2. President Swanson stated, "Thank you. At this time, it is my great pleasure to introduce and call forward Mr. Lee Jackson, Director of Niabi Zoo. The reason we thought we would have a presentation by Mr. Jackson is that there are a lot of exciting things happening right now. And, there are some things that require some strategic direction from the Commission that are imperative in keeping the strategic plan on track. And, I use that phrase deliberately...on track as you will hear in just a few minutes. But, uh...Mr. Jackson, thank you for joining us. The floor is yours."

Mr. Jackson stated, "Hello. A lot has happened since the last time I talked with you folks and it's been a really exciting time for us. You may have heard that we received Keto, our male white rhino, came to us on May 22nd from the San Francisco Zoo. What you probably didn't hear was on the very same day, we received an African Crested Porcupine from the San Diego Zoo and a female Colobus Monkey from the Santana Zoo also in California. The acquisition of the Rhino was the result of a tremendously successful fundraising campaign. Our goal was \$100,000.00 and currently we are at \$109,000 and counting. We have a new partner, the ProClean Car Wash; which have 5 locations in the Quad City area. And, they are collecting donations for us as well. It was good to see many of you last Saturday as we hosted a special event for the donors of the Rhino. Um, 99% of the donations for the Rhino came from individuals. We did have some really generous small businesses that also chipped in...but it was really great to see just how many average people in Rock Island County area chipped in and made all of this possible for us. As some of you know, we have plans for a second female White Rhino for the Spring of next year. This is a part of a formal SSP breeding program that we are involved in. There is still some work to do to get ready for the female, we will be expanding the second large yard next to that animal and we are starting to take quotes for that work right now. We hope to get started on that work later this year. A female Amur Leopard arrived Three P Hall Wildlife Garden in the United Kingdom on June 2nd. We were really excited to

receive this genetically important animal from the AZA Leopard Species Survival Program. And it's really important to note that even though we are not a member of the AZA, this animal was imported from Europe to come to Niabi to mate with our male. Uh, so we are playing an important role in the species survival plan for this animal and we hope to increase their numbers in North America. For those of you who don't know, there are less than 100 Amur Leopards left in the world. Speaking of the AZA, again, we are not a member of that organization right now, but we are an important component to several of their programs; including the Colobus Monkey, Crested Porcupine, Fennec Fox, Amur Leopard and the White Rhino. And, as we get more involved with the ZAA, another professional organization that we belong to...uh, we will be involved in those programs as well. On other exhibit fronts, we are in the process for a plan for the Illinois State Museum Grant to build a new Prairie Dog Exhibit. That Grant will be a little over \$400,000.00 and we should hear if we are successful in mid-2022. We've also begun our next fundraising effort; which is to bring African Painted Dogs to Niabi. That will kick off this year's Pints event and that fundraising. The cost for renovating the old Lion area is estimated right now to be about \$400,000.00 as well. We are really excited and very hopeful to have every bit of this as successful as the Rhino project. Earlier this month, we kicked off a campaign to increase Zoo Membership. The Campaign will continue through the end of this Season. In the last month, we have gained 100 new Members. This time last year, that number was 15. So, we are off to a good start there. Um, Kai mentioned the train. Um...I am sure everyone has heard by now that we've had some transmission issues with our train. The train is 16 years old and they stopped making them in 2012. So, we were able to find a part and there was some confusion about that, but I was told this afternoon that the part did arrive today. So, we are hopeful that the train will be up and running by this weekend. Um, good things like that never happen alone. The Carousel went down today. But uh, what we can tell is just a small electrical issue with the emergency brake and we hope to get that fixed tomorrow. I think that's pretty much all I have except that we are very excited to be opening up the zoo and releasing some of the attendance restrictions that we have. Also, the weekend of July 4th we will be opening up Spineless Wonders; which is a special exhibit on non-vertebrates...97% of all the animals on the planet don't have backbones. So, we are doing special exhibits that range from Jellyfish to Tarantulas to Giant Centipedes to Scorpions. So, it will be a really exciting Exhibit and we are really excited in getting that opened because it was planned to open last year. So, with that...if there are any questions?"

Commissioner Normoyle was recognized.

Ms. Normoyle stated, "So, what is the situation with the attendance restrictions? Are we completely open now...or are there...and do we still need to buy tickets in advance?"

Mr. Jackson answered, "Yes, you still have to purchase tickets in advance, but we will drop most of our attendance restrictions on July 1st."

Ms. Normoyle stated, "Great! Thank you."

Mr. Jackson added, "One thing I will point out is, you will still see many of us wearing masks. Unfortunately, some of our animals are susceptible to Covid. So, we still have to protect them. Um, fortunately there are some vaccines that are in the works, but the first ones won't come available until late Fall at the earliest."

President Swanson stated, "Mr. Cremeens, please. Let's make sure his mic is working."

Commissioner Cremeens was recognized.

Mr. Cremeens stated, "Are masks required of the people coming in?"

Mr. Jackson answered, "You will have to have a mask with you when you come in because there are still going to be areas where you will have to wear a mask. But, it's not really required for you to come in, but to go into certain areas or do certain things, you will have to have a mask for them."

