8. Comments from Commissioners: (Three)

Commissioner Mielke was recognized.

Mr. Mielke stated, "This will apply to both meetings. As we open up more, are we going to have the public more or included in our meetings...or do we know yet?"

President Swanson stated, "I would defer to Chairman Brunk uh, to answer that question."

Commissioner Brunk stated, "I apologize for not saying that after the meeting."

President Swanson added, "No, it's okay...but the Commission generally follows his lead."

Commissioner Brunk stated, "Um, we are monitoring what the State is doing on a daily basis. Um, I would be surprised if we don't open back up for next month's committee cycle. Um...but Jim and I have been discussing it and we don't want to...we don't want to jump the gun just in case because Mr. Davis and his staff have put in a lot of time and effort into setting up the chambers to be able to accommodate for social distancing. So, once we do revert back to what we would consider normal...uh, it's a significant undertaking for him and his staff. So, we want to be sure we are ready to make that move, but I would be surprised if we do not open back up by next month's committee cycle."

President Swanson stated, "Thank you, Mr. Mielke. Thank you for your question. And, I think on that note on behalf of all Commissioners I would like to express our thanks to Mr. Davis and all his colleagues for everything you've done for us, we really appreciate it. Mr. Langdon had a comment. Let's make sure his microphone is active."

Commissioner Langdon was recognized.

Mr. Langdon stated, "Yes, I have a comment. When is Loud Thunder going to be fully open to the public? I went up there a couple of weeks ago and some of the restrooms were still locked down and the boat rentals on Lake George was not open yet."

President Swanson answered, "One of the things with the boat rentals is that we require some seasonal staff. And many of those, as you know, are college and university students locally. As soon as Mr. Mills has the staff, I believe he gets that open. In fact, I did see that it is now open, is it Mr. Craver?"

Ms. Kinney asked, "Who's mic does he have?"

President Swanson answered, "Mr. Maranda."

Ms. Kinney stated, "You're on, Jeff."

Mr. Craver stated, "Uh, when the staff took over the boat rental operation out at Loud Thunder, it was a seasonal operation. We operate Wednesday through Sunday. We are closed on Monday's and Tuesday's; however, we are open on the holidays if, uh July 4th falls on a Monday. So, the boat rental should open up, I believe it is May 27th and will run through Labor Day. Um, we've attempted to extend the season and open the season at times uh, weekends only when staff and conditions present themselves. Uh, but due to the unseasonably uh...weather patterns we've encountered, um...it...it's difficult. Uh, staff is an issue...uh staffing the boat rental. However, again, I mean...look at this past weekend and some of our other weekends. We try to run the boat rental and try to turn a dollar for the district. We would like to explore that being more of a service and am more than happy to have that discussion at the Executive Committee."

President Swanson stated, "And, I apologize, Mr. Langdon. My confusion was the kayak docks are available, the rentals. Pretty excellent amenities if you want to go check them out. Camping is now available...uh, you can make those reservations through the Forest Preserve District website. You can do that also by contacting them directly. The trails have been recently closed, partially closed due to the heavy precipitation we've had. But for the most part, things are looking really good. You'll see in Mr. Mill's report...it looks like he's had a pretty good report on the wells down at the Riverside Camp site at Loud Thunder. So, that's a plus for us moving forward too. But, thank you for that question."

Mr. Langdon answered, "You're welcome."

President Swanson asked, "Are there any other comments from Commissioners?"

9. Commissioner Adams moved to approve all Routine Reports from the Director and Departments Heads of the Forest Preserve Commission, as presented. Commissioners Enburg and Woods seconded.

President Swanson stated, "I'm terribly sorry, Mr. Deppe. I couldn't see you through the monitor."

Ms. Kinney stated, "Mr., Deppe has a question?"

President Swanson answered, "Yes."

Commissioner Deppe was recognized.

Mr. Deppe stated, "I have a couple of them."

President Swanson stated, "Yes, please."

Mr. Deppe stated, "One of them is a statement. Kudos for bringing the County Sheriff's Department out there to curb the vandalism that had been happening. Um, has the aluminum bridge with the wood flooring...the \$14,000 bridge been put in by Ben and his staff yet?"

President Swanson answered, "I don't think the bridge has been installed yet. But, we have similar structures also...so, we have a pretty good body of expertise in doing that. I don't think it's gone in yet. Do you know when it's going to go in, Mr. Craver."

Mr. Craver answered, "Upon approval of the Routine Reports, uh, since it was noted in this packet, when you guys approve the Routine Reports tonight, we'll move forward with the purchase. And once received, we'll get it assembled and installed uh, out on the trail."

Mr. Deppe stated, "I love the fact that our staff is doing it. We are doing more now. The other question I have is, there are some grants that we are looking for in East Moline. What is that?"

