submit certificates from his insurance company indicating the coverage in force prior to starting work.

Worker's Compensation	Statutory
Manufacturers & Contractors Liability	\$1,000,000-500,000
Property Damage - per accident	\$1,000,000
Aggregate	\$2,000,000
Automobile Liability including	
Hired & non-owned autos	\$1,000,000-500,000
Per accident	\$1,000,000

Permits & Building Codes: The Contractor will need to acquire and provide all required permits to the Owner and the Contractor shall comply with all applicable local building codes. Those building codes and regulations supersede any conflicting specifications contained herein.

Bid Bond:

A bid bond or bid security (certified check) in the amount of 5% of the bid amount shall be submitted with the enclosed bid form.

Performance Bond:

A performance bond or contract bond in the amount of the awarded bid will be required to be held by the District in addition to a signed contract by the District and contractor before work may commence.

Contract: The Forest Preserve Commission approved Contractor should provide a contract for the approved lump sum amount of the **Indian Bluff Golf Course Cart Path Project – Bid ID# 2019-002** within seven business days of Forest Preserve Commission approval. Should the District and successful Contractor not come to terms on a contract within fourteen (14) days of receipt of a contract by the approved Contractor, the District reserves the right to request an agreement with the next responsible bidder.

Safety Regulations: The Contractor shall have the responsibility of enforcing strict adherence to all federal, state and local job safety rules and regulations regarding job-site operations this includes the responsibility of utility locates.

General Requirements:

Compliance with the laws of Illinois & District responsible bidder requirements.

Once work has commenced the Contractor is responsible for being at the site each day until the work is completed when working conditions present themselves. Work may commence once a contract and performance bond is secured.

Work shall be completed by December 6, 2019.

Contractor is responsible for verification of actual quantities.

The Contractor shall have the responsibility of abiding by all of the Forest Preserve District policies pertaining to vendors and contractors, which shall be provided upon award of the project as required.

The successful bidder agrees to abide by the Rock Island County Forest Preserve District payment procedure in which bills received prior to the 25th day of the month are processed and paid by check on approximately the 25th day of the next month.

The Rock Island County Forest Preserve District reserves the right to reject any or all bids, to waive any irregularities in a bid, or to accept that bid which, in the judgment of proper officials, is to be in the best interest of Rock Island County Forest Preserve District.

Sincerely yours,

Kai Swanson, President

Financial Certification Statement

Project Sponsor: Rock Island County Forest Preserve District
Project Title: Loud Thunder Forest Preserve River Docks

As the individual duly designated to represent the Rock Island County Forest Preserve District (Sponsor), I do hereby certify that the information presented in this grant application is true and correct. I do further certify that the project, if approved for funding, will be completed in accordance with the provisions set forth in the corresponding programs' grant manual and that the Rock Island County Forest Preserve District (Sponsor) has the financial resources to initially fund 100% of the proposed project costs within the time frame imposed by the Illinois Department of Natural Resources for project execution prior to receiving grant reimbursement. Failure to complete said project within the specified time frame could be cause for project termination. In addition, failure to complete a project or withdrawal of a project due to lack of performance, insufficient funds or change in recreation priorities by the applicant shall result in the ineligibility of the project applicant for IDNR grant assistance consideration in the next two (2) consecutive grant cycles.

Acquisition and Development Projects

It is understood that the project should be completed within the timeframe established in the project agreement and the reimbursement request must be submitted within one year of the expiration date.

Failure to do so will result in the Project Sponsor forfeiting all project reimbursements, and relieves IDNR from further payment obligations on the grant.

The Rock Island County Forest Preserve District (Sponsor) hereby further certifies that 1) it will indemnify, protect and hold harmless the State of Illinois, Department of Natural Resources and its representatives from any and all liabilities, costs, damages or claims arising as a direct or indirect result of the actions and/or omissions of the Rock Island County Forest Preserve District (Sponsor) or its representatives in the construction, operation or maintenance of the above referenced project; 2) that adequate public notice was given and local approval solicited on the proposed project; and 3) that the facility will be operated and maintained in an attractive and safe manner, and open and available to the public without regard to race, color, sex, national origin, age, disability or place of residence in accordance with provisions of IDNR trail grant program regulations.