President Swanson stated, "As other folks are thinking about questions, I would like to settle a little strategic context here...uh, the train and the carousel, these are important not just because our kids and grandkids love to ride them. These are tremendous revenue generators for the zoo. And in a given year, the train operator for every day we are open...that contributes substantially to the bottom line of the zoo and all of these great conservation efforts, right?!! You don't make money by hosting a threatened or endangered species. If anything, it's going to expend more. So, that makes offerings like the Carousel and the Train all that more important. Other things that I have asked Mr. Jackson and Mr. Craver to look into is at the point that we can repair our aging engine, ought we then buy a new one, at some point, and keep the spare so we don't go down. Every day we go down on that without having the train service, we are losing thousands of dollars. And that's thousands of dollars that off-sets the tax levy that the zoo would need. That's one thing...the other thing I want you to recall is our Strategic Plan. We are not seeing Prairie Dogs just because they are nice, right? On that note though, I would add having gone recently to another zoo...it was, I watched a young person apparently with Downs Syndrome or a developmental difference...the interaction they had with the Prairie Dog Exhibit was enough to just stop you in your tracks. It was a beautiful thing to see that happen, and so there is that interaction. But the reality is, Rhino's generate more people visiting. Then you take that revenue and you invest it into Prairie Dogs; which are very interactive...and then more people want to come visit when there is Prairie Dogs. And, this is all a part of the plan that we, as a Commission, approved. And if you

are not familiar and have come on since, as we are talking about it...I would be happy to share it with you and I know Mr. Jackson would too. It's a graduated plan as we bring the zoo to a position where these revenues are keeping the tax levy low and the service level and education level very high. So, for those who are newer Members of the Commission, any time you want to have a briefing on the Strategic Plan of the Zoo, please let me or Mr. Jackson know and we'll be happy to walk you through it. Uh, but with that in the context...do we have any other questions? I am so grateful we have Mr. Jackson here tonight...if there is anything else anybody has?"

Mr. Jackson stated, "Actually, can I just add to that a little bit? Uh, our next CAB meeting next Monday...uh, we will be reviewing the Master Plan again with everyone. So, anyone is welcome to come and sit in on that."

President Swanson added, "That's at 5:30pm Monday at the zoo. And any Commission Member and any member of the public is welcome to attend the Community Advisory Board. So, thank you, Mr. Jackson, for that reminder. Are there any other questions? Before we go, I want to thank Ms. Moreno. Uh, I saw that on social media she was enjoying a visit and that's something we can all do. I know that Mr. Maranda used to always hit home...'buy your membership' and 'get out to the zoo'. But now-a-days you add to that when you do go, I thank Ms. Enburg, Ms. Normoyle...I know they were doing it. When you are out there, post that on social media because it generates more buzz and more people want to get out there with their families. So, thank you, Ms. Moreno, I appreciate it. Is there anything else for Mr. Jackson?"

Mr. Simmer stated, "Uh, this is Rod."

President Swanson stated, "Yep, thanks!"

Mr. Simmer stated, "I just wanted to make sure that you cover the fact that how much money the train does. I mean you talk about the fact that a new engine will pay for itself in the first year...it makes that kind of money and so. It is important to keep it going and don't lose these leads to revenue."

(Mr. Simmer's statements were inaudible at this point because of a cutting in an out or poor audio connection and echo).

President Swanson stated, "Thank you, Dr. Simmer. The revenues you are talking about go well into six figures...I mean really well into six figures in the course of a year. And while you are mentioning that Dr. Simmer, I want to remind you and I have a challenge going. We've got to go out and croon to the animal leopards when the pair are united. She's in quarantine right now. But, if you know any good love songs, we are going to go out, have a little candlelight you know and sing a few songs and you are all welcome to sing some."

Mr. Simmer stated, "Well so you know some...(inaudible) so it's all good."

President Swanson stated, "Thank you, Dr. Simmer. Any other questions for Mr. Jackson? Mr. Jackson, thank you for your time."

Mr. Jackson answered, "Thank you."

President Swanson stated, "I appreciate it very much."

5. **PRESIDENT'S COMMENTS:**

President Swanson stated, "We talked a little bit about the train and some of those strategic issues...but I also want to show and shed some light on the great things that are happening out at Loud Thunder, Illiniwek, Dorrance and Indian Bluff. Uh, I am reminded constantly that we're in the middle of the season that for many of us who travel, but also those who host family members, we want to encourage you to get people out to those places. I have a colleague who has lived in the Quad Cities for 20 years and made her first visit to Loud Thunder. She couldn't believe it took her that long to get out there. Thanks to Mr. Mills, Mr. Peterson and our colleagues at the Indian Bluff Golf Course...these facilities are in tip-top shape and you really owe it to yourself to go and visit them. And, I invite others to get out there too and so I hope you consider doing that in the days and weeks to come. Thank you for that."

- j) Can provide matching funds of the following amount. Check one:

☒ no matching funds are required for a public museum with an attendance of 300,000 or less during the preceding calendar year; or

☐ \$1 of matching funds for each \$1 of State money for a public museum with an attendance of over 300,000 but less than 600,000 during the preceding calendar year; or

☐ \$2 matching funds for each \$1 of State money for a public museum with an attendance of 600,000 or more during the preceding calendar year.

