Recess

The next meeting of the Forest Preserve Commission will be held at the Rock Island County Building, 1504 3<sup>rd</sup> Ave, Rock Island, Illinois 61201 on Tuesday, December 20<sup>th</sup> 5:30 PM following the meeting of the Rock Island County Board of Supervisors meeting.

\*The Forest Preserve Commission will begin immediately following the meeting of the Rock Island County Board

\*\*Items in Commissioners packets can be viewed online at the District's website [www.ricfpd.org](http://www.ricfpd.org)

CS - Posted 11/18/2022

**ROCK ISLAND COUNTY FOREST PRESERVE COMMISSION**  
**OCTOBER 18, 2022 – 6:13 PM**  
**PRESIDENT KAI SWANSON PRESIDING**

1. Karen Kinney, County Clerk, called the roll: (Record)

D. Adams, D. Beck, L. Boswell-Loffin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, C. Enburg, E. Langdon, P. McNeil, D. Mielke, L. Moreno, M. Moreno-Baker, R. Morthland, A. Normoyle, E. Sowards, K. Swanson, L. Thompson, B. Vyncke, J. Woods

**TOTAL PRESENT      20**

K. Bogdonas, M. Burns D. Clevenger, R. Simmer, J R Westpfahl

**TOTAL ABSENT      5**

2. President Swanson stated, "Thank you, Clerk Kinney and very grateful for that. And, I want to throw my thanks to the Farm Bureau too. I got to do that with a grandchild last year and wanted to go with a different grandchild, but some different things intervened. Hopefully, in the future. Thank you, it's a great opportunity for all Members. If you haven't had the opportunity, you really should do it. Alright, it's my great pleasure to introduce a guest speaker tonight who you might know because you go through all of these reports at the Forest Preserve District thrives through partnerships. Tonight, we are going to celebrate one of those partnerships, we are joined by Angella Moorehouse, the Natural Areas Preservation Specialist for the Illinois Nature Preserves Commission. Ma'am, the floor is all yours. If you could be somewhat close to the mic because some of the people at home...thank you."

Ms. Moorehouse answered, "Sure! Okay, I am very honored that you gave me this opportunity to speak. Jeff and I have been working together off and on...it's been a long time. I am about actually across from Keokuk, Iowa...so I am quite a ways to the south...so it takes about 2 ½ hours to get here. But, I do end up coming up to the Quad Cities because there is a lot more happening in some of the urban populations. So, I spend a lot of time in Peoria and the Quad Cities as well. I work very closely with the Peoria Park District which is a little bit different than Forest Preserve Districts...but, they actually have about 2,000 acres enrolled in our programs and they have been absolutely wonderful partners to work with. And so, I am going to rely on that experience in my talk with you. (Presentation/slide show had technical difficulties for a moment...) There we go. Just to give you a little bit of a background on the Nature Preserves Commission, the Commission was established in 1963. We didn't get any staff until later in about 1968 to 1970. We started out with a couple staff. I actually came on in 1996, so I have been around for a while. I didn't initially have a Rock Island County, I was given that as my duties expanded in about 2000. So, I have been working with this county for 22 years now. So, I do have a little bit of experience here. So, basically, the Nature

