\* items are in members packets

The next meeting of the Forest Preserve Executive Committee will be held at Rock Island County Building,  
Rock Island, Illinois on Tuesday, January 14<sup>th</sup> 8:30 AM.

**FOREST PRESERVE EXECUTIVE COMMITTEE MINUTES**  
**NOVEMBER 12, 2019**

**PRESENT:** Committee members - E. Sowards, L. Moreno, K. Swanson, D. Cremeens, A. Normoyle, R. Simmer, K. Maranda.

**ABSENT:**

**ALSO PRESENT:** Jeff Craver, District Director; Jay Verstraete, Golf Course Superintendent; Todd Collins, Club House Manager; Mike Petersen, Illiniwek Ranger; Ben Mills, Loud Thunder Ranger; April Palmer, Auditor; Louisa Ewert, Treasurer.

President Swanson called the monthly meeting of the Forest Preserve Executive Committee to order at 3:31 PM on Tuesday, November 12, 2019, in the Rock Island County Building on the second floor Rock Island, Illinois.

President Swanson called for a motion approving the October Committee meeting minutes.

**MOTION:** Mr. Maranda moved to approve the October Committee meeting minutes. Dr. Moreno seconded the motion.

Motion carried.

No request for public comment was submitted.

President Swanson called for a motion to approve the Forest Preserve General Fund claims in the amount of \$232,926.09, Niabi Zoo Fund claims in the amount of \$107,943.13, Liability Fund claims in the amount of \$424.98, Loud Thunder Spillway & Improvements Fund claims in the amount of \$3,184.14, and Treasurer's Disbursements in the amount of \$26,405.63.

**MOTION:** Dr. Moreno moved to approve the claims and Treasurer's Disbursements. Dr. Simmer seconded the motion.

Motion carried.

President Swanson called for a motion to approve the transfers of appropriation in the General Fund and Niabi Zoo Fund.

**MOTION:** Mr. Maranda moved to approve the transfers of appropriation in the General Fund and Niabi Zoo Fund. Dr. Simmer seconded the motion.

Motion carried.

President Swanson called for a motion to approve the resolution regarding Designation of a primary signatory for US Army Corps of Engineers applications and permits.

**MOTION:** Ms. Normoyle moved to approve the resolution regarding Designation of a primary signatory for US Army Corps of Engineers applications and permits. Mr. Maranda seconded the motion.

Motion carried.

President Swanson called for a motion to approve the Abatement Certificate for Ordinance #2016-0401.

**MOTION:** Mr. Maranda moved to approve the Abatement Certificate for Ordinance #2016-0401. Ms. Normoyle seconded the motion.

Motion carried.

President Swanson called for a motion to approve the Abatement Certificate for Ordinance #11-01-17.

**MOTION:** Mr. Cremeens moved to approve the Abatement Certificate for Ordinance #11-01-17. Mr. Maranda seconded the motion.

Motion carried.

President Swanson called for a motion to approve the submission of a Real Estate Application to the US Army Corps of Engineers for the Loud Thunder Boat Ramp.

**MOTION:** Mr. Maranda moved to approve the submission of a Real Estate Application to the US Army Corps of Engineers for the Loud Thunder Boat Ramp. Dr. Moreno seconded the motion.

Motion carried.

President Swanson asked the Committee if there were any questions regarding the Lake George Dam Inspection that was included in the packet.

Mr. Fellman stated that the inspection was delayed slightly in order to finish the projects that needed to be completed for the inspection. All items on the permit were completed prior to the inspection. The dam and spillway repairs went well, and at this point it is a matter of keeping up on maintenance. It's important to get on a maintenance plan, and not let needed maintenance and repairs pile up as they had. The inspection has been submitted and received by the DNR. The DNR has listed no concerns.

President Swanson asked if there was something that the DNR would, or could, send to the District as a concurrence.

Mr. Fellman answered that he would reach out to the person he interacts with at the DNR to see if that is a possibility.

There was a brief discussion on how the staff will handle the maintenance plan going forward.

President Swanson called for a motion to approve the proposal for the cabin structure at Loud Thunder Forest Preserve, suggesting that one cabin of each style would be the best fit. One is very accessible for people with mobility difficulties. The other is a bit higher end, while still being adequately accessible.

**MOTION:** Dr. Simmer moved to approve the proposal for the cabin structure at Loud Thunder Forest Preserve, and choosing one cabin of each of the two style listed. Mr. Maranda seconded the motion.

Dr. Simmer asked what the bottom line for that option.

Mr. Craver stated that the total for the materials was \$308,234. That does not include anything other than structure itself. Once we know what structures are to be bid, staff will work with Strand Associates on getting the projects out to bid. The goal is to put the project out to bid after the first of the year. At this time, it is believed that there will be money left over enough for two cabins. Furnishings have not yet been priced.

Mr. Cremeens asked when the anticipated payoff would be.

Mr. Craver stated that it would likely be around thirteen years as the District was hoping to bring in between \$12,000 and \$15,000 per year from the cabin rentals.

President Swanson stated that it is important to also take into account that these will draw people to Loud Thunder. It is pretty far off the beaten path. Many camp grounds in the area offer cabins, but having a really nice cabin available would be something that Loud Thunder could offer that others don't. Is there still going to be paths going down to the lake?

Mr. Mills stated that there would be a path behind the cabins that lead to the lake.

Ms. Normoyle stated that while the revenue was a great boon to the preserve, the District provides a service to the community. It makes a fun weekend away more accessible for families. It provides a fun, safe place for families and friends to spend time outdoors together.

Mr. Craver stated that that was exactly right. Ultimately, the District is here to provide a service. When playgrounds are purchased, or access to the lake and trails, those things don't bring in revenue directly, and are primarily there for people to enjoy.

Dr. Simmer asked if there was any idea on the work listed in the proposal that isn't included in the price.

Mr. Craver stated that those will be ironed out once the engineer had the structure specs.

Motion carried.

President Swanson called on Ms. Palmer for the Auditor's Reports.

Ms. Palmer stated that all funds are spending within budget.

President Swanson asked Ms. Ewert if there was anything she would like to bring attention to from the report.

Ms. Ewert stated that November would be the final tax distribution for the year. There will be a small one in January, but that will be it until June.

President Swanson asked Misters Collins and Verstraete if there was anything they'd like to bring attention to in their reports.

Mr. Collins stated that there was a wedding at the Bluff for the first time ever. It worked out fairly well, and went pretty smooth.

Mr. Verstraete stated that the cart path project has had to be put off until next year because of the weather. With the weather turning so quickly, staff was barely able to get the irrigation system blown out for the season. During the fall staff will concentrate on removing ash trees, as long as the weather permits.

President Swanson asked Mr. Petersen if there was anything he'd like to bring attention to in his report.