Resolution of Authorization

The Rock Island County Forest Preserve District hereby certifies and acknowledges that it has 100% of the funds necessary to complete the pending Public Museum Capital project within the timeframes specified herein for project execution, and that failure to adhere to the specified project timeframe or failure to proceed with the project because of insufficient funds or change in local priorities is sufficient cause for project grant termination which will also result in the ineligibility of the public museum for subsequent grant assistance from the IDNR programs in the next two (2) consecutive grant cycles following project termination.

It is understood that the project should be completed within the timeframe established in the project agreement and the reimbursement request must be submitted within one year of the expiration date. Failure to do so will result in the public museum forfeiting all project reimbursements and relieves the Illinois Department of Natural Resources from further payment obligation on the grant.

Any grant funds expended by the fiscal sponsor on behalf of this public museum, the chief executive officer of the public museum hereby certifies:

- 1) that there is an ongoing relationship between the public museum and the fiscal sponsor;
- 2) that the fiscal sponsor may incur expenses for the public museum's project; and
- 3) that the fiscal sponsor may pay for incurred expenses for the public museum's project;
- 4) that grant funds will be used specifically for the public museum's project; and
- 5) that grant funds received by the public museum for reimbursement of IDNR approved expenses will be submitted to the fiscal sponsor for settlement of paid expenses.

The public museum does further certify that there is an ongoing relationship between the museum and the fiscal sponsor; that the fiscal sponsor may incur expenses for the museum's project; and that grant funds will be used specifically for the public museum's project.

The public museum does hereby further certify that it will indemnify, protect and hold harmless the State of Illinois, Department of Natural Resources and its representatives from any and all liabilities, costs, damages or claims arising as a direct or indirect result of the actions and/or omissions of public museum or its representatives in the construction, operation or maintenance of the above referenced project, and that the proposed facility will be operated and maintained in an attractive and safe manner, and open and available to the public without regard to race, color, sex, national origin, age, disability or place of residence in accordance with #23 IL Adm. Code 3200.

This Statement was duly acted upon and adopted by the public museum on the 15th day of June, 20 21.

10. Commissioner Deppe moved to approve upon appraisal conducted by the District, acquisition of the property listed 5600 78 Ave., Milan, at no more than 50% of appraised value, as presented. Commissioner Vyncke seconded.

Commissioner Westpfahl was recognized.

Mr. Westpfahl asked, "What are you going to do with the property?"

President Swanson answered, "Thank you. I am going to attempt to answer, but Mr. Craver is standing by if he needs to bail me out here. This is property that is contiguous with the Indian Bluff Golf Course. It was intended for some development years ago, but nothing has happened on that property. And, it borders our existing preserve land on about 60% of its overall perimeter. And so, we've been approached...it's not the kind of thing we would actively go out and seek so we are not going to make anything competitive in the way of a bid, but because there are grants and other sources of funding for this kind of land acquisition for preservation, uh...the Executive Committee forwarded the recommendation that we would entertain the idea of putting forward an offer for no more than 50% of the appraised value. Mr. Craver, did I come close to getting that right? I am seeing a thumbs up from Mr. Craver. Mr. Langdon...make sure your mic is live."

Commissioner Langdon was recognized.

Mr. Langdon stated, "Uh, yes...I am seeing two maps on that property. The first map...uh, they claimed it was inadequate. So, I got the second map and the second map I received, it showed there was no connection to Indian Bluff Golf Course."

President Swanson stated, "Uh...the second map, I would need to see in which you are referring to because this is contiguous."

Mr. Langdon interrupted, "I received it...the boundary line does not connect to it, to Indian Bluff."

President Swanson stated, "Let's refer to your packets, now there are two maps. But, these are for two different parcels...two separate matters. The parcel you should see and I don't know what page this is, but it's part of the Forest Preserve District Director's report. This will be near the end of your packet. It's the first of two pages of maps. You'll see something that looks a little like a rectangle crossed with the State of Connecticut. It's a strange one there and its right across from the airport. So, on the first one you will clearly see the airport below. This map, the only thing that was in question is exactly what the dimensions of the frontage were to the road. But otherwise, this does show that on the North...I'm sorry, South East quadrant and entire Eastern line, it is contiguous with the Indian Bluff Golf Course."

Commissioner Langdon asked, "And they are asking \$105,000 for the property."

Mr. Craver answered, "It's what it's listed for, yes."

President Swanson stated, "It's listed for \$105,000. But, you'll note that the motion enjoins the District to have its own appraisal and we would go no higher than 50% of that cost because it would be nice to have, but it's not imperative to have."

Mr. Langdon stated, "It's all wooded...I went and checked it out and it's a completely heavy wooded area."

President Swanson added, "Which is part of the Mission of the Forest Preserve Commission...is to preserve hardwood forests and lands in the county."

Mr. Langdon asked, "So, it would just sit idle then?"

President Swanson answered, "Well, already you'll notice a fair amount of what Indian Bluff does...it's right next to the land that we currently make available to the Rock Island County Emergency Management Agency. And, I do believe they do have a pistol range nearby. Uh, yeah...so, I mean...one of the key points of the Forest Preserve District is to preserve forests and land in Rock Island County. Hang on one sec...Mr. Deppe, you have a question? I want to make sure Mr. Deppe is live, if we could."

Ms. Kinney stated, "Okay, Jeff."

Commissioner Deppe was recognized.