President Swanson answered, "So, as you may know from the packets, there are two considerable properties out near Illiniwek, not adjacent to Illiniwek...but a little bit further up river from Illiniwek that Mr. Petersen has been in contact with those folks and there may be an opportunity to acquire those lands. And what happens, often, when we go in and pay list price for lands that we put into conservation...rather, we take advantage of grants from foundations both national and some international that help to put lands into trusts, right. But, out of those purchases require a match from us to get the process started in earnest money, if you will. And so, what Mr. Petersen and Mr. Craver have been doing is exploring options...and I know they've been working very hard to see if we might

be able to find a source...a private philanthropic source, ideally, to get that earnest money to get that process going. Does that address your question?"

Mr. Deppe states, "Yes, thank you."

President Swanson added, "Thank you. And if we could...that would be a rather significant addition. It's land that people thought they were going to develop but for whatever reason, they realized that wasn't the highest best use of the land. But, if you recall, some of the wins we've had in terms of conservation, especially around Illiniwek, I think we have around five endangered or threatened species that we are now finding around there. I think that bodes well if we can add to that. Is there anything, Mr. Craver, that you care to add on this note? No? Okay, thank you. I also want to echo what Mr. Deppe said about the Sheriff's Department. It's a great partnership that we have. We want families to feel safe and secure when they are using our parks. And, I know from personal experience that the Sheriff's Department does an outstanding job. So, thank your colleagues for us, Sheriff Bustos. Um, are there any other questions or points, Mr. Craver?"

Mr. Craver added, "Uh, in addition to the Sheriff's Department...those of you who do come out to Loud Thunder that plan or intend to fish, please buy your fishing license. I've gotten some increased presence from the State Conservation Officers. So, in addition to Sheriff Bustos and the rest of the Sheriff's Office, uh, the Conservation Officers have been making themselves known at the park; which is a great deterrent."

President Swanson added, "And, we appreciate that partnership as well. Thank you very much for lifting that up. I will say on behalf of Mr. Petersen...it's in his report, the Garlic Mustard Pull that was supposed to happen on Saturday, well you know good soil moisture helps to get that Mustard up but too much...well, it was too much. So, he's going to reschedule for this Saturday if you are looking for something to do and get some fresh air, come on out to Illiniwek and pull some Garlic Mustard with us. Uh, we do have a motion on the floor to by voice vote replicate the previous roll in approving the routine reports."

Commissioner Normoyle moved to approve the previous roll call vote.
Commissioner Brunk seconded.

D. Adams, D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Clevenger, D. Cremeens, J. Deppe, C. Enburg, D. Johnston, E. Langdon, D. Mielke, L. Moreno, M. Moreno, R. Morthland, A. Normoyle, R. Simmer, E. Sowards, B. Vyncke, J.R. Westpfahl, J. Woods

10. President Swanson stated, "One final item of business...I would like to announce and thank our fellow Commissioner, Johnnie Woods, who has accepted the invitation to serve on the Executive Committee for the Forest Preserve District. Uh, I know her service will be invaluable and I thank her in advance. She will be joining us at its June meetings and I want to thank her publicly for accepting that invitation to lead. Alright. Seeing no other business, the next meeting of the Forest Preserve Commission will be June 15th at the Rock Island County Office building and via teleconference, possibly, following the meeting of the Rock Island County Board."

The next meeting of the Forest Preserve Commission is Tuesday, June 15, 2021, at 5:30pm, immediately following the meeting of the Rock Island County Board.

President Swanson declared the Forest Preserve Meeting adjourned.

RESPECTFULLY SUBMITTED,

- h) Presents regularly scheduled programs and exhibits that use and interpret objects for the public according to accepted standards;
- i) Has filed timely reports and complied with requirements for previous grant awards; and
- j) Can provide matching funds of the following amount. Check one:

☒ no matching funds are required for a public museum with an attendance of **300,000 or less** during the preceding calendar year; or

☐ \$1 of matching funds for each \$1 of State money for a public museum with an attendance of **over 300,000 but less than 600,000** during the preceding calendar year; or

☐ \$2 matching funds for each \$1 of State money for a public museum with an attendance of **600,000 or more** during the preceding calendar year.

Resolution of Authorization

The Rock Island County Forest Preserve District hereby certifies and acknowledges that it has 100% of the funds necessary to complete the pending Public Museum Capital project within the timeframes specified herein for project execution, and that failure to adhere to the specified project timeframe or failure to proceed with the project because of insufficient funds or change in local priorities is sufficient cause for project grant termination which will also result in the ineligibility of the public museum for subsequent grant assistance from the IDNR programs in the next two (2) consecutive grant cycles following project termination.