Mr. Petersen stated that the camping for October was typical, and allowed the park to end the year with relatively average revenue levels.

Ms. Normoyle asked about the Grist Mill stones that were mentioned in the report.

Mr. Petersen stated that they are a part of the history of the area. In the 1800s there was a Grist Mill in operation in Rapid City. In 1915 it moved to the land that is now Illiniwek Forest Preserve, and in the 1970s some kids burned down the mill. The only thing left from the fire was the stones. They are currently on the preserve, but staff is looking to move them over to the campground and get signage made up explaining the history.

President Swanson asked Mr. Mills if there was anything he'd like to bring attention to in his report.

Mr. Mills stated that staff has been busy wrapping up the season at the park. There has been a lot of tree removal for the new camp ground project. Nearly thirty deer have been harvested at the park so far on the archery hunt.

President Swanson asked Mr. Craver if there was anything from his report that he wanted to bring attention to.

Mr. Craver stated that Niabi wrapped up its season with Boo at the Zoo. Conservation speaker series continues. Staff has applied to the ZAA, which is another accreditation agency. There will be some appointments to the CAB on the Commission agenda. At all the District's facilities staff will be working on the capital improvement projects that have been planned out in the budget. As always, staff is looking for grants to apply for and use for the projects as well. After the first of the year, will be concentrating on the implementation of the District wide software.

Dr. Simmer asked what the benefit of being accredited by the ZAA was.

Mr. Craver explained that the ZAA focused on animal care, and it would allow Niabi access to more animals and participation in more breeding programs than they are currently.

President Swanson asked the Committee if they had a chance to think over the possibility of moving the regular meeting time of the Forest Preserve Executive Committee.

After a brief discussion there was consensus to speak with the County Board's Chairman, Mr. Brunk, regarding moving the meeting to 8:30am on the same day as the District is currently scheduled so as not to interfere with the meetings of the County.

President Swanson called for a motion to approve all routine reports for the District.

**MOTION:** Mr. Maranda moved to approve all routine reports for the District. Dr. Simmer seconded the motion.

Motion carried.

Adjourned the meeting at 4:30 PM.

## Transfers of Appropriation

**WHEREAS**, the Forest Preserve Commission of Rock Island County, Illinois, has adopted Annual Budgets and Appropriation Ordinances for the fiscal period beginning July 1, 2019 and ending June 30, 2020, and

**WHEREAS**, it now appears desirable and necessary that certain adjustments be made between Appropriation Items in the Forest Preserve Fund and Niabi Zoo Fund in said Annual Appropriation Ordinances, and

**NOW, THEREFORE, BE IT RESOLVED** by the Forest Preserve Commission of Rock Island County, Illinois, that the amounts set forth below are hereby transferred from the unexpended balance of certain appropriation items in the Forest Preserve Fund as contained in said Budgets and Appropriation Ordinances to certain other such Appropriation Items within the same Fund, as follows:

Amount		Appropriation #	Description	Revised
\$ 15,000.00	from	130-32-10 631	Professional Services	\$ 11,710.00
\$ 15,000.00	to	130-32-90 631	Professional Services	\$ 24,846.68
\$ 1,700.00	from	130-32-10 630	Training & Education	\$ 4,000.00

ADOPTED by the Forest Preserve Commission of Rock Island County, Rock Island, Illinois on the 17th day of December, 2019.  
The Revised Appropriations shall be in full force and effect from and after this date.

## **Resolution**

### **Rock Island County Forest Preserve District Re: Designation of Banks or other Depositories**

**WHEREAS**, Louisa A. Ewert, County Collector and County Treasurer, of the County of Rock Island, State of Illinois, and being appointed Treasurer, of the Rock Island County Forest Preserve District by the Board of Forest Preserve Commissioners of the County of Rock Island, State of Illinois has pursuant to the terms of an Act of the General Assembly of the State of Illinois, 70 ILCS 805/8b, requested this Board of Forest Preserve Commissioners of Rock Island County to designate a Bank or Banks or other Depository in which the Funds and Public Monies in the custody of the County Treasurer and monies received by her in the collection of taxes may be kept, and

**WHEREAS**, the following designated banks have furnished copies of the sworn Statements of Resources and Liabilities, as furnished to the Comptroller of currency or to the Commissioner of Banks and Trust Companies of Illinois.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF FOREST PRESERVE COMMISSIONERS OF ROCK ISLAND COUNTY**, aforesaid, that the following named Banks are hereby designated as Depositories in which the funds and monies received by Louisa A. Ewert, County Collector and County Treasurer and in the collection of taxes may be deposited to-wit:

*Bank of Orion; Moline, Illinois*

*US Bank; Rock Island, Illinois*

*Quad City Bank and Trust; Moline, Illinois*

*First Midwest Bank; Moline, Illinois*

*First Trust and Savings Bank; Hillsdale, Illinois*

*Reynolds State Bank; Reynolds, Illinois*

*CBI Bank & Trust; Buffalo Prairie, Illinois*

*SENB; Moline, Illinois*

*Blackhawk State Bank & Trust; Milan, Illinois*

*American Bank of Rock Island; Rock Island, Illinois*

*First National Bank; Moline, Illinois*

*Midwest Bank; Andalusia, Illinois*

*Kone Employees Credit Union; Moline, Illinois*

*Moline Municipal Credit Union; Moline, Illinois*

*QC Postal Credit Union; Moline, Illinois*

*Service Plus Credit Union; Moline, Illinois*

*DuTrac Community Credit Union; Moline, Illinois*

*Commerce Bank, Kansas City, Missouri*

*PFM Asset Management LLC, Chicago, Illinois*

**BE IT FURTHER RESOLVED**, that each bank herein designated as a depository for such funds or monies shall furnish the said Board of Forest Preserve Commissioners of Rock Island County with a copy of all Statements of Resources and Liabilities which it is required to furnish to the said Comptroller of Currency or Director of Financial Institutions of the State of Illinois while acting as such Depository and,

**BE IT FURTHER RESOLVED**, that if such funds and monies are deposited in a bank herein designated, as Depository, the amounts of such deposits shall not exceed sixty-five (65%) of the Capital Stock and Surplus of such Bank and such County Treasurer shall not be discharged from responsibility for any such funds or monies deposited in any bank in excess of such limitation.

**ADOPTED BY THE BOARD OF FOREST PRESERVE COMMISSIONERS OF ROCK ISLAND COUNTY, ROCK ISLAND, ILLINOIS**, this 17<sup>th</sup> day of December, 2019.