Commissioner Deppe stated, "I believe the farmer had already cut trails into it, so the people that go out there and walk the asphalt are...if you listen to Mr. Craver, there are trails in the woods that people can walk. So, it's part of the Mission to get people out into the woods and I think it's a good idea."

President Swanson stated, "The land, I should note...on the West side and the entire Western border is with the Illinois National Guard 123rd Field Artillery Unit. So, that's also public land of a different nature, right? But that's in the public trust too. Uh, Mr. Craver do you have a comment? I want to make sure your mic is live and the red light is on."

Ms. Kinney asked, "Whose mic is that?"

President Swanson answered, "It was Moose's."

Ms. Kinney stated, "Oh, I can turn it on. Okay, Jeff."

Kurt Davis stated, "No, it's not..."

President Swanson added, "It's got no batteries in it...maybe step up to Mr. Morthland's mic. (To Ms. Kinney) Can you activate Mr. Morthland's mic? There we go."

Ms. Kinney stated, "Okay, try Rich's."

Mr. Craver stated, "Yeah, I apologize for the mistake that I made. The parcel there does not have a building and it's a commercial parcel, so it's never been given an address. And, I made the mistake by listing it as 5500; which I sent out to you folks and when I sent it electronically was because I wasn't sure who would all be here at the meeting, so I sent it electronically and I know everybody has an email address. So, I think I was a part of the confusion, Mr. Langdon, but there is no specific address to the property...5500 is a residential property that is not the property that we would be buying. It would be the property adjacent to it as President Swanson is outlaying in the packet in reference to the golf course. It's roughly 21 acres listed at \$105,000. Uh, the previous owner did cut some trails in there, uh...but for the most part it is relatively undisturbed. There is an access point off of the road to where a parking lot could be put in and trails could be refined and maintained for the public to use, or we could just leave it as a part of nearly 200 acres of Indian Bluff Golf Course and Preserve that would consist of and be managed to basically try and create habitat there for native species. Our biggest concern would obviously be as it is with all the other Preserves, our invasives and that's basically Honeysuckle, Autumn Olive, Asian Bittersweet and Garlic Mustard. Also, we would probably have to consider throughout our Preserves having Ash trees die off and opening up because of the Ash bore. But, it would be a nice addition to the District and if the Board should approve this motion tonight, I will move forward with an appraisal. I will get the appraisal done and they can make an offer and that offer will be contingent on that sale if they were to accept, the contingency would have to be approved for the final sale. And so, that's how we would proceed. There is a little possibility for some recreation there, but within our Mission and opportunities of acquiring land

adjacent to one of our properties when its available is usually pretty few, far and in between. The brother that reached out to us did say that's the reason why he kept it, maintained it and basically used it for a chance to escape and wanted the district to put (inaudible) on it...but due to its cost, you know it would be great, but it's not something that we are willing to offer full price for, so there are other options out there. Are there any other questions I can answer for folks?"

Commissioner Westpfahl was recognized.

Commissioner Westpfahl asked, "Yeah, I would like to know who currently owns the property? What's the name of the person who is trying to sell it?"

Mr. Craver answered, "Paul Rodgers."

Commissioner Westpfahl asked, "Who?"

Mr. Craver reiterated, "Paul, P-A-U-L Rodgers."

Commissioner Adams was recognized.

President Swanson stated, "Mr. Adams, please go ahead."

Commissioner Adams asked, "I would like to know how much the taxes are a year on that property? And, I am sure you don't have that tonight, but can you email that to me?"

President Swanson asked, "Mr. Craver, would you see to it that happens?"

Mr. Craver stated, "Uh, sure. I think that's public record and I think I could share that with the whole Commission without uh any..."

President Swanson interrupted, "Yeah, we can provide that to anyone...that's not an OMA matter. I mean it's covered under OMA. Thank you, Mr. Adams. And, if Mr. Peterson were here from Illiniwek, he would point out something from a long time ago...that 500 years ago, that was a solid White Oak forest that existed from what's extreme Western Ohio across Indiana and Northern Illinois and ended right here. And, it would be great at any time that we can restore some of that White Oak forest. That's what we do at Illiniwek and that's what we would love to do here too, at some point. Mr. Craver?"

Mr. Craver stated, "(no mic on...very inaudible) Until we know every bug known to affect the White oak, like the Ash bore does to the Ash's..."

President Swanson stated, "That's why we do what we do...to protect the indigenous species."

Mr. Craver added, "Well...we do what we can."

President Swanson stated, "Yes, we do what we can. Are there any other questions on that matter?"

**SUPPLEMENTAL AGREEMENT NO. 1
LEASE CONTRACT NO. DACW25-1-09-4001
LEASE TO NON-STATE GOVERNMENT AGENCIES
FOR PUBLIC PARK AND RECREATIONAL PURPOSES
UPPER MISSISSIPPI RIVER NINE-FOOT CHANNEL PROJECT
POOL 16
ROCK ISLAND COUNTY, ILLINOIS**

THIS SUPPLEMENTAL AGREEMENT NO. 1, is made on behalf of the United States, between the Secretary of the Army, hereinafter called the "Secretary" and the Rock Island County Forest Preserve District, Rock Island County, Rock Island, Illinois hereinafter called the "Lessee."