This Certification Statement was duly acted upon and adopted by the Rock Island County Forest Preserve District (Sponsor) on the 16 day of July (month), 2019 (year)

June was very much an up and down month for the golf course. Participation in June is usually dictated by the weather, and this June was no different. Numbers were up in most categories for the month over June of 2018. June 2017 was a better than expected month, numbers that high can be very difficult to achieve. Overall I was very pleased to see a slight increase over 2018, especially considering the challenging month that we had with the weather. The month started still feeling the effects of the extreme rains in May. The first of the month brought us playing conditions that were not suitable for golf carts to be used. For a couple days after the first, Indian Bluff operated as a modified nine hole golf course, then to finish out the first week once most of the course was open, hole 6 remained closed due to wet conditions. After the first week of June, we had six days where rain caused the closure's or walking only on the golf course on six days. Most of those days we were fully open either late afternoon or in the morning, depending on the timing of the rains. Taking into consideration the rain issues, and the hot weather the last few days of June very pleased to see sales number surpass last June.

During the month Indian Bluff Golf Course Hosted the Following Golf Events:

- June 8, Moline Viking Club
- June 7, Steve's Old Time Tap Golf Outing
- June 15, Moline Football M-Men Fundraiser

- June 22, Tyler Ledezma Memorial Golf Outing
- June 29, Rockridge Football Fundraiser

Five Golf Outings for the month was a slight increase in golf outings over June of 2018. We also hosted a small golf outing of 28 people on Sunday June 2. That outing played a modified nine hole golf course twice as wet conditions did not allow all holes to be open. Steve's Old Time Tap and Rockridge football were two additional outings added for this season. Both Outings came to us after having played Hawthorn Ridge for several years. All outings booked dates for 2019 during their event this season. Steve's Old Time Tap and Rockridge Football were very impressed with the Indian Bluff staff and helpfulness on their golf outings, and re-booked based on the fact the other courses had not provided the services that Indian Bluff provides. June saw the loss of the Warner Restoration Golf Outing to Valley View in Cambridge. The company 1-800-board-up has begun taking over the Warner Restoration Golf Outing, and left because I would not allow them to sell their own alcohol during the event.

Indian Bluff staff stayed very busy with the day to day operations of the golf course, and general cleaning and upkeep. General chores and upkeep included:

- Washing golf carts
- Fueling golf carts
- General cleaning and upkeep of restrooms, common areas
- Washing windows in the clubhouse
- Replacing cart barn light bulbs
- Cleaning golf cart windows
- Customer service and support

Looking ahead to July, the month usually brings a slight slowdown in business as Outing season takes a bit of a break, and the many events thru out the Quad Cities tend to happen in July. The 4th of July holiday tends to be up and down, and looks a bit slower with the midweek timing this season. Leagues will remain in full swing. Indian Bluff has one golf outing scheduled in July, Hackers and Slackers will be returning for its third season at Indian Bluff Golf Course. This outing is getting a lot of coverage in the area in local newspapers, and is expected to have a John Marx article coming out soon. As we have flipped the calendar to July, interest has become very heavy at the golf course in this event. We look forward to a great outing, and hopefully many more years working with Hacker and Slackers as they build the event up.

Looking just past July to August, Outing season really gets going as we head to the late summer and fall as we have 6-7 outings scheduled in August.

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of June 2019

Grounds Maintenance — Staff has been mowing, weed eating, and spraying weeds as needed. Some weeks the campground gets mowed twice.

Building Maintenance Projects Performed— Staff and the campground host clean the restroom and shower buildings on a daily basis. Staff cleaned the shower stall walls by removing mold and hard water stains.

Equipment repairs and/or projects performed— No major repairs just preventative maintenance like lubricating mowers and sharpening mower blades. New blades were put on both the front deck mowers. The Z997 had the 50 hour break-in fluid change. Hydraulic line was replaced on the John Deere 550 tractor.