---

Kai Swanson, President  
Rock Island County Forest Preserve Commission

**ATTEST:** \_\_\_\_\_  
Karen Kinney, Secretary  
Rock Island County Forest Preserve Commission

## 2020 Meeting Dates & Holidays

2020 - Forest Preserve Executive Committee Meeting Dates – Meetings will be held in the County Board Conference Room, 2<sup>nd</sup> floor of the Rock Island County Building unless otherwise noted.

January 14 – 8:30 AM  
February 11 – 8:30 AM  
March 10 – 8:30 AM  
April 14 – 3:30 PM\* @ Indian Bluff Golf Course  
May 12 – 3:30 PM\* @ Niabi Zoo  
June 9 – 3:30 PM\* @ Illiniwek Forest Preserve  
July 14 – 3:30 PM\* @ Loud Thunder Forest Preserve  
August 11 – 8:30 AM  
September 8 – 8:30 AM  
October 13 – 8:30 AM  
November 10 – 8:30 AM  
December 8 – 8:30 AM

2020 - Forest Preserve Commission Meetings begin immediately following the County Board of Supervisors 5:30 PM meeting

January 21 – Jeff Craver  
February 18 – Paul Fessler-Black Hawk College Highway Construction Careers Training Program  
March 17 – Jay Verstraete (Golf Course Practices & Condition Update)  
April 21 – Tammy Schmidt (Animal Welfare Practices & Update)  
May 19 – Ben Mills (Loud Thunder)  
June 16 – Joel Vanderbush (Education & Conservation Update)  
July 21 – Todd Collins (Clubhouse Operations)  
August 18 – Mike Petersen (Illiniwek Forest Preserve)  
September 15 – Lee Jackson (Niabi Zoo)  
October 20 – Amy Behning-Mindfire (Brand & Marketing)  
November 17 – Isaac Steward-Black Hawk College (Bee Inventory Update)  
December 15 – Auditor Report (CAFR)

### 2020 Forest Preserve District Holidays

January 1, 2020 - New Year's Day  
January 20 – Martin Luther King Jr. Day  
February 17 – Presidents Day  
April 10 – Good Friday  
May 25 – Memorial Day  
July 3 – Independence Day  
September 7 – Labor Day  
October 12 – Columbus Day  
November 3-Election Day  
November 11 – Veteran's Day  
November 26 – Thanksgiving Day  
November 27 – Thanksgiving Friday  
December 24 – Christmas Eve Holiday  
December 25 – Christmas Day  
January 1 2021 – New Year's Day

## ROCK ISLAND COUNTY FOREST PRESERVE DISTRICT HOLIDAY POLICY

All offices and departments of Rock Island County Forest Preserve District government, the days of operation of which are subject to the discretion of the board, shall be closed upon the day designated by Statute to be observed as the holiday. If any one of the following holidays should fall upon a Sunday the following Monday shall be held and considered such holiday. If any one of the following holidays should fall upon a Saturday the preceding Friday shall be held and considered such holiday. It is the policy of the Forest Preserve District to observe the following days:

New Year's Day,  
Martin Luther King's Birthday,  
Presidents Day,  
Good Friday,  
Memorial Day,  
Independence Day,  
Labor Day,  
Columbus Day,  
Veterans Day,  
Thanksgiving Day,  
Friday after Thanksgiving Day,  
Christmas Eve,  
Christmas Day,  
The day on which members of the House of Representatives are elected.

No other day shall be considered unless designated by the Forest Preserve Commission.

Only active full-time employees shall qualify for Holiday pay. Part-time regulars and temporary employees shall not qualify for paid holidays.

Full-time exempt employees required to work on District observed holiday, shall be allowed to take another day off within a thirty (30) day period following the worked holiday. Holidays are not cumulative for exempt employees, therefore, if another day off is not taken in lieu the worked holiday within the thirty day period, the holiday will be forfeited.

When a holiday occurs on a Saturday it shall be observed on the proceeding Friday and when a holiday occurs on a Sunday it shall be observed on the following Monday with the exception of Niabi Zoo which will observe the actual day the holiday falls.

*Discounted Admission on Tuesdays								

Adult  
Senior  
Children

Free Days will be designated in the Niabi Zoo season schedule, typically there are approximately 30 free days each season. Also the zoo has free admission to mothers and fathers on their respective days of recognition. Also, the zoo celebrates Hero's Day in which the armed forces and police/fire community receive free admission in September.

## Shelters

Weekdays	Under 200	Over 200 people	Damage Deposit-No (
Indian Bluff & Illiniwek Large Shelter	\$65.00	\$125.00	under 200 people \$100
Loud Thunder	\$55.00	\$125.00	over 200 people \$125
Weekends & Holidays Large Shelter	\$85.00	\$125.00	over 400 people \$200
Indian Bluff & Illiniwek	\$75.00	\$125.00	over 500 people \$TBD
Loud Thunder	\$35.00	NA	

Over 500 people \$250 any day of the week for Large Shelters ONLY

Additional fees to be assigned due to the number of portopot & dumpster services needed.

## ***2019 Golf Fee comparison summary and recommendations***

Looking at the current market for golf in the Quad City area several things jumped out to me this fall. Indian Bluff was one of three golf courses to raise season pass prices in 2019. Most courses season pass prices remained steady. Indian Bluff is also the only course that offers a Senior 7 day golf pass. Indian Bluff season pass prices are starting to catch up to the prices of the competition in the QC. Average price of a 7 day pass in the QC area is just over \$1000/person, just over \$1500/couple. Indian Bluff prices remain low at \$785 for a regular pass, \$710 for a Senior, and \$1200 per couple. Highland Springs Golf Course our closest competition did not raise prices in 2019, and remains the next lowest price at \$835/player. Their pass also allows play at Saukie Golf Course. Indian Bluff sold 110 passes in 2019, down 3 passes from the two previous years. Revenue from Indian Bluff pass sales was slightly down as well for 2019. Early season rains causing several people to begin playing late, may have been the reason for the decline, but I can not say with certainty. With the rain this season, less season pass rounds were played, so the season pass does not appear to have carried as much value as in the past. That is due to the rains in the spring, and on Sundays in the fall. I would recommend raising season pass prices \$25-\$35 per player, and raising Couples Pass prices \$50-\$60. This will get our season prices very near those of our nearest competitor, and closer to the average for QC golf courses. I would recommend continuing to give returning pass players the 2019 pass price.

With the daily fee prices, one thing that sticks out to me is that the average price of weekend golf with cart on the weekends in the QC has hit the \$40 mark. Indian Bluff currently charges \$37. The only golf courses that remain under \$40 are Indian Bluff, Duck Creek, and Golfmohr. All other course charge \$40 or more. Highland Springs lowers rates at 1:00 to a much lower rate, \$31 on weekends. The last thing that sticks out to me, is Indian Bluff is fairly low on weekday prices and senior prices during the week. I also looked at cart fees separately this season as it appears many courses have caught and surpassed Indian Bluff in their charge for riding in a golf cart. In my report I left off the Golfmohr cart pricing, as they have a substantially lower cart price per player. This lower price drastically skewed the average price. I believe this is because Golfmohr has a much lower percentage of golfers that ride due to it being a very flat and walkable golf course. For comparison Golfmohr charges \$10/player to ride. All other golf courses are charging the same cart rates for weekdays and weekends, Indian Bluff currently has a different charge.