WITNESSETH:

WHEREAS, the Secretary previously granted a lease to the Rock Island County Forest Preserve District, for public park and recreational purposes, designated as Lease Contract No. DACW25-1-09-4001, hereinafter referred to as the "Original Lease," expiring on February 10, 2033, for approximately 60.8 acres on Tracts FI-39, FI-40, and FI-41, located in Rock Island County, Illinois; and,

WHEREAS, under Condition No. 6, Structures and Equipment, of said lease, the Lessee requests to construct a paved ADA-compliant pedestrian access ramp and two floating docks on both sides of an existing boat ramp.

NOW THEREFORE, upon execution of this Supplement Agreement No. 1, the Original Lease is amended in the following particulars but in no others:

1. "District Engineer" is replaced with "Real Estate Contracting Officer" throughout the document.
2. The Original Lease shall be amended to include Condition No. 36 as follows:

36. SITE-SPECIFIC CONDITIONS

Lessee is permitted to construct a paved ADA-compliant pedestrian access ramp and docks on both sides of an existing boat ramp at the locations shown on Exhibits A, B, and C, all in accordance with the construction drawings attached and incorporated herein as Exhibit D, subject to the following conditions:

- a. Lessee shall limit tree and brush removal to the project area identified in Exhibit D. No other trees or brush shall be removed on the Premises without prior written approval from the Real Estate Contracting Officer.

b. Lessee will adhere to the terms and conditions set forth in the Nationwide Permit No. 3 (CEMVR-OD-P-2020-0175) authorized by the Rock Island District Regulatory Branch on April 3, 2020.

c. Lessee shall notify the Rock Island District Real Estate Division, Management and Disposal Branch, Christopher Fields at (309) 794-5294 upon completion of the construction project to establish a time that is mutually convenient, but no later than 60 days after project completion, to inspect the construction project and ensure compliance with the terms of this agreement. Within 90 days of the completion of the paved ADA-compliant pedestrian access ramp and docks, the Lessee will deliver to the Rock Island District Real Estate Division, Management and Disposal Branch, as-built drawings.

All other terms and conditions of the lease remain in full force and effect.

July 7th, 2021

TO THE MEMBERS OF THE COUNTY BOARD:

Accompanying this letter is the Treasurers' monthly report of Financial Status as of June 30th, 2021 and Interest received on **Forest Preserve Funds** invested for the month of June, 2021, as the twelfth month of the fiscal year, compared with the prior year follows:

Current year interest for June, 2021	\$ 638.00
Prior year interest for June, 2020	\$ 806.00

Current year accrual ending June 30 th , 2021	\$ 10,756.00
Prior year accrual ending June 30 th , 2020	\$ 80,745.00

Monthly interest for June is averaging around .35% interest rate on investments.

Niabi Zoo still has the outstanding Tax Anticipation loan for \$500,000 that was activated on April 1st, to hold them over with cash in anticipation of getting more revenue in. The 1st tax distribution was distributed June 7th and a 2nd tax distribution was received June 29th; just before fiscal year end. With revenues coming in, Niabi Zoo paid off a \$250,000 internal loan to DFCI in early June.

Please contact me if you have any questions.

Very truly yours,

Louisa Ewert
County Treasurer

June was a pretty good month at Indian Bluff Golf Course. Rounds showed a slight increase over 2019 and a substantial increase over 2020. Revenue showed an increase in almost all categories over the last two years. Proshop sales was the only sales number down for the last two years. One big reason for this is the proshop has less inventory available for sale as the industry still struggles with shipping orders on time after the covid 19 shutdowns. Some products were so delayed I chose not to stock them this season. One other positive number you will see is the continued increase in average money spent per player. This shows more players are playing in prime times and paying higher fees and also spending a little bit more while they are here.

Concession sales show a big increase as well. We have continued last year's practice of grilling at the snack shack during busy days on the weekend and during outings. Since we began that sales have steadily increased at the snack shack. Adding a credit card payment option in 2021 has also helped drive a sales increase at the snack shack.

Indian Bluff hosted 4 golf outings in the month of June. We hosted:

- Illinois Public Pension Advisory Committee Outing
- Putts for Mutts
- Steve's Old Time Tap
- Habitat for Humanity Quad Cities

Putts for Mutts and Habitat for Humanity were full shotgun starts, the first we have hosted since 2019. Both went very well, Habitat for Humanity set the highest sales record for outside concession stand. Steve's Old Time tap had 84 players on a Friday afternoon, and The IPPAC Outing featured a small group of 40 players on Wednesday June 2.

Looking ahead to July, we have three golf outings scheduled, two of which appear to be full at 144 players. The 4th of July falls on Sunday this season, and I am not sure what to expect for business. With the holiday on a Sunday it tends to be a bit of a wild card as to how business will shape up. The John Deere Classic week usually brings somewhat slower business, however, with a lack of free tickets this season it remains to be seen if that trend holds true.

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of June 2021

Grounds Maintenance —Staff has been mowing weekly at Illiniwek and Dorrance. Staff has been weed eating and trimming tree branches as needed. Staff finished planting the trees ordered from SWCD. Due to the dry weather staff has been watering them twice a week. The sunflower plots have been planted along route 84 and a few other spots with great germination rates on the sunflowers. Staff has been mowing the thistle in the ball diamond prairie where this invasive plant has created mono cultures of thistle preventing the prairie plants from germinating and growing. Staff has removed two fallen trees from the Dorrance trail system that fell during a storm. Staff has also mowed the prairies that were planted this year to keep the weeds at bay and promote prairie plant growth.