Trails/Course/General facility conditions— Trails were closed often in June due to wet weather. FORC has some small maintenance items to accomplish on the Illiniwek trail system like berm repair. There has been more than average amount of storm damage in the forested areas at Illiniwek and Dorrance. Staff along with FORC's help has been removing storm damage from the 2 trail systems. The GRT south of Cordova has had a considerable amount of storm damage from broken branches to whole trees on the trail. Staff has been removing them when time allows.

Vandalism report- No vandalism to report

Incidents— No incidents

Accidents reports—No accidents

Weather conditions— Wet wet wet!!! Hot hot hot!!!

Activities/Events/Outings held at park— LL&W sponsored 3 ecology outings at Illiniwek with groups like the Y. Park staff helped LL&W teach the children about prairie ecology. The Cordova library brought 22 children to Illiniwek on June 22nd for a prairie walk and insect talk. Staff introduced the older children to I-Naturalist due to their strong interest in modern technology. It's a way to include technology into natural resources. The summer solstice celebration on June 21st had an extremely low turn-out due to wet weather. All afternoon events were cancelled. 12 children attended the morning book reading and 8 people attended the sunrise yoga.

Items to be bid by Purchasing— No items to be bid.

Upcoming Activities – On July 12th – 14th Illiniwek will host the Vintage Trailer Rally. This event is popular and usually brings in about 200 people to tour the retro camping trailers.

Misc. – Staff can now mow the entire campground area because flood water have receded and the camping sites have dried enough to run a mower on them. The river primitive camping sites will remain closed until we can establish grass on the site. The extended flooding has killed the grass. If staff cannot establish grass the sites may remain closed for the remainder of the season.

A complete botanical survey is being conducted at Illiniwek. Thus far 275 plant species have been identified. The Audubon Society is helping with bird surveys. Stewart Isaac is continuing to conduct bee surveys at Illiniwek.

Sunflowers were planted at Illiniwek! In about a month please drive by and see the golden corridor through Illiniwek along route 84.

Mediacom will be installing internet in the campground at Illiniwek. The main reason for this is to eliminate the bridge from the maintenance building to campground. Tree branches, semi's, and weather keep knocking the bridge out or interrupting service.

Loud Thunder

Report to Committee

June 2019

The month of June we continued to receive more rain than normal. The rains have made grounds maintenance very difficult. Several of the areas where we would typically be mowing were simply too wet to mow. Staff has been doing all we can do at this time and despite the challenging conditions, we have received several compliments on the park as a whole.

Revenues have been down this camping season at Loud Thunder. I feel the biggest contributing factor is the amount of precipitation that we have been seeing here over the last few months. The river has been extremely high all season, and that makes putting our docks in the slough impossible. The weather has also had an impact on our boat rental operation. We are not seeing the numbers of people that we normally see, and all these things seem to be tied to the weather.

Staff was able to finish several projects out on the grounds in spite of the extremely wet conditions this month. We removed a stand of white pines in preparation for our new RV campground. Staff is currently processing the logs from the white pines into firewood which we will turn around and sell to our campers. We hooked up our new water hydrant on the shoreline at the boat rental to make cleaning our fleet more efficient. Signage has been installed warning patrons to stay away from our spillway for their own safety, and we will be installing two dozen signs as soon as the trails dry out enough to get our equipment out on them.

I have been noticing several of our sycamore, ash, and a few of our oak trees displaying signs of stress. Oak wilt is just starting to show up in our red oaks which is typical this time of year. All the precipitation that we have received has not allowed the trees to dry out their root systems. Our sycamore trees should be loving all this rain, but I think that they are stressed from anthracnose which is a fungal infection common to sycamore trees. Anthracnose usually occurs on these trees, but it cannot multiply and cover whole crowns of trees due to the normal drying times in-between rains. The humidity and frequent precipitation we have been receiving has created a perfect environment for anthracnose to multiply and stress and in some cases defoliate entire trees. I am not too concerned about the stressed ash trees as they will need removal due to imminent death from emerald ash bore. Staff will continue to monitor the health of our trees here at the preserve.

Fishing on Lake George has been outstanding this spring/summer. We had a few dozen people fishing on the lake for the state wide free fishing days over father's day holiday. The hybrid striped bass, walleye, and large mouth bass have been extremely aggressive. Fish in the pictures that I have been seeing are looking very healthy. I will not have scientific data to share until the fish biologist visits the lake in the fall to do his survey. I will report his findings at that time.