It is understood that the project should be completed within the timeframe established in the project agreement and the reimbursement request must be submitted within one year of the expiration date. Failure to do so will result in the public museum forfeiting all project reimbursements and relieves the Illinois Department of Natural Resources from further payment obligation on the grant.

Any grant funds expended by the fiscal sponsor on behalf of this public museum, the chief executive officer of the public museum hereby certifies:

- 1) that there is an ongoing relationship between the public museum and the fiscal sponsor;
- 2) that the fiscal sponsor may incur expenses for the public museum's project; and
- 3) that the fiscal sponsor may pay for incurred expenses for the public museum's project;
- 4) that grant funds will be used specifically for the public museum's project; and
- 5) that grant funds received by the public museum for reimbursement of IDNR approved expenses will be submitted to the fiscal sponsor for settlement of paid expenses.

The public museum does further certify that there is an ongoing relationship between the museum and the fiscal sponsor; that the fiscal sponsor may incur expenses for the museum's project; and that grant funds will be used specifically for the public museum's project.

The public museum does hereby further certify that it will indemnify, protect and hold harmless the State of Illinois, Department of Natural Resources and its representatives from any and all liabilities, costs, damages or claims arising as a direct or indirect result of the actions and/or omissions of public museum or its representatives in the construction, operation or maintenance of the above referenced project, and that the proposed facility will be operated and maintained in an attractive and safe manner, and open and available to the public without regard to race, color, sex, national origin, age, disability or place of residence in accordance with #23 IL Adm. Code 3200.

This Statement was duly acted upon and adopted by the public museum on the 15th day of June, 20 21.

June 4th, 2021

TO THE MEMBERS OF THE COUNTY BOARD:

Accompanying this letter is the Treasurers' monthly report of Financial Status as of May 31st, 2021 and Interest received on **Forest Preserve Funds** invested for the month of May, 2021, as the eleventh month of the fiscal year, compared with the prior year follows:

Current year interest for May, 2021	\$ 711.00
Prior year interest for May, 2020	\$ 966.00
Current year accrual ending May 31 st , 2021	\$ 10,118.00
Prior year accrual ending May 31 st , 2020	\$ 79,939.00

Monthly interest for May is averaging around .35% interest rate on investments.

NOTE: The Forest Preserve General and Niabi Zoo account balances are not finalized for the month of May. Although 95% of the receipts are in.

Niabi Zoo has the Tax Anticipation loan for \$500,000 that was activated on April 1st, to hold them over with cash until we started getting more revenue in. The 1st tax distribution is June 7th and will be followed by a 2nd tax distribution before the end of the month as well; before fiscal year end.

Please contact me if you have any questions.

Very truly yours,

Louisa Ewert
County Treasurer

May was overall a pretty good month for Indian Bluff Golf Course. Compared to the previous two years, May was fantastic! Looking at the overall numbers there is not much to take from them. Last season May was controlled by extremely restrictive Covid-19 regulations, which very much limited the revenue potential for the golf course. May 2019 was known for extreme rains, leaving the golf course open less than half the month. So May 2021 was the first “normal” May in a few years. Overall numbers were pretty ok, we did have weather issues on a Saturday, two Sundays, and the Friday before Memorial Day. Considering the loss of revenue for those days and the weather issues, May was really good. One number that continues to stick out is money spent per player, that has been trending higher for a while now. That is a good sign, as it continues to show people are willing to spend money at the golf course.

League play at the golf course got started in Late April and early May. All but one of the leagues returned this season, the Kone League did not get started after the pandemic. Reasons for this appear to be a lack of league leadership after the league president stepped down. Indian Bluff did add a league as well on Tuesday evenings. Overall league play is pretty similar to league play before the pandemic.

Indian Bluff did not host any golf outings in the month of May. The one scheduled outing moved to June in hopes of fewer Covid restrictions. The month of June kicks off with three golf outings in the first week, before a lull in the action till mid-July. Many of the scheduled June outings cancelled due to potential Covid restrictions, and a lack of interest due to Covid uncertainty. Most of the later outings have kept their dates, and at this point plan to play.

Looking ahead into June, business is in full swing, as we start the month out with a few outings. The staff looks forward to easing covid restrictions and hopefully more summer like weather.

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of May 2021

Grounds Maintenance —Staff has been mowing weekly at Illiniwek and Dorrance. Some of the containerized trees from SWCD have been planted. There is still more to plant. Staff has been spraying weeds in the campground around burn rings and electrical pedestals. Staff planted the 2 acre prairie near the sledding hill with a pollinator palooza seed mix. Staff prepped the areas that will be planted to sunflowers along route 84 by spraying, fertilizing, and tilling those areas. Staff will no longer spray chemicals to prevent grass and weed growth outside of the campground at Illiniwek. Staff has planted Eco grass, a small fine fescue mix the grows to a height of 8" then lays over, around the base of all trees and signs. This action was taken to help preserve the presence of all insects especially the rusty patched bumblebee.