Overall, it would be justifiable to raise nearly all prices for the upcoming golf season. I would recommend raising all 18 hole cart prices \$1 across the board. Cart prices have remained the same for at least 6 years, with the exception of Senior Cart prices which received a 50 cent increase a couple years ago. The length of time between cart prices raises and the new golf carts which are universally deemed by the customer to be the best carts we have had, would justify the increase. With a cart price increase, I would recommend holding the pass increase to \$25/player and \$50/couple, since most pass players will be renting a cart when they play. 9 hole prices should remain the same as we are average on our 9 hole pricing for carts.

I included in the report this year, the start of twilight times as well this year. Some courses such as Highland Springs are using afternoon rates as opposed to an unlimited twilight golf, others are using twilight golf, some are using a super twilight as well later in the day. Indian Bluff currently uses twilight golf after 3:00 pm Friday-Sunday. Moving to a cheaper rate at 1:00 would cause some loss of revenue for golf outings that are scheduled at 1:00. We have two others that start at 12:30 pm. Looking back at the 2019 outing schedule, Indian Bluff hosted 6 golf outings at a 1:00 start time, one of those on a Friday. A reduction of rates at 1:00 would potentially cost \$300-\$400 of golf fee revenue for each of those outings that use a 1:00 start time. For the Friday outing a reduction would likely cost \$100-\$200 in revenue for that outing. The reduction in price would put us on a similar price structure to Highland Springs and might allow us the ability to better attract more afternoon golf outings.

The numbers I used for these projections are:

Weekdays 1:00 reduction in price, to a price of \$30, would be a \$1-\$2 reduction per player from 2019, depending on the size of the outing.

Weekends a reduction to \$32 at 1:00 would mean a reduction of about \$4 per player from 2019, most of the afternoon golf outings struggled to reach over 100 players in 2019.

## ***Recommendations***

Overall after looking at all the information and looking at the twilight start times, I would recommend no changes to the rate/time structure for Indian Bluff Golf Course. Highland Springs is the one golf course with an early start on rate reductions, all other courses run the twilight special starting at 3:00.

I do recommend raising season pass prices \$25 for Individuals and Seniors, and \$50 for Couple. Junior passes should remain the same. I recommend allowing 2019 season pass holders to continue to buy season passes at the 2019 price for 2020. This has been a regular practice the last few seasons. I recommend raising cart prices \$1 for 18 hole cart rentals across the board, and keep the nine hole cart prices the same. That is a lower increase than I planned on recommending for passes, with a cart fee increase, most members will be paying more for carts each time they play, which will bring their overall cost up. Below is the proposal broken down into individual fees:

Weekend golf \$23 with cart \$38

Weekday Golf \$19, with cart \$33

Senior Special Weekdays \$16 with cart \$28

Twilight Special Golf \$16 with cart \$28

Jeff,

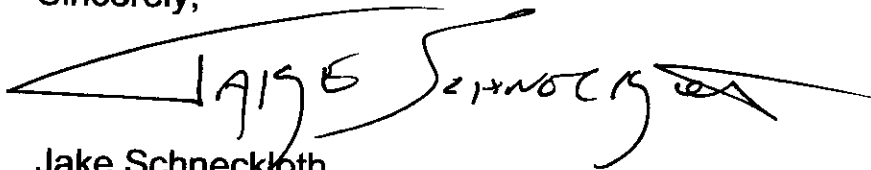

Thank you for allowing Design Homes the opportunity to provide you with a Floor-Plan & Proposal. Attached is simply meant to be a **REVISION**, with perhaps, many changes still to follow.

Please Note:

- 1.) I have attached are a couple of revised proposals and sketches for you to review. Take a look and see what you think.
- 2.) I did my best to match the drawings & proposals to the instructions that you had given to me when we met last with some minor alterations due to our building restrictions / requirements.
- 3.) I believe that these lay-outs should work. However, if & when you would decide to move forward with our company **everything** is pending our drafting-department's approval.
- 4.) Remember...once again this is are **revised** floor-plans / proposals. All room sizes, the lay-outs, options, etc....can still be adjusted. So please feel free to make alterations / modifications you deem necessary. The good thing is...now we have something to "UPDATED" to work off of.

When you are ready to make more revisions, **PLEASE** call ahead to schedule an appointment...so I can be sure to be here to work with you. Once again thank-you for your interest and we look forward to working with you throughout this process!!!

Sincerely,

A handwritten signature in black ink, appearing to read 'Jake Schneckloth', with a stylized flourish extending to the right.

Jake Schneckloth  
DHI Sales Manager - ELDRIDGE

## Customer Responsibilities

*It is important for Design Homes and it's customers to understand the process of buying and taking delivery of a new home as completely as possible. In the interest of this, we have found it beneficial to discuss what Design Homes DOES include—as well as things we are UNABLE TO DO for various reasons. Below is a partial list of some very important customer responsibilities. Please read carefully and discuss with your sales person.*