Building Maintenance Projects Performed— Staff and volunteers clean the restroom and shower buildings daily. JL Brady replaced the all the toilets in the north shower building due to faulty pressure assist toilets that were installed 6 years ago. New sloan flush valves were installed on the toilets. Smith painting finished painting the walls and floors in the north shower. Due to all the remodeling the north shower has been closed for 2 weeks. The floor paints needs to cure for 1 week before it can handle traffic and will open Thursday July 8th for campers to use.

Equipment repairs and/or projects performed— Mowers and other equipment are in great shape.

Trails/Course/General facility conditions— The trails at Illiniwek and Dorrance are in great shape and continue to get a considerable amount of use. Trail counters were installed a few weeks ago on the trail system at Illiniwek and Dorrance and will be removed in early July.

Vandalism report- No vandalism

Incidents— No incidents

Accidents reports— No accidents

Weather conditions— Very hot and dry then extremely wet.

Activities/Events/Outings held at park— The Bio Blitz was rescheduled for July 9th and 10th due to the weather back in June.

Items to be bid by Purchasing— No items to be bid.

Upcoming Activities – No activities.

Misc. Illiniwek has asked for a bid to replace the water line that supplies water to the pavilion, river primitive campsites, and the river picnic sites. Staff has been unable to find where the break is. The campground at Illiniwek has been extremely busy with campers and picnickers. A number of signs were ordered through Mind Fire for Illiniwek and Dorrance. The grist mill sign, interpretive forest trail signs at Illiniwek and Dorrance, entrance sign for Dorrance, and a sign for the scenic overlook about the lock and dam system on the Mississippi river. Fencing was ordered for diamond 1 at Dorrance to replace the backstop fencing and fencing down the 1st and 3rd baseline to the end of the dugouts. The plan is for staff to set the posts and URICRA to help install the fencing on the posts. This project is scheduled to begin in late July.

Report to Forest Preserve Committee

Name of Park __Loud Thunder __

For the Month of __June 2021 __

Grounds Maintenance performed--__

- Picked up trash on grounds, mowed, string trimmed, cleaned burn rings removed trash from trash receptacles.
- Tilled the horse corral
- Sprayed spillway of Lake George, parking lots and road to spillway.
- Mowed some of the Sac Fox south trail.
- Fabricated spud poles for dock in Andalusia Slough.
- Planted sunflowers at park office, and Lone Cedar shelter.
- Removed brush from behind equestrian sites in new campground.
- Pruned branches that were encroaching on roads throughout the park.
- Installed signs throughout the preserve.
- Installed burn rings and opened 6 new sites at the horse corral campground.

Building Maintenance projects performed--__

- Staff cleaned shower buildings shelters and pit toilets several times weekly.
- Staff replaced pit toilet wall and toilet seat that was broken from vandalism at Hidden Hollow picnic area.
- Staff organized maintenance shop

Equipment repairs and/or project performed--__

- Performed pre and post operation checks daily on equipment to be used.
- Sharpened blades and leveled decks on both zero turn mowers.
- Staff replaced damaged parts on three point of JD2032.
- Performed oil change on Ford Fusion.

Trails/Course/General facility conditions--__The park as a whole is looking great. Trails were closed after rain events until they dried out, and saw a good amount of use when they were open. Grass has continued to grow after a short reprieve so we have been doing a good job of keeping up on the mowing. Trails could use a good mow so staff will be working on that in the month of July. I will be ordering the bridge to create a safe crossing by the boy scout camp this month.

Vandalism report--__During the month of May vandalism has remained down.

Incidents--__I do not have any incidents to report for the month of June 2021.

Accidents reports--__I have no accidents to report for the month of June 2021.

Weather conditions--_ Weather has been cooler than typical and that has helped with the patronage of the preserve.

Activities/Events/Outings held at park--_ Lone Cedar and the large pavilion were rented out this month for graduations parties and family gatherings. Illinois City Saddle Club was forced to cancel their horse show due to rain. Moline Fishing Club came out and rented some boats to fish out of. I am meeting with Clock representatives to host another pride paddle this summer and the farm bureau is looking to hold an event at Lone Cedar in regard to educating the public on erosion.

Jeremy Duffee has turned in a request to hold the 4STA Hike again this year (attached). This group donated \$1,000 to the preserve that they raised in fees last year. I look forward to his group holding their program here again this fall.

I was able to procure a grant totaling \$7,000 from River Action Committee to purchase the bridge that will be installed on the Sac Fox Trail. I will also be hosting a "Day of Caring" with the River Action Committee where volunteers will paint the horse corral and deer haven shelters, seal picnic tables, and do some trail work for the preserve. River action is purchasing the paint and supply's in the amount of \$1,000 so we are doing a lot of great things with this group.

Volunteer Hours—20 hours total cleaning trails and general trash pickup

4sta Hike - 2021

This trail race will take place within the Loud Thunder Forest Preserve, showcasing the trails and challenging terrain that it offers. This event is tentatively scheduled to take place on Saturday, 18Sep21. The start time has yet to be determined but would likely begin around 8am. The race organization (Gated Management) will again secure insurance for this event.