Building Maintenance Projects Performed— Staff and volunteers clean the restroom and shower buildings daily. JL Brady replaced the floor drains in the north shower. They also installed new shower faucets and shower heads in the north shower that included replacing some pipe in the plumbing chase of the shower building. Staff has been replacing 30 and 50 amp breakers on the electric/water sites.

Equipment repairs and/or projects performed— Mowers and other equipment are in great shape. Mower blades were replaced on all mowers.

Trails/Course/General facility conditions— The trails at Illiniwek and Dorrance were open most of the month due to dry conditions. FORC has been conducting some regrading on the trails to help with off trail erosion caused by cupping on the trail surface. They have also weed eated areas where itch weed has grown into the trail causing for a very itchy hike.

Vandalism report- No vandalism

Incidents— No incidents

Accidents reports— The park ranger cut his hand while replacing mower blades on the 1570 mower.

Weather conditions— Pretty average.

Activities/Events/Outings held at park— No activities in May. The garlic mustard pull scheduled for May 15th was cancelled due to weather.

Items to be bid by Purchasing— No items to be bid.

Upcoming Activities – Bio Blitz will occur at Illiniwek June 25th and 26th. Come out and help discover what plants and animals reside at Illiniwek. Smith painting will start painting the north shower the week of June 6th.

Misc. LL&W donated and planted 3 - 5 gallon containerized oak trees in the campground. They shot a video of the plantings to use as part of their on-line educational videos for schools. Two other individuals from LL&W spent 10 hours planting roughly 200 bare root seedlings in the 9th street project area at Illiniwek.

Bees have started using the native bee nesting box. Well not bees, but mud dobbers and hornets are really taking advantage of the great nesting habitat.

Staff met with the fish and wildlife service about conducting rusty patched bumblebee surveys this summer. The surveys will be conducted 6 times over 12 weeks starting the first week of June and ending in September.

Report to Forest Preserve Committee

Name of Park Loud Thunder
For the Month of May 2021

Grounds Maintenance performed-- Picked up trash on grounds, mowed, string trimmed, cleaned burn rings removed trash from trash receptacles, removed hazard trees in horse corral, sprayed new prairie plantings to kill cool season grasses, fertilized and reseeded all 16 new full hookup sites and new sites located on the east side of the horse corral, began work removing woody vegetation from the spillway as recommended from spillway inspection, tilled horse corral, made repairs on boat dock and installed it into the Andalusia Slough, completed installation of dock at boat rental, and put all rental boats in the water at the boat rental.

Building Maintenance projects performed-- Staff cleaned shower buildings shelters and pit toilets several times weekly. We also removed the insulation panels in the white oak shower building as temperatures have risen significantly. Installed a new air hose at the maintenance shop as the old one leaked. Cleaned and washed all tables at the large pavilion for a prom event held over Memorial weekend. Cleaned and organized boat rental building for opening on Memorial Day Weekend.

Equipment repairs and/or project performed-- Preformed pre and post operation checks daily on equipment to be used. Replaced a broken rim on zero turn mower and sharpened blades on all mowers. Replaced a belt on zero turn mower, and replaced a valve on sprayer.

Trails/Course/General facility conditions-- The park as a whole is looking great. Trails were closed after rain events until they dried out, and saw a good amount of use when they were open. Grass started to grow very quickly during the last two weeks of the month but we have been able to stay on top of it. Road conditions on the preserve continue to be a problem. I will be having staff fill potholes with cold patch early in the month of June.

Vandalism report-- During the month of May vandalism has remained down. The Sherriff's Department has been cruising the preserve more frequently and I have staff patrolling grounds every evening so that seems to be a worthwhile deterrent.

Incidents-- I do not have any incidents to report for the month of May 2021.

Accidents reports-- I have no accidents to report for the month of May 2021.

Weather conditions-- Weather has been cooler than it typically is this time of year, and that seems to have deterred some of our tent campers but folks with RV's came out in large numbers.

Activities/Events/Outings held at park-- Lone Cedar was rented out twice for family events, Rockridge had an orienteering fieldtrip toward the end of the month and we hosted a prom at our large pavilion. The Pearl City Buckskinners held their Rendezvous out here and they continue to draw in more people to their event each year. During the month of June the Moline Fishing Club will be coming out to rent a boat for two days, and this is a new program that may inspire more youth to get out and enjoy the outdoors.

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of May 2021.