*Please initial each item below: Design Homes Does Not Do The Following:*

- \_\_\_\_\_ **Foundation & Basement:** Design Homes does not contract for, or build, foundations. We do provide the foundation blueprints. The foundation should be installed according to our prints and backfilled to old ground level. A treated sill plate should be installed, with all nuts/bolts countersunk & flush. The foundation should be accessible to our crane and free of obstructions such as dirt piles, snow, trees, septic system or power lines. We do not fasten the home to the sill plate or include or permanently affix the steel support posts to the basement ceiling or floor. Customers must insulate box sills to R-19 or better. Basement stairs are not included. See the foundation blueprints for more information.
- \_\_\_\_\_ **Plumbing & Fuel Line Connections:** Design Homes does not contract for, or provide, utility connections at the worksite. All on-site connections must be made according to utility/manufacture requirements. Dryer vents, water heaters and all supply and drain plumbing connections under the floor must be completed by local contractors. Exterior faucets, water softeners, sump pumps and all leak testing is by licensed local contractors. All fuel lines to the various appliances (including ranges, fireplaces & furnace) and the initial furnace startup and calibrations must be done by a qualified HVAC contractor (see furnace manual). Balancing of the duct system and completion of plumbing and vents is by others. On finished 1-½ story and 2-story homes, it may be necessary or required for some connections to be made by a licensed local Plumber or Electrician according to local rules.
- \_\_\_\_\_ **Other Utility Connections:** Design Homes does not contract for, or provide, the electric meter or electric service to the home. It is the responsibility of a qualified local contractor to swing the included power panel down from under the floor and make the service connection after home placement. Electrical connection to the furnace and other utility appliances is by others unless allowed by code. All basement and garage circuits are by others. Design Homes will provide optional TV & phone jacks with "pull-wires" to the basement.
- \_\_\_\_\_ **Interior Finish:** Design Homes does not paint interior walls or ceilings. Interior surfaces should be prepared and finished according to manufacturer's recommendations. Interior trim is installed unless otherwise specified—setting and putting of nails is by others. If floor coverings are deleted, interior baseboard trim will be nailed in place unless otherwise noted on the blueprint.
- \_\_\_\_\_ **Exterior Finish:** Design Homes does not contract for, or provide, porches, decks, flashing for decks, steps & walkways, excavation, landscaping or rain gutters. Overhead garage doors are supplied and installed by others. Removal of construction debris after completion is by others.
- \_\_\_\_\_ **Humidity Control:** DHI Requires that an Air to Air Exchanger (HRV) be installed to reduce moisture levels and improve air quality. Moisture generated inside a home may lead to significant damage and void warranties. An HRV kit is available as an option from DHI or may be purchased locally.
- \_\_\_\_\_ **Other Miscellaneous:** Homeowners must provide homeowner insurance beginning on the day the house is set on the foundation. Financing for the home must be arranged for and confirmed by the homeowner and lender prior to any home scheduling. All local permits are by others.

By signing below, homebuyers acknowledge their responsibilities as listed above and discussed with their salesperson.

## Report to Forest Preserve Committee

Name of Park Indian Bluff  
For the Month of November

The month of November was once again unseasonably cold weather wise so the decision was made to close it down for the 2019 season. All preparations to winterize the facility were made and we are shifting gears to off season tasks.

### **Grounds Maintenance performed-**

- Winterized irrigation system and pump house
- Applied dormant fertilizer to all in play areas
- Continual leaf cleanup
- Cleared some dead timber from several tree lines
- Installed a system of “rope” drainage on our 7<sup>th</sup> green
- Applied heavy topdressings to all greens
- Sprayed all putting greens with snow mold protectant
- Removed some nuisance trees along the 6<sup>th</sup> hole

**Building Maintenance projects performed-** Installed a new bay door lift

**Equipment repairs and/or project performed-** Daily and routine service as required

**Course/General facility conditions-** dormant and shutdown for the season!

**Incidents-** None

**Accidents reports-** None

**Weather conditions-** Cold and snow early

**Activities/Events/Outings held at park-** N/A

**Upcoming-** We are going to continue to remove the ash trees on the property as long as weather permits. Then the focus turns to maintaining or fleet of golf equipment and buildings

**This report was prepared by:** Jay Verstraete **Date:** 12/5/19

Total Revenue for Nov:	\$5,375.93	\$2,866.70	\$9,497.25	\$27,413.21
Avg \$/Player	\$20.72	\$21.37	\$21.67	\$17.68
2018 Season Passes Sold	3	1	7	18
Season Pass Revenue	\$2620	\$750	\$4,275	\$10,650

The month of November was much like the previous two years, not offering much in the way of good golf weather. I have included a look at the last 4 years on this report instead of the normal three to show how weather, especially in November, can effect revenues. 2016 had reasonable November weather with some warmth, and it led to much more business. The last three seasons have featured quick weather changes, with little to no recovery. Several snow systems effected the golf course the last two Novembers. You can also see the relationship of weather and play, with the number of season passes purchased for the next season.

The last day of play at Indian Bluff Golf Course this season was November 9. This is an earlier than normal end to the golf season, as in the days following November 9, the QC area saw snow and single digit temperatures, even some areas below zero! Once the course closed the remainder of the month was spent winterizing and storing golf courts, storing tables, trash cans, push carts, for the winter. The snack shack was cleaned out for the winter as well.

As we hit December the offseason is now in full swing. Indian Bluff will be running a special once again this season of 2 rounds of golf with cart for \$40. This is available thru December 18. Last season this special was very successful, I am hoping for more success this season. The clubhouse will be open Saturday Mornings thru the 14<sup>th</sup> to allow customers to purchase the special, season passes, and other proshop specials. During the proshop hours I am working on compiling the 2019 season numbers, which will be included in next months report, and will include the December numbers. So far December is off to a good start having sold a few specials, and 3 season passes. We are also in the process of prepping for the new POS system implementation which will be in full swing come January. In addition to prperations for the new POS system we will be working on the normal off season cleaning and touch-ups needed around the clubhouse.

## Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of November 2019

**Grounds Maintenance** — Staff finished mulching leaves in the campground. Eliminating the leaves prevents matting and allows the grass to breath and grow. Staff pruned both tree farms and trees in the mowed area along route 84. Staff also started pruning trees in the campground. Branches were chipped in the districts chipper and the mulch created will be used in the spring to mulch around landscaped areas in the campground.

**Building Maintenance Projects Performed**— The south shower building painting project was finished by Smith painting. They used an anti-microbial paint and floor epoxy that will help prevent mold and help with overall cleanliness in the shower building. Staff cleaned leaf debris from gutters.

**Equipment repairs and/or projects performed**— No equipment maintenance was performed. John Deere recognizes there is an issue with the twee tires on the 997 mower. We are part of a case that has been created due to multiple other cases where these tires are failing. My opinion along with our John Deere rep. believes the issue is the tires are not engineered to handle the weight of the diesel 997.

**Trails/Course/General facility conditions**—Staff removed trees along the bike path south of Cordova due to storm damage. FORC has started and continues to work on a new trail feature at Dorrance on the black diamond loop. Trails at Illiniwek and Dorrance are in great shape but have been closed often in November to wet weather and slick conditions caused by freezing and thawing.

**Vandalism report**- No vandalsim

**Incidents**— No incidents

**Accidents reports**—No accidents

**Weather conditions**— Cold and wet!

**Activities/Events/Outings held at park**— There were no events or scheduled activities at Illiniwek during the month of November.

**Items to be bid by Purchasing**— No items to be bid.

**Upcoming Activities** – Staff will continue to work on pruning branches in the campground. When pruning activities are finished staff will start working on the 9<sup>th</sup> street restoration project. If weather allows we will install the new road signs that inform people they are at Illiniwek forest preserve.

**Misc.** – Illiniwek received a “Certification of Appreciation” from the Riverfront Council for the natural habitat restoration and reconstruction work that has been done at Illiniwek. Ross Smith attended the annual national association for interpretation conference.

**To:** Jeff Craver  
**Subject:** RE: Black Hawk HCCTP program

At Illiniwek I would like to have the handicapped parking lot at the playground finished this spring.