Areas Preserves was created by the Illinois statutes...a citizen body appointed by the Governor, they have nine (9) Commissioners that basically work with the staff and basically make the decisions and guide our Nature Preserves protection and our regulations. Just to give you a map of where we all are, (shows slide) right now, I cover west central Illinois. We have a vacancy up in the Northwest corner. So, I have been going all the way along the Mississippi River up to Jo Davies County and covering that. That takes four hours or so to get up there...that's a long day when I have to drive up there. Fortunately, we can do a lot through Zoom. And when going to that county, I rely heavily on our partnerships. I could not do my job without partnerships. That's way too big of an area for me, so I have to rely on my partnerships and so that's what it's all about and moving forward...that is just going to become more and more important. They are basically funding less government and more contractual. So, we've become supervisors and we write plans and supervise contractors to do the jobs we used to do. (Next slide) This is just a, basically a map depicting the locations of our lands and waters preserves. That's our two programs within the State...you can see all the dots. Those are all of the protected sites that we deal with. Nature Preserves have been around since 1963...this is a little bit old, but there are over 400 Nature Preserves. Land and Water Preserves started in 1995, just before I started...and so, there are over 200 land and water preserves. I apologize, this isn't a very good map, but I just kind of wanted to show you some of the sites within Rock Island County. Three of which are protected nature preserves...that's Blackhawk, Elton Fox, those are both owned by the Department of Natural Resources. And Joshua Lindahl Hill Prairie is owned by Augustana College. All the other dots and markers are basically natural area inventory sites that we are interested in because they have high quality significance from a State Wide prospective. So that's one of the reasons why I am here...you basically have a lot of protective sites; which are owned by the Rock Island County Forest Preserve District that we are interested in working together to protect. There are three of them there (slides)...I am going to go through those. One of the easiest to get to and one of my favorites is the Indian Bluff Hill Prairie. So, that's basically, the hillside as you go into the Indian Bluff Golf Course. You see all of those beautiful flowers, that is a hill prairie. One of those flowers is a State endangered species...I'll show you a picture of that in a minute. It's basically that whole ridge there. It's a really high-quality prairie. About 10 or 12 years ago, we came into some extra money and were able to hire contractors to be able to work on some of these sites that were outside of our protection programs simply because we wanted to make sure we protected hill prairies. Hill prairies are these small little tiny area prairies that exist on hills, overgrown and overrun by a lot of brush. And so, keeping these open and maintained by these communities is really valuable for us. And that is one that is so easy to get to. What I love about those sites is it is so easy to get to...everybody who drives by can actually physically see that hill prairie. It is such a nice site...and I would love the opportunity to go out there and be able to partner and share in protecting that site. (Next slide) In this next picture, it shows the plant on the top that is the State endangered Ghani Painted Cup and the other one is just some

Hoary Puccoons. It just kind of gives you some perspective standing on the hill prairie looking down toward the airport and some of the industrial stuff down there. It's just a nice little tiny jewel there. Some of the other sites...this one is the Illiniwek Forest Preserve; which is also adjoined to the Elton Fox - Bald Eagle Refuge, I think it's called...and that is owned by the DNR and a lot of that is protected in the nature preserve. Of course, the Illiniwek site is not. I think there is a piece of a private land in between the two that is unprotected. So, we are very interested in working together...and, I participated in a bio-blitz back in 2021; which I do insects...so, I was working very hard in a 24-hour period to try to identify all of the insects I can. That's fun for me, it's kind of a competition thing. It's basically all of the biology you can find in 24 hours. I like insects because we never run out of insects in 24 hours and it's my ability to find them. (Next slide) And just a few pictures from Illiniwek, you may be familiar with the Federally listed endangered Rusty Patch Bumble Bee. That was found there several years ago. I found one in a bio-blitz, but it was wet because it was raining and they weren't quite sure that's what it was, but the next week the fish and water service found more of them and it was confirmed. The wasp in the bottom, I just want you to know that was taken in that new ballfield prairie at Illiniwek. It just got published in a recent book, not my book...but one of my friends published a book on wasps and so that made it into the book. I am working on a book called True Bugs and I am sure that some of the pictures from the Quad Cities area will end up in that book. At the top, is a bergamot sweat bee...it is a really rare bee and it's nice to find it there. And lastly for the natural inventory sites is Loud Thunder. We had a bio-blitz there I think in 2017. This area is actually a very small portion of Loud Thunder, but that is an area that the State finds significant because there are two listed plant species...there is an Orchid and a Club Moss that were found down there by the river trail. So, that is one of the reasons why I am here it to talk about how important those sites are. And then the next site...this was from the bio-blitz...it's just some examples of some of the bugs. We pinned them and took a picture of some of the bug diversity we found down there. Then, in the new site which you have recently acquired, I don't know what...did the clean energy community funded money for that...is that right? Okay, and as a condition in them providing some funds is for acquisition a lot of times, they ask the owners of the recipients of the grant work with us to see if they will enroll in one of our conservation easement programs. And so, that's one of the reasons why I am here. I am not sure if this qualifies here...if we find a Rusty Patch Bumble Bee or a listed Bat species, that would probably be the easiest route to go or if the forest community is high enough quality, then it will qualify. The thing about our sites is we will only protect the highest quality sites because this is a strong form of legal protection. And, if we were protecting everything, we would be blocking roads, blocking telecommunication and lots of things and we don't want that happening everywhere. We just want the small tiny treasurers protected. That way, we have a little more teeth to protect those. Okay, just to give you a little bit of background between our two programs. The Nature Preserves and the Land and Water Preserves are the two conservation programs. Most of these are...generally, these are permanent protection. Preserve is always