Notes from the prior Forest Preserve Executive Committee Meeting

Forest Preserve Executive Committee meeting locations and times were updated on the website and meeting notices were sent to members of the Executive Committee and department heads of the District.

Staff continue on working on land acquisition two properties in East Moline. Staff have had discussions and adjacent property owners as well as grant administrators for matching funds. Due to timing and other variables in play, it is becoming clear that the District will need to put forth a match to any grant applied for. Several land appraisals are in the works and staff will present those to the Forest Preserve Executive Committee in July for direction on how to proceed with purchase offers contingent on the District securing funds through a grant process.

OSLAD reimbursement of \$200,000 still has not been received at this time.

No announcement on the Recreation Trails Program Grant.

Staff continue to evaluate on how best to open the designated Horse Corral camping area at Loud Thunder. Signage, updates to the website and other literature is being developed as the physical location is nearing opening conditions.

Issues or Items noted on the agenda for the month of May

District Finances

The monthly claims & Treasurer's Disbursements for the month are included in this month's materials are typical for this time of the year. The bond payments in the Treasurer's Disbursements were made prior to their June 1 due date. Claims were not fully reviewed at the time of writing this report, however any flagged claims will be addressed and rectified. The District's fiscal year comes to an end June 30th.

Transfers of Appropriation

A few Transfers of Appropriations were needed in the General Fund to cover overbudget scenarios. These were actually delightful to see as Loud Thunder credit card fees went over budget as well as transfers to other funds (Golf Course Improvement Fund) in the Indian Bluff

Rock Island County

department. Meaning the volume of business conducted at both facilities was greater than anticipated and even better no additional funds were required within the General Fund to cover these costs.

Resolutions

Another resolution pertaining to the Woodward grant is required as staff salaries were utilized as part of the implementation of the grant funds received.

Other Business

Discussion of available property at 5600 78th Avenue, Milan IL. This property became available last year around this time. The parcel is 21 acres and adjacent to the Indian Bluff Golf Course & Preserve property. There are no dwellings on the property as the owner, who had passed, utilized the property for outdoor recreation pursuits. Much of the property is in its natural state. The asking price is \$105,000. The executor of the estate called to see if the District would be interested in acquisition after a previous offer failed. A map of the property is enclosed.

Discussion of ARPA funds.

Reports

The budget performance report for the month ending of May is enclosed. Revenues throughout the General Fund are exceeding appropriated amount and expenditures are slightly below. There are still several major expenditures that will be applied to FY 21- Loud Thunder Truck purchase, Administration vehicle, Illiniwek restroom interior painting project and fence upgrades for Dorrance Park. The Zoo Fund is seeing improvements in its revenues and expenditures continue to be significantly less than prior years. The anticipated FY 21 budget deficit continues to dwindle as attendance continues to improve as guidelines and restrictions are eased.

Due to increased levels of operating cash within the Niabi Zoo Fund from received from the Tax Anticipation Warrant and earned revenues the loan received from the DFCL Fund this time last year will be repaid in June.

Staff will be review of the upcoming fiscal year 22 budget for both the General Fund and Niabi Zoo Fund as much has and is changing in terms of the District's operations due to the pandemic.

Facility Usage throughout the District

May was fairly typical as there were continued days of scattered showers and days of sunshine, and days with just overcast skies. Luckily Memorial Day Weekend besides Friday, ended up being a relatively cool and dry one which had the District facilities packed with folks seeking enjoyment from the services the District provides.

Summer officially begins June 20th and the forecast is calling temperatures to rise, so there is still plenty to take in as the warm season grasses and prairies will be actively growing and several species will be in bloom providing a visual delight if you should happen to make a visit.

Staff will be working on reimbursement of a prairie project at Dorrance in which they received from the Clean Energy Foundation. A new trail bridge will be installed at Loud Thunder with funds from the Loud Thunder Endowment in the upcoming weeks. The golf course will continue to be maintained for daily play and the zoo is looking forward to full reopening. The Black Hawk College HCCTP program will be meeting with staff to identify projects for this fall. Park staff submitted applications to the Rock Island Conservation Consortium to fund an additional trail bridge at Loud Thunder and educational signage to be installed on the North Loop of the trail system at Illiniwek.

Zoo & Community Advisory Board

The CAB is scheduled to meet on June 21st. More details on what has been transpiring with the Zoo and CAB can be found in the Zoo Director's report.

Staff continue to work on Illinois Public Museum grant for a new Prairie Dog Exhibit.

There has been no movement on an agreement with the Village of Coal Valley pertaining to the municipal water supply project and whether they received funds from the Rebuild Illinois Program. Village Administrator, Annette Ernst informed the District that she accepted another position and her last day at the Village is June 11. The District looks forward to work with the new Village Administrator and Mayor Bartels on seeing this waterline connection to the zoo come to fruition in the next couple of years.