2. Dumpster pads
3. When we redo the dugouts on diamond 2 at Dorrance, I would like them to do the concrete pads for the new dugouts.
4. If they are willing they can pour a new road approach and turnout at the dump station along with a new basin for dumping RV's grey and black water tanks.
5. They can also pour the new concrete at the boat ramp.

We may need to consider converting one or two electric sites near shower buildings into handicapped sites. Which means widening the site by 2 feet and pouring a concrete pad to allow wheel chair mobility.

[www.hutchisoneng.com](http://www.hutchisoneng.com)

HEI #4511

December 2019

## PURPOSE

Hutchison Engineering, Inc. is providing a preliminary design report and opinion of probable costs for the future construction of bicycle accommodations at the Illiniwek Park Campground and Facilities located in Hampton, Illinois. The cost opinions and design scope/sketch plans are based on conversations with the district and maintenance employees in the Spring of 2019. This memorandum exhibits recommended design solutions in three options and the associated opinion of costs to help the Rock Island County Forest Preserve District (RICFPD) budget for and implement construction plans to meet the need of the park in accommodating cyclists and other multi-use path users. It is the desire of the RICFPD to secure possible means of finances by applying for state grants in supporting these improvements. The qualifying state ITEP (Illinois Transportation Enhancement Program) grant is referenced in these costs for Options A and B because we would consider this project a great candidate that would likely score high due to the present gap being closed with this improvement. This memorandum provides the following:

- ❖ Location Map – Overall site aerial map.
- ❖ Existing Conditions –
  - a. Visual observations of the pedestrian and vehicle facilities.
  - b. Digital Photos showing the conditions of the park roadway.
- ❖ Recommendations – Summary of suggested Options A, B, and C.
- ❖ Cost Estimates – Opinions in tabular form that estimates the probable costs to be incurred to design and construct the recommendations.
- ❖ Exhibit 1 – Typical Roadway Sections
- ❖ Exhibit 2 – Roadway Plans
- ❖ Exhibit 3 – Roadway Profile
- ❖ Exhibit 4 – Cross Sections at Key locations

## SITE AERIAL MAP

## EXISTING CONDITIONS

The existing roadway in and through the park/campground consists of an approximate 18 to 20' wide part sealcoat and asphalt surface that accommodates vehicular traffic and bicyclists. (Shown above in red). The vehicle traffic has a variety of users. The users include camping and boating trailers, RV's, travel trailers, delivery truck and passenger cars/trucks using the shelter/pavilion and sight-seeing along the Mississippi River.

The surface of the roadway is in relatively decent shape with many areas of water ponding along the edges. There are no shoulders present and the edges of the roadway show wear from trailers attempting to navigate the access road while passing oncoming traffic.

The bike/multi-use path that comes from the southwest (towards Hampton proper) ends at the access to the campground from Route 84, where there is an immediate left turn at a railroad

crossing with signage and no stop arms. The users utilize the roadway identified to thoroughfare the park and remount the path at the northeast end of the boat parking area. There is a large pavilion structure used for gathering events and family enjoyment along the riverside of the roadway. There is evidence of vehicle parking along the edges of the roadway that suggest limited passing width available for traffic.

The registration office and sewer dump station are located along the south side of the roadway. Both areas have turnouts for vehicles that appear to be adequate, although some rutting has occurred along the shoulder areas of the dump station.

The boat launch facility parking area is at the end of the roadway near the bike path end from the north. This pavement is in fair to good condition and no subbase issues appear at the surface.

The following section is a collection of digital pictures recently taken for reference. These pics are along the centerline of the roadway generally starting south and traveling northerly. Other photos at key locations are included in the Exhibit 4 cross sections at the end of this report.

## RECOMMENDATIONS

The recommended accommodations to cyclists and roadway improvements can be summarized as three options that can be found in the attached Exhibits 1 – 4. The general summary is as follows:

- |          |   |
|----------|---|
| Option A | Pavement widening, overlay and appurtenant improvements while providing designated bike lanes on each side of the roadway.                |
| Option B | Pavement widening, overlay and appurtenant improvements while providing a separated path for users adjacent to the roadway.               |
| Option C | Pavement widening, overlay and appurtenant improvements while providing signage and painted symbols for sharing the road with bicyclists. |

## COST ESTIMATES

The opinion of costs for these options can be found in the subsequent pages of this report:

# Loud Thunder Report to Committee

## November 2019

November saw more park usage than normal. The majority of the patronage has been our hunters participating in the 2019 archery hunt, which is typical for this time of year. I was able to open trails for horses and bikes on a couple occasions which brought out a few equestrians, and hikers. Overall, I would say that the vast majority of new patrons we saw on the park were people who wanted to see what is going on with the new campground improvements. The majority of these folks just drive out to the new campground and look around before leaving the preserve.

Weather conditions have been extremely wet due to several rain and snow events in our area. As I previously mentioned, the wet conditions have made working of the roads very difficult. Staff has now completed all necessary removals of the red and white pines to allow room for the outer loop of our new pull through sites. I've been having the staff prune the lower branches off the remaining pines as they are mostly dead from being shaded out and make the trees appear unkempt. My staff has been busy processing the pines that we removed into firewood to sell to our campers next season. We have also started to repair damaged picnic tables that were identified and set aside when we removed them from the campgrounds.

I am still hoping the snow holds off long enough for us to conduct some prescribed burns here at the preserve before winter sets in. If winter arrives and we do not have time to get the burning I wanted to do this fall complete, this will set us back significantly on some of the prairie plantings I wanted to do around Christmas this year. The worst-case scenario would be the cool season grasses get established next spring before we can burn the areas forcing me to chemically burn down the areas again and then burn them off for planting next fall.

The new campground project seems to be slowing to a halt at this point in time. The well house that I reported was nearing completion last month seems to still be in the same state as it was when I wrote my last report. The weather conditions we experienced during the month of November seem to be working against Valley construction and their subcontractors at every turn in this project.

As I mentioned earlier in my report the Loud Thunder Archery Hunt is still underway. To date our hunters have harvested 43 deer on the park. These numbers are up from the last several years at this point of time in the season. I would like to see an additional 5-10 deer harvested before the season ends on January 15<sup>th</sup>. In response to the dwindling numbers of hunters in the last week or so I have opened all zones to the participants in the hunt. I typically do this after the second archery season when the majority of the hunters stop hunting on the park. However, I have noticed a significant decline in the last week and a half so I opened the park up early this year.

Date: 11/19/2019

Joshua Sun  
Sun Trail Running  
1930 N. Myrtle St.  
Davenport, IA 52804

Dear Rock Island Forest Preserve Commission,

My name is Joshua Sun and I am submitting a proposal to host a trail running event at Loud Thunder Forest Preserve tentatively scheduled for Saturday April 18<sup>th</sup> pending the commission's approval.