permanent and Land and Water has the option to do like 20-year automatic renewals but we don't do those very often anymore because it is just too much work for us. It's just so much easier to just sign it up permanently for permanent protection. Easements are held by the Nature Preserves Commission and the Department of Natural Resources...so, it's a partnership. Well...it's kind of a complicated relationship...yes, I work for the Nature Preserves Commission and I work for the Department of Natural Resources. They pay my bills and I answer to the Department of Natural Resources as well...but we try to be somewhat independent because we are the overseers of the easements for the land owned by the Department of Natural Resources. They cannot basically, supervise themselves. They need an independent body and that is our commission. Our Commissioners are not State employees. So, they are independent. We are half and half...we answer to them but we answer to the Department of Natural Resources. So, it is kind of a confusing relationship...that's how it works in the State of Illinois. Dedication of Nature Preserves. A Nature Preserve is the highest form of protection. This is what moves roads, this is what blocks utilities and sewers. Basically, they are sites known by the (Inaudible) they move the road around because they want to protect some land. So, it's a big deal. And a lot of individuals trying to protect their sites from certain things. If they have...they must have high quality land or some significant feature. But, we can work with the companies and typically divert them from the high quality, sensitive areas if we have Nature Preserves because that is just considered such a high form... and it is so important in the State of Illinois. It does supersede seizures by eminent domains. There is a reduction in taxes for private land owners, the preserves are taxed at \$1.00 an acre. A lump for protection is ensured so...a lot of times, this land over generations...being on the commission now for 26 years, in some cases some of my sites have gone through multiple generations. In some cases, I am on the third generation now...and so, different generations may not have the same feeling as mom and dad, grandpa or if it is sold...what the original land owners wanted for that. But, because those original land owners laid out how they wanted the land protected, we honor their wishes. And so, they have the ability to protect their land even when they don't own it anymore. It stays with the land. We do provide assistance for inventory and monitoring for plants and animals. We try to provide technical assistance to manage it and conduct prescribed fires to do for invasive species to control. I can usually get small amounts of money...larger amounts of money can be more difficult, but we hope that changes with the budget. Registration of Land and Water Reserves is one that a lot of times...interestingly enough with the Peoria Parks District always chose nature preserves. But, a lot of times, municipalities and land owners interested in more recreation choose the land and water reserve options. A lot of times with the Clean Energy Community Foundation, they choose the land and water preserve because it's more flexible to allow for more recreation. You can have a little areas set aside for camping...you can have cross country skiing, bike trials and things like that are worked into the management plan at the time of registration. It doesn't have as high a form of protection. In other words, if a utility company wants to come through...they