Union

No grievances were filed by the union for the month of May.

Items of note for the Current Month

- Awaiting notification on how Rock Island County will be using its allotment of ARPA funds as the District was not a receivable entity.

- Closing out FY 21 there will be several transfers needed but at this time there does not appear to be a need to appropriate any additional resources to cover expenditures.
- Hopefully adjusting to the new normal with removal of Covid guidelines and restrictions.
- Continue FY 23 budget preparations.
- Salaries to the Forest Preserve Director and the full-time, non-union personnel at the zoo will be reinstated throughout the month of June. A 2% GWI is assigned to those employees who did not receive the appropriated increase in December 1, 2020. The FY 22 budget incorporated the increase as if it was implemented, so no new funds are being appropriated due to this action in the FY 22 budget.
- Due to salary reductions, the FY 21 general wage increase not being implement to non-union personnel, reduction of a full-time employee in the General Fund, staff turnover at Niabi Zoo the IMRF is expected to have a surplus. Staff recommends this surplus of FY 21 funds be paid to IMRF as an additional contribution. Additional contributions reduce the District's unfunded liability and may based on actuarial assumptions reduce the employer rate assigned in future years .
- Annual inventory checks with auditors.
- Mindfire has begun increased social media and announcement pushes for the campgrounds, boat rental and golf. Requested a one-year retainer quote that would include assistance with social media and other e-communications, soft-costs for brochures and signage, press releases, #qcoutdoorsy, and other misc. endeavors.
- Continue working on PCI compliance, awaiting hardware to be installed at Niabi Zoo so testing and scanning can occur.
- Resolving software issues mainly pertaining to deposits. Continue to upload daily imports to NWS. Working with Mindfire and VSI on a solution to transaction jumping from web parameters creating a two-fund transaction which is not able be to imported to NWS because it is financially incorrect.
- Looking forward to the return of Hannah Stockton, Niabi Zoo Field Office Manager, who should be return to work at the end of the month after being on FMLA.
- Review the designated horse corral camping area signage and language to reduce conflict and liability in the area.
- Continue preparations for Boat Area & Access Development grant at Loud Thunder. The USACE has sent amendments to the current lease agreement due to the District's application to construct a new dock and ramp structure. The Civil Division is assisting the District with clarification of those items. A letter and copy of the supplement lease agreement is enclosed.

- Refine the District's Background Check Procedure due to SB 1480 Conviction Record Protections requirements being applied to the Illinois Human Rights Act.
- A donation from Green Thumb Industries is to be received June 7th.
- Working on Clean Energy Foundation grant for land acquisitions. Map of the properties is enclosed.
- Serviced bee hives at Loud Thunder.
- Planted several new flower species around the park office and serviced the area of undesirable vegetation.
- The breaks and air conditioning in the administration vehicle had to be serviced.
- Participated in a NWS e-suite webinar. Staff is looking at acquisition and implementation after October of this year. This item was not included in the FY 22 budget and when full implementation costs have been determined it will be presented to the Commission for approval.
- Participated in several IPRA Forest Preserve & Conservation District task force meetings. Currently assigned to the "Learning Labs Committee" and serve on the "founders committee". Learning Labs are in-person or webinar educational sessions hosted by IPRA throughout the year at no-charge to members. Additional meetings are scheduled through June.
- Worked on IACD 2022 Conference preparation and budget. Additional meetings are scheduled throughout June.
- Preparations for the July 4th Holiday.
- Evaluating IPARKS grant options. This is a \$500 grant to be used to reduce liability.
- The first of 2021 property tax distributions is expected to be received this month.
- Next meeting of the Forest Preserve Executive Committee is July 13th at 3:30 PM, Forest Preserve District Office –Loud Thunder Forest Preserve.
- Continue to reviewing best practice policies and procedures as recommended by the Illinois Distinguished Agency Accreditation program.
- Caught my first Walleye ever out of Lake George!
- Warm & Dry weather hopefully!

LEASE TO NON-STATE GOVERNMENT AGENCIES
FOR PUBLIC PARK AND RECREATIONAL PURPOSES
UPPER MISSISSIPPI RIVER NINE-FOOT CHANNEL PROJECT
POOL 16
ROCK ISLAND COUNTY, ILLINOIS**

THIS SUPPLEMENTAL AGREEMENT NO. 1, is made on behalf of the United States, between the Secretary of the Army, hereinafter called the "Secretary" and the Rock Island County Forest Preserve District, Rock Island County, Rock Island, Illinois hereinafter called the "Lessee."

