

The Rock Island County Forest Preserve Commission will meet at the above date and time in County Board Chambers on the third floor of the County Building, 1504 Third Ave, Rock Island, IL. Governor JB Pritzker's Executive Order 2020-43, issued on June 26, 2020, continues to limit any gatherings of more than fifty people. Governor JB Pritzker's Executive Order 2020-44, requires that public bodies take steps to provide video, audio, and/or telephonic access to meetings. The CDC recommends social distancing of at least six feet between persons. Pursuant to the June 12, 2020 amendment to the State of Illinois's Open Meetings Act (P.A. 101-0640) requiring or relating to in-person attendance by members of a public body are modified in the requirements 5 ILCS 120-2.02 that "members of a public body must be physically present" is modified and the conditions in 5 ILCS 120/7 that limit when remote participation is permitted is suspended. Members of the Commission may attend the meeting remotely, if they prefer. Due to the social distancing guideline, the public will not be able to attend the meeting physically. The public may call in remotely to the meeting by dialing 312-626-6799 and entering Meeting ID: 942 592 50168 when prompted.

2. Commissioner Normoyle moved to approve the May 19, 2020, Forest Preserve Commission minutes, as presented. Commissioner Maranda seconded.

A voice vote was taken.

Motion carried.

3. **PUBLIC COMMENTS: (None) Three calls were made to the public for comments.**

4. **PRESIDENT'S COMMENTS:**

President Swanson stated, "Nothing to mention in the President's Comments other than to salute the team out there. I know we say that but we have seen a dramatic pent-up interest in getting out to the Golf Course and to Loud Thunder, Illiniwek and Dorrance and the team has risen to the challenge with great grace. Uh, Todd is renting the Golf Course as best he can and Mike and Ben. Everyone is doing a fantastic job. I know Lee and his team are chomping at the bit to be ready to go on June 26th. I hope your families and friends are as anxious as my family just to get out and enjoy what John Hauberg referred to as 'the wonders of the world' near at hand...and anything we can do now in terms of using these facilities will alleviate future problems. That's all I have at this time. We will have time for Comments from Commissioners in a bit later in the meeting. Uh, if there is a question you have for me at this time, you are welcome to give it."

5. Commissioner Beck moved to approve the Forest Preserve Fund claims and Treasurer's Disbursements in the amount of \$609,291.92, as presented. Commissioner Brunk seconded.

A roll call vote was taken.

D. Adams, D. Beck, L. Boswell-Loffin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, E. Langdon, K. Maranda, D. Mielke, L. Moreno, P. Moreno, R. Morthland, A. Normoyle, S. Noyd, P. O'Brien, R. Oelke, R. Reagan, L. Sargent, R. Simmer, E. Sowards, B. Vyncke, J. R. Westpfahl

7. **Comments from Commissioners: (1)**

Commissioner O'Brien was recognized.

Mr. O'Brien asked, "Mr. President I have a question. Did you say for the Zoo, is there a date for re-opening that yet?"

President Swanson answered, "Yes Mr. O'Brien, according to Governor Pritzker's plan, June 26th. June 26th will be our opening time. Uh, I can tell you that at our executive committee meeting last week, a report was made by a member of the public that there are some zoo's in Illinois that appeared to have jumped the gun a little bit. Uh, but we are grateful to Mr. Craver for explicitly directing these questions to the State authorities and found that will be the earliest that we can open. And, as I mentioned earlier, with tremendous gratitude that I salute the team that Mr. Jackson has. We don't know the exact form, we don't know the particulars, but plans are coming together to be ready as soon as that zoo can open. So, thank you, Mr. O'Brien for that question. Does that answer your question?"

Mr. O'Brien stated, "Yes, it does...so, thank you."

President Swanson responded, "Thank you, sir. I know you are a grandpa like me and we both are dying to get our grandkids out to the zoo."

Mr. O'Brien stated, "You betcha!"

President Swanson asked, "Are there any other comments from Commissioners?"

(Overlapping speakers)

President Swanson stated, "First I heard from Mr. Morthland and so we'll go with that first, please...go ahead."

Mr. Morthland stated, "I just said...I wanted to personally thank you for quoting a favored son of Coe Township."

President Swanson (Laughter) asked, "Would you please amplify that, you've lost me there, my friend."

Mr. Morthland reiterated, "I just was saying thanks for quoting, Mr. Hauberg."