I have attached a request from our local National Guard Company. They are requesting permission to camp here with their families after training for one night. They would like to all camp together in one campground as it will help them to build a more cohesive unit. If the committee will allow I would like to allow them to camp at a discounted rate of \$5.00 per night in Silva campground. I have attached the request to this report.

MidAmerican Energy is wrapping up with their electrical upgrades here on the park. The upgrades are in preparation for our upgrades scheduled to take place this summer.

In conclusion, I am extremely excited that the park infrastructure improvements are about to begin. We need some good weather for folks to want to get outdoors, and the word is getting out that our boat rental is again open for business. Mindfire has put together a radio and facebook campaign to promote our boat rental and camping so I hope to be reporting much better revenues next month.

Ben Mills Head Ranger:

Date:7/1/19

Ben,

Per our conversation we would like to reserve the campsite for our family day on Saturday August the 10th. If we can get any special rates or lock in that day let me know. We will also be very respectful of your rules and campsite areas. We will possibly have 60 people camping but we will not know the exact numbers until our sign up roster goes out upon approval. Let me know if there is anything else you need and we appreciate your help.

Kindest Regards.

Report to Forest Preserve Committee

Name of Park: Loud Thunder

For the Month of: May 2019

Building & Grounds Maintenance performed—

- Staff picked up trash on grounds as needed
- Staff put picnic tables out on the grounds
- Staff removed fallen trees from storm damage
- Staff cleaned all facilities
- Staff mowed as needed

Equipment repairs and/or project performed— Staff performed daily standard pre and post operation checks on all equipment daily when utilizing a piece of equipment.

- Staff have been charging and maintaining all batteries at the boat rental storage garage.
- Staff washed all equipment as needed, more than usual with unstable ground conditions here at the preserve
- Staff built a battery rack for golf cart at the boat rental to assist in preparing boats

General facility conditions— The park looks great, and we have received several compliments on its cleanliness and aesthetics. Things are really beginning to green up here, and with the green park patronage is starting to increase.

Weather conditions— Conditions have been consistently wet. The saturated grounds have been taking a beating from vehicular traffic on sites where folks have camped.

Activities/Events/Outings held at park— We have been seeing our numbers of visitors to the park growing daily with the warmer temperatures. These patrons are walking dogs, riding bikes on the park roads, camping, boating, and just enjoying the peaceful atmosphere Loud Thunder provides this time of year.

Park Improvement Projects— Here are just a few of the park improvement projects that staff is working on currently, and will continue working on moving forward.

- Moving forward with Loud Thunder Forest Management plan
- Preparation for 15.4 acre prairie planting in December or January of 2018.
- Ongoing trail improvements to trail south of horse corral
 - Trail signage installation
 - Trail mapping

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of June 2019.

Notes from the prior Forest Preserve Executive Committee Meeting

I presented the District's position with the property owner who inquired with the District about the possibility of a small adjacent parcel next to Loud Thunder. The owner said he will discuss their next steps with his family.

Issues or Items noted on the agenda for the month of July

District Finances

The monthly claims & Treasurer's Disbursements for the month are included in the packet and once again are typical for this time of the year with the exception of the Niabi Zoo Fund. The large claim amount for the month is attributed to the payout of the cathouse door project and exterior primate project as they are now completed. There were three claims flagged for sales tax payments and one for \$.41 over the allotted tip amount.

Several Transfers of Appropriations were needed in the General Fund and one in the Liability Fund in order to fill fiscal year 2019 holes and gaps in each of the two funds.

A resolution was needed in the Niabi Zoo Fund as it appears the zoo fund is projected to spend beyond the available appropriated funds for fiscal year 2019 expenditures. Unfortunately these expenditures were not off-set from any increase in various revenue GL's. While there are still 60 days to backdate purchases from goods and services before the June 30 fiscal year end, it appears the Niabi Fund is on track to have a fiscal year deficit.