The goal is to host a small, low key 50 mile and 50 kilometer trail race on Saturday April 18th 2020. Our hope would be to have around 40 or so participants at most for the inaugural year. Proceeds from the event would be directed back to the park in whatever capacity was seen by the commission as being most appropriate. A good friend of mine, Drew Booth, grew up going to Camp Loud Thunder and has spent a lot of time in the park and the surrounding trails and he'll be assisting me with the event. We're in the very early stages of planning so an exact course and some other major details are still being developed. First and foremost though, our top priority is to work with LT Superintendent Ben Mills and this Commission to ensure full transparency and to make sure that all proper steps are being taken to put on the highest quality event that assigns the highest priority to runners' safety and the best interests of the preserve. Liability insurance of no less than \$1,000,000 will be secured in the coming months that will also name Loud Thunder as an additionally insured party.

For a bit of background, I have been directing trail running events for over 7 years now and host several races in Davenport (Sunderbruch Park and Schuetzen Park) as well as two races at the Mines of Spain Recreation Area in Dubuque, Iowa. I have built great relationships with the city governments, the parks departments and the DNR for these events and it's extremely important to me that I work hand in hand with any land management group and for them to not only support our events but also to understand the intent and motivation behind what we do. Everything I organize is very grassroots, independent and focused on responsible and sustainable trail usage that gives back to the parks being used. What I do is not some big race business and as a trail runner myself, the most important thing to me is building strong and lasting relationships between all trail people and the groups/governing bodies that manage and maintain the natural space we're blessed with.

We hope you consider our proposal for a new trail race at Loud Thunder in April of 2020.

Thank you!  
Joshua

## Forest preserve committee report for November 2019

1/3/2019

Prepared by Lee Jackson

### Collections

- Began breaking down Oceans exhibit. Most of the exhibits animals have been shipped to other institutions. The last animals are expected to be shipped out during the week of December 8<sup>th</sup>.
- Began construction of the new invertebrate exhibit that will replace Oceans.
- Made preparations for the Zoos inspection by a team representing the ZAA (Zoological Association of America). The inspection took place on December 1<sup>st</sup> and 2<sup>nd</sup>.

### Facilities and exhibits

- Changed alternator on train
- Built two composite movable ramps for black swan
- Installed new composite viewing rail at Gibbons
- Fabricated and installed new bench at snow leopards and lions.
- Started remodeling of Oceans into invertebrate exhibit.
- Repaired electrical feeder in Giraffe barn.
- Repaired waterer in zebra barn.
- Installed drains in quarantine pools.
- Prepared snow removal equipment for winter.
- Repaired rock wall in mixed primates.
- Installed new plasma light in mixed primates.
- Repaired llama gate.
- Plumbed emergency overflow into octopus's water system.

### Education

#### Events

- Brian Ritter from Nahant Marsh spoke at the Conservation Science speaker's series on November 10<sup>th</sup> at 1pm.

#### Programs

In November we gave a total of 8 education programs to 94 guest. Total revenue was \$622.07

### FRONT/BACK GIFT SHOP:

- November 2018 - \$79.75
- November 2019 - \$1,016.00. A total increase of \$ 937.00
- We participated in "Shop Small Business Saturday" again this year on November 30<sup>th</sup>. We promoted the event more this year and made \$430 dollars as opposed to the less than \$20 dollars we made last year.

### MEMBERSHIP (these numbers include Funbundle as well):

- November 2018-\$1,701  
November 2019-\$3,539  
+\$1838

#### **Zooseum seasonal passes**

- Total Zooseum pass sales to date = \$ 38,053.  
We are continuing to sell passes for 2020 with early bird pricing until Jan. 1<sup>st</sup>.

#### **CAROUSEL:**

- Closed for the season.
- There will be a coupon good for 1 free carousel ride included in the 2020 United way Calendar.

#### **2020 Hours**

April 11<sup>th</sup> opening day: Sunday-Saturday 10am-5pm, last entry at 4pm  
Every Thursday in June and July we will be open extended hours, 10am-8pm, last entry at 7pm.  
Close Mondays starting September 14  
September 15 –October 25<sup>th</sup>, Tuesday –Sunday 10am – 5pm, last entry at 4pm.

#### **2020 free day schedule**

April 11-17 (Saturday-Friday)  
Sept 22<sup>nd</sup>-25<sup>th</sup> (Tuesday-Friday)  
September 29<sup>th</sup> – October 2<sup>nd</sup> (Tuesday – Friday)  
October 13<sup>th</sup> – October 16<sup>th</sup> (Tuesday – Friday)  
October 20<sup>th</sup> – October 23<sup>rd</sup> (Tuesday – Friday)

#### **2020 major event calendar**

January 10<sup>th</sup> (Friday) Volunteer appreciation Dinner  
April 11<sup>th</sup> (Saturday) Opening day  
April 18<sup>th</sup> (Saturday) Earth Day Celebration

# Forest Preserve District

## Rock Island County

*Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.*

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of November 2019.

### **Notes from the prior Forest Preserve Executive Committee Meeting**

The abatement ordinances approved in November by the Commission were submitted and filed to the County Clerk's Office.

Application to the US Army Corps of Engineers is still awaiting documents to be included pertaining to the District organization back in 1942. Once received the application will be submitted.

### **Issues or Items noted on the agenda for the month of December**

Claims & Treasurer's Disbursements to be approved for the month are typical in nature and bond payments due December 1<sup>st</sup> were made in a timely manner. The significant number of outgoing funds in the Treasurer's Disbursements is due to the bond and debt certificate payments for the District. There were several flagged claims and most have been rectified by either reimbursing the District for sales tax paid or missing receipts submitted.

Several transfers of appropriations were needed in the General Fund and the Niabi Zoo Fund to account for minor miscellaneous budget adjustments.

### **Resolution**

A resolution regarding the designation of banks or other depositories in which the funds and public monies in the custody of the County Treasurer and monies received by the office in the collection of taxes may be kept is available for your review and approval. This is an annual resolution.

### **Other Business**

Ranger Mills and I met with Design Homes to finalize the cabin structures and the final proposals are available for review and consideration. The main changes to the initial proposals were from a metal roof to a 30 year asphalt shingle roof. Staff initially requested the metal roof as they have a 30 plus year life and are essentially maintenance free. The appliances and HVAC systems were removed which will be secured by others. Staff will purchase appliances and most likely be able to achieve some minor savings by merely watching store sales. The HVAC systems will be installed by others with staff shopping for quotes in the hopes equivalent systems can be acquired at a lower cost. The structures will also receive a credit for the flooring which

Indian Bluff Golf Course & Forest Preserve   Dorrance Park   Martin Conservation Area

# Forest Preserve District

## Rock Island County

will be installed by staff or others. In order to meet Rock Island County Building Code the structures will have to be equipped with a fire sprinkler system throughout each structure. This may cause an additional cost but will not be known until the design phase begins.