President Swanson stated, "Oh..."

Mr. Morthland added, "...a favored son of Coe Township."

President Swanson added, "Well, Coe Township has every reason to be proud of the work of John Hauberg. I am sorry, I heard another comment, please."

Mr. Deppe stated, "This is Jeff Deppe. I was just wondering how the improvements of Loud Thunder are going? ...and the golf course improvements?"

President Swanson stated, "Yeah, thank you very much...an excellent question. So, the improvements at Loud Thunder on its last report is on target and we are just wrapping up some of the final things there. But...that is with the reminder that given the cash crunch precipitated by the drop-off in user revenues, this Commission made the decision or supported the decision to uh, suspend work on the two cabins. So, that work is under suspension right at the moment while we reserve our resources as much as we can. We'll come back to that decision at a later date. Uh, the golf course project continues. I believe you'll find an update on that in Mr. Collins and Mr. Verstraete's reports. Um, and the good news is...there is serious pent up demand. If we had weather this beautiful last year, uh, I can only imagine what our revenues picture would have looked like at the end. But, we really benefited from some fine weather...now, if we can get Covid to

cooperate just a wee tiny little bit, uh the picture is looking brighter than it looked a month ago. Does that answer your question, Mr. Deppe?"

Mr. Deppe answered, "Yes, it did. Thank you."

President Swanson stated, "Thank you very much. Are there any other questions or comments? And, I just referred to those reports, and at this time, I would direct the commissioners' attention..."

Ms. Normoyle stated, "Are we done?"

President Swanson asked, "I'm sorry, was that a question?"

Ms. Normoyle answered, "Sorry, no."

President Swanson stated, "Oh...(laughter) sorry."

8. Commissioner L. Moreno moved to approve all Routine Reports from the Director and Departments Heads of the Forest Preserve Commission. Commissioners Beck and Maranda seconded.

President Swanson stated, "Do we have any questions now...I know we've talked a little bit about these reports, but I hope you've had a chance to take a look at them. Are there any questions on the reports? Hearing none."

A voice vote was taken.

Motion carried.

President Swanson stated, "Well, as I said so before, folks...we are benefiting from some lovely weather. I hope all of you and your family and friends are able to get out and enjoy these incredible resources we have. Hearing no further business, note the next meeting of the Forest Preserve Commission is July 21st and we hope, at that time to be able to meet in person. I miss seeing all your faces. Until then, I want to thank you for your diligent and conscientious work."

The next meeting of the Forest Preserve Commission is Tuesday, July 21, 2020, immediately following the meeting of the Rock Island County Board.

President Swanson declared the Forest Preserve Meeting recessed.

RESPECTFULLY SUBMITTED,^

July 8th, 2020- Revised July 17, 2020

TO THE MEMBERS OF THE COUNTY BOARD:

Accompanying this letter is the Treasurers' monthly report of Financial Status as of June 30th, 2020 and Interest received on **Forest Preserve Funds** invested for the month of June, 2020, as the twelfth month of the fiscal year, compared with the prior year follows:

Current year interest for June, 2020	\$ 806.00
Prior year interest for June, 2019	\$ 10,703.00

Current year accrual ending June 30 th , 2020	\$ 80,745.00
Prior year accrual ending June 30 th , 2019	\$144,839.00

Monthly interest for May was averaging a little under .50%

Report has been updated to reflect final FYE balances to Funds.

~~NOTE: AGAIN The Forest Preserve General Account and Niabi Zoo account balances are not final for the month of June. 90% of the receipts are in, but uploading of revenue files is tedious as IT has to correct them before we can upload them into New World System for this report for monthly balancing to checkbook and bank statement.~~

Thanks for your patience.

Contact me if you have any questions.

Very truly yours,

Louisa Ewert
County Treasurer

June was once again heavily influenced by the covid-19 restrictions in place. The positives were that the golf course was allowed to have foursomes play in a group, but they had to take separate carts. The state allowed tee time spacing of ten minutes per group. The separate golf cart restriction did not allow the golf course to host league play in June. Indian Bluff host a large number of leagues, and we simply did not have enough carts to allow us to have the leagues play. Outing play was prohibited by the State of Illinois. The numbers in June were down overall, and that is almost all due to the lack of league play. With normal league numbers for the past few years, Indian Bluff lost over 1200 league rounds to the covid-19 restrictions in June. Had leagues been able to play, it appears golf numbers would have been up nearly 10% for the month. Heat set in to end the month and play declined as the weather got hot. Under the circumstances, I would call June very successful.