This will be a timed event (4 hours), allowing participants to run as much or as little as they would like. The current course would be a 1 mile loop that participants would repeat during the given time. Not only will it be mentally taxing running the same loop for 4 hours, but this course boasts over 300' of elevation gain and 300' of elevation loss per loop. After three successful events, it's established itself as one of the toughest courses in the Quad City area!

Besides allowing participants an opportunity to experience what the Loud Thunder trail systems offer, we again, plan to take the majority of the proceeds and donate them back to the park. After 3 previous events, from race funds and a donation from one of our sponsors, we have been able to give back over \$1,800!

We would love an opportunity to come back and host the event again this year!

Jeremy Duffee, owner of Gated Management, is an RRCA Certified Running Coach and ACE Certified Personal Trainer. He brings an extensive event background over from the entertainment and professional sports industries. He's been consistently running for over a decade and has spent the last 8 years running ultramarathons. While an ultra is defined as a race 31 miles or greater, he's covered all of the standard distances up to and including multiple 100+ mile finishes.

Forest preserve committee report for June 2021

7/8/2021

Prepared by Lee Jackson

Collections

- 1.0 Kookaburra placed on exhibit at Biodiversity hall
- 25 Ghost shrimp, and 8 Ferocious Water Bugs added to spineless wonders exhibit.
- Botanical Center planted garden at Biodiversity building.
- "Spineless Wonders" opened to the public on 7/1/2021.

Facilities

- The train was inoperable for a prolonged period in June due to a worn fly wheel within the transmission. The engine is 16 years old and our model has been out of production for some time now, so finding the correct part took some time. Reinstalling the part required that the entire engine be pulled from the train so that the affected area be accessed. The train was repaired and placed back into service on June 28th.
- Repair Binturong shed door.
- Repair Colobus Quarantine door.
- Replace front brake hoses, change oil/filter, changed transmission filter/fluid on the Suburban.
- Replaced tie rod, adjusted sleeve on Hoof stock truck.
- Repaired brakes on truck #147.
- Installed a stainless steel table secure to the wall in Gibbons.
- Lift station inoperable due to clogged pump. Pump station drained and pump cleared.
- Carousel electrical issue repaired

Education

- Hired new educator, Eric Mickiewicz
- Finalized Zoo Camp Planning for resumption of Zoo Camps in July.

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Our Vision: to be a leader in natural resource management that connects nature and wildlife with people through recreation and education.

Evidence of this vision will include; people and nature are united with quality amenities and experiences, Rock Island County will be a resilient landscape with restored and preserved natural areas, the District leads Rock Island County in protecting, conserving enhancing the natural landscape.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of June 2021.

Notes from the prior Forest Preserve Executive Committee Meeting

An appraisal for the property adjacent to Indian Bluff Golf Course that was discussed in the month prior is underway. The appraisal should be received sometime in the middle of August.

Issues or Items noted on the agenda for the month of July

District Finances

The monthly claims & Treasurer's Disbursements for the month are included in the packet and once again are typical for this time of the year. Claims had not been fully reviewed at the time of this report, any flagged claims will be rectified by staff as soon as possible.

With the end of the District's fiscal year June 30, there were many Transfers of Appropriations as appropriated deficiencies were filled in surpluses where needed. Two vehicle purchases totaling more than \$75,000 were not received by June 30th, so when received they will be appropriated in FY 22. To compensate for this staff were instructed to purchase appropriated items in FY 22 during the last week of FY 21 to offset the vehicle appropriates that will be needed.

Revenues throughout the District are returning to pre-covid levels but so are operational expenditures and salaries. As noted in last month's report all salaries effective July 1 have been reinstated to prior pre-covid levels. Seasonal salaries also continue to rise due to the annual increase to minimum wage.

Forest Preserve District

Rock Island County

The District received its second and final \$200,000 reimbursement for the OSLAD grant. Since this was appropriated in FY 20 and no significant expenditures associated with the grant occurred in FY 21 it will not be appropriated.

Tax distributions began in June, to date the District has received approximately 40% of the tax to be collected. This is considerably higher than what typically occurs and should the trend continue with July and August distributions it will significantly enhance the overall FY 21 audited numbers.

Personal Property Replacement Tax has been higher than anticipated. Awaiting Hotel/Motel Tax quarterly distributions to see if those revenues received continue to climb upwards to pre-covid levels.

Other Business

A report on the potential land acquisitions of several parcels near I-80 and RT 92 will be presented to the Forest Preserve Executive Committee at the time of its meeting on July 13th at 3:30 PM at Loud Thunder Forest Preserve. Appraisals for the properties have been delayed due to the appraiser. Staff will be looking for direction on how to proceed on contingent offers for these parcels and how those contingent offers apply to a grant application and Loud Thunder Endowment Fund.