WITNESSETH:

WHEREAS, the Secretary previously granted a lease to the Rock Island County Forest Preserve District, for public park and recreational purposes, designated as Lease Contract No. DACW25-1-09-4001, hereinafter referred to as the "Original Lease," expiring on February 10, 2033, for approximately 60.8 acres on Tracts FI-39, FI-40, and FI-41, located in Rock Island County, Illinois; and,

WHEREAS, under Condition No. 6, Structures and Equipment, of said lease, the Lessee requests to construct a paved ADA-compliant pedestrian access ramp and two floating docks on both sides of an existing boat ramp.

NOW THEREFORE, upon execution of this Supplement Agreement No. 1, the Original Lease is amended in the following particulars but in no others:

1. "District Engineer" is replaced with "Real Estate Contracting Officer" throughout the document.
2. The Original Lease shall be amended to include Condition Nos. 36 thru 39 as follows:

36. EXECUTIVE ORDER 13658

Any reference in this section to "prime contractor" or "contractor" shall mean the Grantee, and any reference to "contract" shall refer to the Original Lease.

a. The parties expressly stipulate this contract is subject to Executive Order 13658, the regulations issued by the Secretary of Labor in 29 CFR part 10 pursuant to the Executive Order, and the following provisions.

b. Minimum Wages.

same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay workers the full amount of wages required by Executive Order 13658.

d. Contract Suspension/Contract Termination/Contractor Debarment. In the event of a failure to pay any worker all or part of the wages due under Executive Order 13658 or 29 CFR part 10, or a failure to comply with any other term or condition of Executive Order 13658 or 29 CFR part 10, the contracting agency may on its own action or after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment, advance or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 10.52.

e. The contractor may not discharge any part of its minimum wage obligation under Executive Order 13658 by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Act, the cash equivalent thereof.

f. Nothing herein shall relieve the contractor of any other obligation under Federal, State or local law, or under contract, for the payment of a higher wage to any worker, nor shall a lower prevailing wage under any such Federal, State, or local law, or under contract, entitle a contractor to pay less than \$10.10 (or the minimum wage as established each January thereafter) to any worker.

g. Payroll Records.

(1) The contractor shall make and maintain for three years records containing the information specified in paragraphs (g)(1) (i) through (vi) of this section for each worker and shall make the records available for inspection and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

- i. Name, address, and social security number.
- ii. The worker's occupation(s) or classification(s)
- iii. The rate or rates of wages paid.
- iv. The number of daily and weekly hours worked by each worker.
- v. Any deductions made; and
- vi. Total wages paid.

the tipped employee does not receive sufficient tips to equal the amount of the tip credit the contractor must increase the cash wage paid for the workweek so that the amount of cash wage paid and the tips received by the employee equal the applicable minimum wage under Executive Order 13658. To utilize this proviso:

(1) The employer must inform the tipped employee in advance of the use of the tip credit;

(2) The employer must inform the tipped employee of the amount of cash wage that will be paid and the additional amount by which the employee's wages will be considered increased on account of the tip credit;

(3) The employees must be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received); and

(4) The employer must be able to show by records that the tipped employee receives at least the applicable Executive Order minimum wage through the combination of direct wages and tip credit.

k. Anti-retaliation. It shall be unlawful for any person to discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to Executive Order 13658 or 29 CFR part 10, or has testified or is about to testify in any such proceeding.

l. Disputes concerning labor standards. Disputes related to the application of Executive Order 13658 to this contract shall not be subject to the general disputes clause of the contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR part 10. Disputes within the meaning of this contract clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the workers or their representatives.

m. Notice. The contractor must notify all workers performing work on or in connection with a covered contract of the applicable minimum wage rate under the Executive Order. With respect to service employees on contracts covered by the Service Contract Act and laborers and mechanics on contracts covered by the Davis-Bacon Act, the contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers performing work on or in connection with a covered contract whose wages are governed by the FLSA, the contractor must post a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by workers. Contractors that customarily post notices to workers electronically may post the notice electronically provided such electronic posting is displayed prominently on any Web site that is maintained by the contractor,

may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 13.52.

(e) The paid sick leave required by Executive Order 13706, 29 CFR part 13, and this clause is in addition to a contractor's obligations under the Service Contract Act and Davis-Bacon Act, and a contractor may not receive credit toward its prevailing wage or fringe benefit obligations under those Acts for any paid sick leave provided in satisfaction of the requirements of Executive Order 13706 and 29 CFR part 13.

(f) Nothing in Executive Order 13706 or 29 CFR part 13 shall excuse noncompliance with or supersede any applicable Federal or State law, any applicable law or municipal ordinance, or a collective bargaining agreement requiring greater paid sick leave or leave rights than those established under Executive Order 13706 and 29 CFR part 13.