The good news in June was that the demand for golf was rather high. Thru the middle part of the month the golf course was routinely filled with players, some weekends even posted better numbers than weekends in which we have hosted golf outings in the past. Even more good news was that Indian Bluff routinely saw many players that we normally do not see. Many of these players were younger than 40, and age group that golf has been struggling to attract in recent years. To add to the good news, I believe we saw more players under the age of 12 than we have seen in the last few years combined. The big question will be as things return to near normal, will these players continue to play. But the good news is, that this age groups does have interest in golf.

Looking ahead into July, the state has loosened the golf restrictions further. League play is now able to take place, and the state has allowed two rider golf carts. A little over half the leagues have decided to play abbreviated season in the second half of the year. The league numbers are down a little bit, but I expected that under the current situation. Outings are now allowed, with certain guidelines in place. Indian Bluff has come up with a plan to host golf outings in the second half of the season. The downside is a large portion of the outings have decided to cancel with the risks of the coronavirus and large gatherings.

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of June 2020

Grounds Maintenance —Staff has been mowing weekly along with weed eating as necessary. Staff pulls garbage and picks up litter on mostly a daily basis due to the extremely high use of the preserve especially in the picnic areas along the river. Staff finished removing very large logs from the boat ramp parking area that were deposited during flooding. The bike path just off the boat ramp parking was repaired. A section of bike path was cut out due to a large heave in the asphalt that was becoming dangerous to cross over on a bike. A new gravel base was compacted and new asphalt installed over the base.

Building Maintenance Projects Performed— Staff and volunteers thoroughly clean the shower and public restrooms every day. A sloan valve flushing unit was replaced in women's side public restroom. Public restroom was cleaned and opened at Dorrance. A new sloan valve flushing unit and toilet was installed on the women's side.

Equipment repairs and/or projects performed— Preventative maintenance on all mowers and general mower cleaning. The 4210 John Deere belly mower from Dorrance needed a new deck belt and belt tensioner spring. New anti-scalping wheels were installed on one of the 1570 front deck mowers. New mower blades were installed on all mowers.

Trails/Course/General facility conditions—Trails continue to be in good shape and have been open most of June due to good weather conditions. Trails continue to get a considerable amount of use.

Vandalism report- The URICRA shed at Dorrance was broken into and some tools and a weed eater were stolen. A police report was filed. Individuals also tried to break into public restroom. The metal exterior doors had small damage from possible a screw driver.

Incidents— No incidents

Accidents reports—No accidents

Weather conditions— Mild - average

Activities/Events/Outings held at park— No activities/events/outings at Illiniwek or Dorrance.

Items to be bid by Purchasing— No items to be bid.

Upcoming Activities – All events and educational outreaches/visits continue to be cancelled.

Misc. –Illiniwek Campground was extremely busy the entire month of June. 3 group of volunteers (5 or 6 people in each group) planted milk weed plugs that Illiniwek received from a Monarch Watch grant. Illiniwek received the OK from F&WS to purchase another 3 acres of prairie seed for Illiniwek. The plan is to remove more turf grass and convert to prairie near the ball diamond parking lot and on the south side of route 84. The F&WS will be purchasing the seed. During July staff will start working at Dorrance on prepping the areas that will be planted into prairie from the Clean Energy Foundation grant. Boat docks at Illiniwek have not been installed due to high river levels. Illiniwek campground has switched out all dumpsters to a larger size. The old dumpsters were too small to handle all the trash being generated.

Loud Thunder

Report to Committee June 2020

June was a very busy month here at Loud Thunder Forest Preserve. Staff has been mowing the grounds, cleaning facilities, and picking up trash as needed. We have made it a point to clean all restrooms on the property twice daily on Friday through Sunday when the usage is the highest here on the preserve. Our trails have been closed to horses and bikes due to wet conditions and we were building a new bridge that was out of commission during construction. The new bridge is now complete and should last for years to come.

Camping has been phenomenal, and folks have been coming out in droves. We have been completely sold out of our 85 available sites on four of the six weekends that we have been open this season. On the two weeks that we did not sell out completely, we came very close, and we had poor camping weather forecasted. I have been fielding a large volume of interested posts on Facebook in regard to when we will open our new campsites. We have also received a lot of questions in the office from patrons who can't wait to get into our new sites.