Reports

The District's Budget Performance Report for the month ending June 30th is available for your review. The District FY 21 came to an end on June 30th, however the District has 60 days to backdate and reconcile expenditures and revenues that occurred prior to June 30th. The most significant amount of revenue funds to be received that will be applied to FY 21 will be property taxes to be received in July and August, then Personal Property Replacement taxes and Hotel/Motel taxes. Generally, most operational fees noted in the Budget Performance Report will not change. For expenditures, there are 4 days on the July 16th payday that will need to be split between FY 21 & FY 22. Many of the expenditures that occurred in June will be processed in July when invoices are received and paid out in August. Considering the unprecedented effects of covid, the District has continued to maintain a very positive financial outlook. The General Fund I believe when the FY 21 audit is completed, will show growth in the fund balance. The Zoo Fund was hit hard in FY 20 but through austerity measures the Zoo Fund significantly minimized further erosion of its reserves. While the Zoo Fund may end up having a fiscal year deficit, it is trending towards less than \$100,00. Investments in animal exhibitry A deficit in the IMRF Fund was a strategic financial move as the District paid off its IMRF Early Retirement Incentive reserve balance immediately reducing its liability

allowing the District to allocate property tax revenues to build the Zoo Fund's balance. The Liability Fund incurred a small worker's compensation claim, however the District receiving a discount from IPARKS for being an explementary member and a covid rebate should keep its fund balance relatively flat. The FISSA Fund will incur a deficit but its overall fund balance will be within District policy. The DFCI Fund held a majority of its funds for prior year's appropriated projects associated to a grant which the District is awaiting word to proceed.

The Treasurer's Report is available for your review. The Zoo Fund is in position to pay off the \$500,000 Tax Anticipation Warrant it received several months ago to assist with its cash flow needs. Should fees continue to trend towards seasonal averages and expenditures are closely monitored, the Fund's cash position such be sufficient until March/April of next year in which it may need an additional short-term influx again as the overall health the Fund continues growth towards pre-covid levels.

The Auditor's Reports are available for your review.

Facility Usage throughout the District

The park's campgrounds, Loud Thunder boat rental and golf course were busy throughout June as temperatures for the most part were accommodating and rain days were less than average. The massive influx that occurred at this time last year has slowed demand somewhat. Trails throughout the District are seeing typical usage and at times had to be closed due to the couple days of large precipitation events. Several picnic shelters rental occurred and more are on the books as folks begin to gather for their annual events. The Mississippi River has been extremely low through the spring and summer boating seasons, Loud Thunder has had their docks out but the docks at Illiniwek have not. The Illiniwek docks need a significant engineer rehaul as they were built to accommodate ADA but due to the single bulk head they can't accommodate the wide range of river fluctuations that keep on occurring from year to year. The zoo continues to see more and more visitors now that capacity limits have been lifted and the zoo is now operating like it has pre-covid. Educational programs are slowly being reintroduced as well as zoo summer camp. Plans for a revised Pints for Preservation special event are being worked on by staff.

Please take note of the staff reports which go into greater detail of what is transpiring at each preserve.

Zoo & Community Advisory Board

The CAB met June 21st for a tour of the zoo and review of the masterplan. The next meeting of the CAB is July 19th.

Union

No grievances were received by the District from union for the month of June. Assume the union will be sending letters shortly on negotiations as the current bargaining agreement expires November 30, 2021.

Items of note for the Current Month

- End of FY 21 business, transfers and audit preparations.
- FY 22 budget review and adjustments due to operational needs
- Annual inventory and petty cash checks with auditors.
- Application for a Boat Access & Area Development grant application for the Mississippi River boat launch at Loud Thunder. Currently staff have received a permit from the state and is awaiting a permit from the USACE. The USACE send amendments to the current lease agreement which are under review by the Civil Division.
- Budget preparations for FY 23.
- No update on the Recreation Trail Program grant or Village of Coal Valley watermain project.
- Worked on revising and updating websites.
- The July 4th Holiday was a busy one, revenues generated got the District off to a great start.
- Still working on background check policy due to changes in the law pertaining applicant's human rights.
- The third 2021 property tax distributions is expected.
- Continue to reviewing best practice policies and procedures as recommended by the Illinois Distinguished Agency Accreditation program.
- Worked with Bi-State on the Illinois Public Museum Grant for a Prairie Dog exhibit for Niabi Zoo.
- Along with Kathy Swett, Civil Division, met with East Moline City Administration about possible land acquisition within the city limits.
- Continued participation in the IPRA Forest Preserve and Conservation District committee.
- Hosted the Illinois Association of Conservation District's 2022 annual conference meeting.
- Will be applying for a \$500 IPARKS grant to reduce the District's liability in the applicable grant requirement areas. Also enclosed it the renewal statement, explanatory member notice for an additional three years and Casualty Contribution Support Refund Check notice.
- Still awaiting on IS for work on the Niabi Zoo hardware to complete this year's PCI compliance testing.

IPARKS to provide Casualty Contribution Support Refund Checks

IPARKS knows that this has been an extraordinary and difficult time for Park Districts in Illinois and we are pleased to help with financial assistance once again!

We will be providing financial support based on 10% of your casualty contribution. **A check for the amount shown below will be mailed to you 30-60 days following your IPARKS annual renewal.**

 Illinois Parks Association Risk Services	Casualty Contribution Support Refund
	\$ <u>11,496.00</u>
Pay to the order of: <u>Rock Island County Forest Preserve District</u>	
Amount: <u>Eleven thousand four hundred ninety-six</u> and <u>00 / 100</u>	

Providing coverage to park districts, recreation and conservation districts, river conservancy districts, forest preserves, and special recreation agencies for **30 years** is a milestone we are extremely proud of. IPARKS' success is a result of the loyalty and commitment of its members to the program - Thank YOU!