Other Business

The bids for the cart path project for Indian Bluff are available for your review and consideration. Staff is attempting to construct a full cart path while also repairing several existing sections of significantly damaged portions throughout the course. A continuous path will allow for the course to be open for play and carts and minimize the impacts of untimely rain events throughout the season. The project will have to be phased and if this first section is approved, the course will have a continuous path from hole 1-7. The project will be financed with funds from the DFCI Fund and the low bid amount is below the appropriated amount.

Reports

The District's Budget Performance Report for the month ending June 30th is available for your review. The District FY 19 came to an end on June 30th, however the District has 60 days to backdate and reconcile expenditure and revenues that occurred prior to June 30th as noted earlier. At this time it appears to be another fairly solid fiscal year with the exception of the Niabi Zoo Fund. All the facilities have seen visitation and revenues come down the past year and the main factor correlating to the trend has been the weather.

The Treasurer's Report was not available at the time of report.

The Auditor's Reports are available for your review. Fund balances and cash balances remain strong throughout the District.

Facility Usage throughout the District

June was closer to a typical month of operations but still below average as turbulent weather and the aftermath of flooding is taking its toll throughout. The weather patterns have not been kind to the District and many others throughout the area who provide outdoor related services. As the District moves throughout its summer season the effect can be seen in the monthly and YTD comparisons. Staff have done their best to keep trails open to the public but unfortunately the Mississippi River boat launches were and still are unavailable for use due to the river levels. The use of the zoo, golf course, and tent camping is significantly slowed when the weather forecasts call for rain and storms. Occasionally there were a few highs when there were some decent outlooks throughout the month from folks, but for the most part usage and revenues were below normal. Lake George has been busy and boat rentals and questions coming in to the office have been significant. Recently a promotion was ran on WLLR. Staff continues to keep extremely busy with basic turf grass maintenance and storm related maintenance. The river campground at Illiniwek is covered in 2-3" of silt and the periodic and mass of rain has made clean-up difficult. Most likely the area will need to be prepped for seeding and with the extreme heat and humidity, those conditions are not ideal for growing grass so the area will most likely be closed to camping for the summer. Several updates were provided about District programs and activities throughout the month and further detail of the events can be found in the staff reports. I will continue to send out weekend updates of facility visitation and other highlights from programs and events throughout the summer.

Zoo & Community Advisory Board

The Zoo Director provided a report regarding the AZA inspection held at the zoo the week of June 10th. He and staff are attempting to rectify as many of the concerns the inspection team

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

noted and will respond with documentation as needed to the full AZA Accreditation Commission which meets in September. The perimeter fence project has been delayed due to the weather and if the weather holds should be completed by the end of the month. As reported last month, there has been no movement on the intergovernmental agreement between the Zoo and Village of Coal Valley pertaining to the municipal water supply.

Union

No grievances were received by the District from union for the month of June.

Bond Fund Projects

Contracts have been sent to the contractor for the campground Improvements. Seeding to complete the spillway and dam improvements has been delayed due to the site conditions (covered in silt) and timing to seed. The project had specified seeding dates and those have passed. The next period allowed for seeding will either be August 1st or August 15th due to the project specifications. Also, the contractor set four buoys near the weir and they did not stay in place, so the contractor will need to reset those properly.

Items of note for the Current Month

- End of FY 19, several additional transfers and possibly an additional appropriation resolutions will be needed.
- FY 20 budget review and adjustments due to operational needs since approval.
- Niabi Zoo Community Advisory Board meeting July 8, 5:30 PM
- Annual inventory and petty cash checks with auditors.
- Review of the Recreation Management Software RFP due August 2nd.
- Application for a Boat Access & Area Development grant application for the Mississippi River boat launch.
- Mid-year review of employee evaluations.
- Budget preparations for FY 21.
- Preparations for the July 4th Holiday.
- The second of 2019 property tax distributions is expected.
- Next meeting of the Forest Preserve Executive Committee is August 13th at 3:30 PM, in the Rock Island County Building.
- Continue to reviewing best practice policies and procedures as recommended by the Illinois Distinguished Agency Accreditation program.
- The Spillway Inspection Report conducted this spring by IMEG is still awaiting several items from the spillway and dam construction to be completed before it is submitted in addition to the assembly of the temporary wave wall.
- Warm & Dry weather hopefully!