The Lake George Boat Rental has been breaking records every weekend we have been open this season. I feel that West Lake being closed and the Covid19 pandemic have contributed to folks staying local and renting boats like crazy. Staff has had to sterilize all life jackets and boats in between uses at the boat rental which has helped to instill trust in the public that we are doing all we can to keep them healthy when they visit Loud Thunder. We did see a slight slowdown in boat rentals during the hottest hours of the day last weekend, but still managed to surpass any prior years weekend revenues. Hopefully, this trend continues, and we continue to generate a lot of funds while providing a valuable service for our patrons.

Valley is done moving dirt and grading on the campground improvement project. Their contractor seeded the campground in Deer Haven two weeks ago and the grass is currently about 3/4" tall. I am afraid that these 90 plus degree days will scorch the new grass and kill it. We are still restricting traffic from both Deer Haven and the Horse corral sites as we do not want folks driving on the freshly planted lawns and or wrecking the finish grading that valley has done in these areas.

To date the river levels have been too high for me to put my docks into the Andalusia Slough. It looks like levels will fall low enough for me to finally put them in this week, and hopefully the river stabilizes for a few weeks so that I can leave them in for a while. We are currently applying for a grant to make ADA compliant dock system that can stay in the water all season long. I will keep this committee in the loop moving forward as this process unfolds.

Throughout the last seven or eight years I have had issues with water samples at our Riverview well. My main issues have revolved around the several failed water samples that I get each year. A little over a week ago I experienced a failed water sample for E.coli in the well which I have never had before. The state immediately required that I lock the door and do not allow any patrons to use the water for any

reasons until I can get two consecutive passing tests. We shocked the well the day after I received the results then we flushed the well and took a water sample which passed on the Wednesday leading up to the Fourth of July weekend. The second sample was taken on Thursday before the Fourth and failed for bacteria. I have now been without a shower building or running water for two weekends and have started to look for quotes to drill a new well if that is what the committee decides to do. Monday morning I took three additional samples from the well to see if I could get them to pass, and I will be taking another three samples Wednesday 7/8 again as this is the advice I have received from the well professional that I use here on the preserve. If I can get two consecutive samples to pass then I can open the shower building, but I still need to find the root of the problem so that I can be supplying our patrons with safe water while they are staying on the preserve.

Finally, I have been able to secure funding for herbicide applications to prepare for six prairie plantings this late fall/winter from the United States Fish and Wildlife Service. They are paying just over \$500 to help me prepare these sites. This is a partnership that has been very beneficial to Loud Thunder and the District as a whole, and I wanted to acknowledge them in my report.

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of June 2020.

Notes from the prior Forest Preserve Executive Committee Meeting

The property adjacent to Indian Bluff Golf Course that was discussed in prior months meetings has a sign along the road as for sale by owner.

Issues or Items noted on the agenda for the month of July

District Finances

The monthly claims & Treasurer's Disbursements for the month are included in the packet and once again are typical for this time of the year. The large claim amount for the month is attributed to the payout of the Loud Thunder Campground Project to Valley Construction. There was one claim flagged for sales tax payments and two for missing receipts which have been since turned in.

Several Transfers of Appropriations were needed in the General Fund and Niabi Zoo Fund and a more will be needed in July as the remaining claims attributed to FY 20 are received. No new appropriations resolutions were needed or expected for FY 20. Both revenues and expenditures were down from appropriated levels in the General Fund and Niabi Zoo Fund due the coronavirus pandemic. The FISSA and IMRF Fund's expenditures were down due to salary reductions given to exempt employees and lack of temporary employee hiring's.

The resolution put forth for consideration this month pertains to a small grant from IPARKS in which staff applied for to off-set the cost of life jackets at the boat rental. Both the payment and lifejackets have been secured.