(g) Record keeping. (1) Any contractor performing work subject to Executive Order 13706 and 29 CFR part 13 must make and maintain, for no less than three (3) years from the completion of the work on the contract, records containing the information specified in paragraphs (i) through (xv) of this section for each employee and shall make them available for inspection, copying, and transcription by authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:

- (i) Name, address, and Social Security number of each employee;
- (ii) The employee's occupation(s) or classification(s);
- (iii) The rate or rates of wages paid (including all pay and benefits provided);
- (iv) The number of daily and weekly hours worked;
- (v) Any deductions made;
- (vi) The total wages paid (including all pay and benefits provided) each pay period;
- (vii) A copy of notifications to employees of the amount of paid sick leave the employee has accrued, as required under 29 CFR 13.5(a)(2);
- (viii) A copy of employees' requests to use paid sick leave, if in writing, or, if not in writing, any other records reflecting such employee requests;
- (ix) Dates and amounts of paid sick leave taken by employees (unless a contractor's paid time off policy satisfies the requirements of Executive Order 13706 and 29 CFR part 13 as described in § 13.5(f)(5), leave must be designated in records as paid sick leave pursuant to Executive Order 13706);
- (x) A copy of any written responses to employees' requests to use paid sick leave, including explanations for any denials of such requests, as required under 29 CFR 13.5(d)(3);
- (xi) Any records reflecting the certification and documentation a contractor may require an employee to provide under 29 CFR 13.5(e), including copies of any certification or documentation provided by an employee;
- (xii) Any other records showing any tracking of or calculations related to an

or more consecutive days of paid sick leave for the purposes listed in 29 CFR 13.5(c)(1)(iv) (as described in 29 CFR 13.5(e)(1)(ii)) and shall maintain confidentiality about any domestic abuse, sexual assault, or stalking, unless the employee consents or when disclosure is required by law.

(5) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(6) Nothing in this contract clause limits or otherwise modifies the contractor's recordkeeping obligations, if any, under the Davis-Bacon Act, the Service Contract Act, the Fair Labor Standards Act, the Family and Medical Leave Act, Executive Order 13658, their respective implementing regulations, or any other applicable law.

(h) The contractor (as defined in 29 CFR 13.2) shall insert this clause in all of its covered subcontracts and shall require its subcontractors to include this clause in any covered lower-tier subcontracts.

(i) Certification of Eligibility.

(1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Act, section 3(a) of the Davis-Bacon Act, or 29 CFR 5.12(a)(1).

(2) No part of this contract shall be subcontracted to any person or firm whose name appears on the list of persons or firms ineligible to receive Federal contracts currently maintained on the System for Award Management Web site, <http://www.SAM.gov>.

(3) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

(j) Interference/Discrimination.

(1) A contractor may not in any manner interfere with an employee's accrual or use of paid sick leave as required by Executive Order 13706 or 29 CFR part 13. Interference includes, but is not limited to, miscalculating the amount of paid sick leave an employee has accrued, denying or unreasonably delaying a response to a proper request to use paid sick leave, discouraging an employee from using paid sick leave, reducing an employee's accrued paid sick leave by more than the amount of such leave used, transferring an employee to work on non-covered contracts to prevent the accrual or use of paid sick leave, disclosing confidential information contained in certification or other documentation provided to verify the need to use paid sick leave, or making the use of paid sick leave contingent on the employee's finding a replacement worker or the fulfillment of the contractor's operational needs.

(2) A contractor may not discharge or in any other manner discriminate against any employee for:

(i) Using, or attempting to use, paid sick leave as provided for under Executive Order 13706 and 29 CFR part 13;

(ii) Filing any complaint, initiating any proceeding, or otherwise asserting any

B, and C, all in accordance with the construction drawings attached and incorporated herein as Exhibit D, subject to the following conditions:

a. Lessee shall limit tree and brush removal to the project area identified in Exhibit D. No other trees or brush shall be removed on the Premises without prior written approval from the Real Estate Contracting Officer.

b. Lessee will adhere to the terms and conditions set forth in the Nationwide Permit No. 3 (CEMVR-OD-P-2020-0175) authorized by the Rock Island District Regulatory Branch on April 3, 2020.

c. Lessee shall notify the Rock Island District Real Estate Division, Management and Disposal Branch, Christopher Fields at (309) 794-5294 upon completion of the construction project to establish a time that is mutually convenient, but no later than 60 days after project completion, to inspect the construction project and ensure compliance with the terms of this agreement. Within 90 days of the completion of the paved ADA-compliant pedestrian access ramp and docks, the Lessee will deliver to the Rock Island District Real Estate Division, Management and Disposal Branch, as-built drawings.

All other terms and conditions of the lease remain in full force and effect.