Requesting to name the Director, Jeffrey Craver, as the 2020 FOIA Officer for District. In addition to being named the FOIA Officer and performing the annual training required the District's Administrative Assistant annually completes the FOIA/OMA training as well. This is an annual requirement.

A schedule of meeting for the Forest Preserve Commission and Executive Committee in addition the listing of the District's recognized holidays is available for your review and consideration.

2020 District fee schedule is available for review and consideration. The zoo parking fee increase was budgeted fee increase to assist with balancing the zoo's FY 21 budget which begins July 1, 2020. The staff do not recommend a mid-year fee increase. The camping fee recommendations are based on similar agency fees in the area. There is a wide discrepancy in camping fees when looking at private campgrounds due to the amenities offered and a very wide range of fee schedules if you include state and federal campground fees into the mix. Using a local comparable like the Scott County Conservation Board seems to be the most practical and the proposed fees are on par with the fees they charge. The Clubhouse Manager provided a comparison and recommendation report for the increase in various golf fees.

A final draft of the District's Comprehensive Annual Financial Report (CAFR) will be provided to the Forest Preserve Commission. In addition to an electronic copy a hard copy will be provided to each member of the Commission on the night of the Commission meeting. Mr. Jim Taylor from Carpentier, Mitchell-Goddard & Co will be present to give an executive summary on the FY 19 CAFR and answer any questions a Commissioner may have. A special thank you to Auditor, April Palmer, and her Office who diligently work on the CAFR every year. While a final draft was not available for review by the Director at the time of writing, the report shall be clean with no material weaknesses or deficiencies expected to be present at the time of the Commission meeting.

### **Reports & Facility Usage throughout the District**

November was a let-down in terms of revenue as the golf season came to a rapid end during the last week of October. Facility usage typical for this time of the year with the archery program and fishing being seen at Loud Thunder along with some trail and wildlife watching at the other facilities. Programming and other events continue at the

Loud Thunder Forest Preserve   Illiniwek Forest Preserve   Niabi Zoo  
Indian Bluff Golf Course & Forest Preserve   Dorrance Park   Martin Conservation Area

# Forest Preserve District

## Rock Island County

zoo throughout the winter months. Staff are also working on various grants and the necessary reviews and studies required in order to have a successful submission.

Staff worked on an end of the year giving program called #keepqcoutdoorsy in which folks can merely give to the District or to three strategic projects staff is currently working on; a swing set at Illiniwek to complement the existing play area increasing user satisfaction and attract more families with children, beehives at Loud Thunder to diversify and reinforce our pollinator base at the park, or to the new invertebrate exhibit at Niabi in order to build on the success of Oceans in driving attendance and revenue. Promotion of the District's end of the year donation program is ongoing. To see more visit the District's website [ricfpd.org](http://ricfpd.org) and click the donate button and watch the video.

As the Golf Course Superintendent noted the cart path project has been delayed until next spring as the wet weather and early onset of winter weather put the contractor off-schedule. The antimicrobial paint project on the bathroom at Illiniwek was completed and looks terrific.

As you will notice in the budget performance report, revenues across the board in many of the GL's are up compared to last year at this time. The relief received in July and August from the extensive amount of precipitation received in prior months was a tremendous boost as well as staff's efforts with programs and promotions. With facilities closed throughout the District the staff are in winter preparations mode. Staff are working on forest management plants, prairie planting preparations and trail renovations, signage, equipment maintenance and other misc. projects or repairs deferred from a busy season within what their particular budget allows. The recent snow has slowed and the weather dictates when, what and how much gets accomplished these days.

### **Zoo & Community Advisory Board**

The CAB did not have a quorum the last time they were scheduled to meet in November. The next scheduled meeting is in January 20<sup>th</sup> at 5:45.

### **Union**

No grievances were received by the District from the Union in the month of November.

### **Bond Funding Projects**

Work on the campgrounds is still ongoing when weather allows. Most days it seems to be deliveries. Staff had to remove trees in the Deer Haven campground and will be removing additional trees in the new horse camping area. The cabin structure proposal is being presented this month and should the Commission approve, the engineers will

Rock Island County

finish the construction and bid documents outside of the structures themselves after the first of the year.

## Items for the Upcoming Month

- Update website and other literature pertaining to the District for 2020.
- Staff continue to work on possible grant opportunities. Recently archeological surveys were done at Illiniwek and Niabi Zoo in order to apply for funding for a new restroom, bike service station and road with bike lanes at Illiniwek. Staff intend to apply for one or a combination of Illinois Transportation Enhancement Program, Recreation Trails Program, Bike Path Fund or Park and Construction grant funds after a review with the grant writers from Bi-State Regional Commission. The zoo will be applying for funds for a new prairie dog exhibit through the Illinois Public Museum Grant. An archeological survey is a requirement of the grant submittal.
- Equipment acquisition and preparation for the installation of the new recreation software.

Next meeting is Tuesday, January 14<sup>th</sup>, 2020 at 8:30 AM.

Submitted this 4<sup>th</sup> day of December, 2019

A Merry Christmas and Happy New Year to all!

## Final Notice of Illinois Municipal Retirement Fund Contribution Rate for Calendar Year 2020

Date November 2019

Employer name ROCK ISLAND CO FOREST PRES DT

Employer No. 03526

The contribution rates on earnings paid by your participating governmental unit to IMRF members are shown below. The Illinois Pension Code provides that the employer is responsible for remitting both employer and member contributions to IMRF along with the related deposit report according to prescribed due dates.

IMRF contributions must be paid on the earnings of all employees working in participating positions. Your employer contribution rate on member earnings is based upon actuarial costs for retirement, supplemental retirement, death, and disability benefits. The actuarial formula is specified in the Illinois Pension Code. Member contributions are specified in the Illinois Pension Code and help to meet the cost of future retirement benefits.

Participating governmental units with taxing powers are authorized by the Illinois Pension Code to levy a special IMRF tax for payment of employer IMRF contributions. However, this levy may be used only for employer payments. It may not be used for payment of IMRF member contributions. These must be paid out of the same fund from which the employee IMRF earnings are paid. Interest charges are assessed on any late payments. Refer to Section 4 of the IMRF Manual for Authorized Agents for interest charge procedures. If you have any questions, please contact the IMRF Employer Account Analyst at 1-800-ASK-IMRF.

Brian Collins, Executive Director

### IMRF Contributions Regular

<b>Member Contributions</b> (tax-deferred) .....	4.50%