At this time FY 21 began July 1, 2020 and the District will continue to implement measures to off-set the effects of the coronavirus pandemic while still fulfilling its mission. The General Fund has identified appropriations to hold off or eliminate if revenue projections trend below appropriated levels in order to balance out the fiscal year budget. Currently all exempt employee salary reductions to exempt employees have been reinstated except for the Directors at this time. The Niabi Zoo Fund is trending at another significant deficit for FY 21 due to the lack of the zoo's ability to operate at its normal capacity. The coronavirus pandemic has significantly hampered the zoo's ability to generate earned income in addition committed revenue such as hotel/motel tax is expected to see a decline of 60-75%. The staff at the zoo will

continue to attempt to diversify its revenue stream and off-set some of the revenue losses through grants, gifts and sponsorships. Elimination of specific appropriated expenses and the current 20% salary reduction to exempt employees will not be enough to offset the loss of earned and committed revenues to balance the zoo's FY 21 budget. Due to the significant loss of the Zoo Funds reserves in FY 20, the Zoo Fund will most likely encounter cash flow issues later in the year. Staff are closely monitoring the situation and preparing for several different scenarios based on revenue generated and possible future board action. Due to salary reductions at the zoo and reduction is temporary/seasonal labor the IMRF and FISSA Fund will be trending towards. The Liability Fund is in a good position as there is only one significant outstanding claim against the District, a worker's compensation claim. Funds appropriated with the DFCI Fund will be conserved to assist and utilized in emergency measures and used only if needed.

Other Business

No significant actions are needed at this time.

Reports

The District's Budget Performance Report for the month ending June 30th is available for your review. The District FY 20 came to an end on June 30th, however the District has 60 days to backdate and reconcile expenditure and revenues that occurred prior to June 30th. So most notably property taxes to be received in July and August will close the gap between revenues and expenditures in all funds except the Zoo Fund. When comparing current year to date total to prior years all facilities have seen visitation and revenues come down the past due to the coronavirus pandemic.

The Treasurer's Report is available for your review, the significant decrease in interest is because of lower interest rates and the expending of the bond funds for the Loud Thunder Camping Improvements.

The Auditor's Reports are available for your review. Fund balances and cash balances remain strong throughout the District except for the Zoo Fund.

Facility Usage throughout the District

The parks campgrounds, Loud Thunder boat rental and golf course saw significant activity and usage throughout June. There were several weekends in which the weather was extremely conducive for outdoor recreation. The increased demand for services and guidelines to keep visitors safe has kept staff extremely busy as you can see based on the financials and staff reports. Staff expect the trend to continue throughout the month of July with additional restriction being relaxed throughout the state. The zoo

Rock Island County

opened June 26th and online ticket sales continue to come in but attendance is nowhere near its typical averages for this time of the year.

Trails throughout the District have remained open to the public throughout the pandemic and have only been closed due to weather induced conditions. Currently, the playgrounds throughout the District remained closed but picnic shelters are open to groups of 50 or less. Boat launches to the Mississippi River at both Illiniwek and Loud Thunder have not had their dock out due to the river levels. The current dry stretch of weather the region is experiencing may allow staff to have them in the river soon.

Zoo & Community Advisory Board

The CAB met June 15th via a Zoom teleconference. The next meeting of the CAB is July 20th.

Union

No grievances were received by the District from union for the month of June.

Indian Bluff Cart Path Project

At the time of writing all of the proposed cart path areas had been excavated and the contractor was in the processing of working the base before asphalt could be laid. Barring any significant weather set-backs the project should be completed by July 17th.

Bond Fund Projects

The Loud Thunder Camping Improvements are nearly complete. The contractor missing the window for seeding a portion of the project so staff will be requesting a credit to close the project out. Staff will seed in the remainder of the project in the next seeding window come the latter part of August. The primitive sites The proposed cabin projects still currently on hold.

Items of note for the Current Month

- End of FY 20 business, transfers and audit preparations.
- FY 21 budget review and adjustments due to operational needs since approval and because of coronavirus conditions.
- Annual inventory and petty cash checks with auditors.
- Development of policies and procedures with the new software.
- Application for a Boat Access & Area Development grant application for the Mississippi River boat launch at Loud Thunder. Currently staff have received a permit from the state and is awaiting a permit from the USACE.
- Mid-year review of employee evaluations.
- Budget preparations for FY 22.

JUNE MARKETING RECAP

COVID-19 REOPENING ADS

Summary:

To help promote the re-opening of the Forest Preserve properties, Facebook ads were placed for Illiniwek, Loud Thunder and Indian Bluff. The month-long Facebook ads resulted in a large surge of traffic to the website, and contributed to the sold-out campsites, high trafficked boat rentals and golf outings throughout the month. Click through rates on these ads were high compared to previous comparable ads.

Below is a recap of the results that came from the ads.