would have to prove that it is for the public good to allow that. So, lots of times what we negotiate is some mitigation we allow it to happen on the edge of the property. So, there is a little bit of flexibility on all sides for that. It doesn't provide as high a level of tax breaks for private land owners. It's basically taxed at the lowest rate of waste land or forest land. Once again, there is assistance provided for management and for surveys near and far. Allowable uses...the Nature Preserve is so protective, it's a lot more restrictive. We can allow deer hunting now because deer have become deemed somewhat invasive, they have been eating up all our plants in the hill prairies and things like that. We do allow deer hunting as a management tool. There are some other things like bicycling and horseback riding if there are established trails that are established prior to dedication or that plan was established prior to dedication, that can be allowed. Whereas, with the Land and Water reserve, we have a lot more flexibility to work that in later along. Both, we measure for threat and species and community restoration...we certainly want hiking, we want people looking around, seeing these sites and doing educational opportunities. We have permits for Universities and schools doing educational projects. That's permits mostly so we know what's going on and we want those results as well so, everybody stays in touch with everybody. We do have scientific research...like I said, it's proven by plans, bird and nature photography. We want to encourage people to use these sites. How are lands eligible? I keep talking about the State-wide significance. How are these are important? We have a list of natural area inventory of all of the States' sites in the state that have been deemed...most of them have either high-quality horticulture communities which is what the European settlers would have seen had they got here. Of course, nothing is like it used to be, but they are deemed the closest to that. Also, habitat supported and endangered and threatened species...obviously, plants, insects, animals. Not many insects yet, but we are working on that. Also, unusual concentrations like mussel beds, heron rookeries...formerly Bald-Eagle roost. That's one of the reasons that Elton Fox was protected was for the Bald-Eagle roost. Eagles are making a comeback...I think I saw three adult Bald Eagles on my way today. And that was out in the middle, that was not on the rivers...it was out in the middle kind of away from the major rivers. Significant Geological sites...I am not a Geologist, so we have to rely on the Illinois State Geological Survey. Same thing with Archeological sites. We rely on the cultural resource coordinator within the DNR and the Illinois Archeological Survey to let us know when archeological sites are significant. And then the commission also has the purview to decide if a site qualifies, because they say it does. So, they don't like to do that, they like to have sites that are already on our inventory or geological and archeological significant sites. They can do it. Sometimes sites kind of fall through the cracks and we know they are important...the State-wide significant but sometimes they don't meet our criteria. And they have the right to be able to approve them anyway. If you build a Land and Water reserve...it's just for land and water reserves, but we are flexible because it's such a flexible program. So, forests that are greater than 100 acres in size, that are providing habitat for four sets of sensitive breeding species...usually,

that's birds, grasslands (80 acres), wetlands (50 acres), prairies (20 acres) and railroad prairie remnants that are a mile in length. Those all qualify for a Land and Water reserve but not necessarily for a Nature Preserve program. Community restoration...so, planted prairies that have high quality examples that are existing within the region. If there is nothing else in the region, we will take reconstructions. Right now, it seems the Rusty Patch Bumble Bee seems to be found on these reconstructions. It was a former ball field at Illini and here we've got the Rusty Patch Bumble Bee coming in. It wasn't there before, it was a ball field. It was no habitat...so, we built it and they came. That's one of the things that's really exciting, especially, the Rusty Patch Bumble Bee...it seems like if they are already in the area, we can build it and they will come. In summary, I will show off...(next slide). This is my butterfly that I am in charge of...its leading on the State endangered and threatened species list. It's one of my favorites, found in the sand prairies mostly in the Kankakee sands south of Havana are the two major paces... and up by Thompson and Fulton, there is a small population up there. But that is the Regal Fritillary...very beautiful. That's a male...he is a very beautiful butterfly. Uh, a nature dedication is often the best choice when you want that high level form of protection. Something like Indian Bluff, I couldn't imagine that anything is ever going to be built on top of that Hill prairie. I hope not...so, having a nature preserve would be compatible for that because you are not going to hunt it...it's right next to a road, so you are not going to hunt it. You are not going to have bike trails going up and down it or a ski slope. So, this is something that makes sense to think about Nature Preserve Dedication; whereas, potentially at Loud Thunder and Illiniwek you may want more heavy recreational use. And so, the Land and Waters would probably be more applicable. And, the same thing for the new track that you just acquired...it might be better for Land and Water reserves. So, I hope that we can continue this partnership. I am happy to come back up for more discussions. I am here now, if you have any questions for me? Thank you so much for letting me come here."

President Swanson stated, "I thank you. Let's see if anyone has any questions for Ms. Moorehouse? I have one quick one...I seem to recall that there's a very endangered species of Thistle that can only be found on the Hill Prairies. Do we have that out at Indian Bluff?"

Ms. Moorehouse stated, "Used to be. (Overlapping)"

President Swanson asked, "Oh, used to be?"

Ms. Moorehouse answered, "It's called Hills Thistle. It's be delisted."

President Swanson stated, "Oh good!"

Ms. Moorehouse added, "Strangely enough, Hills Thistle it is found at the Joshua Lindahl Hill Prairie owned by Augustana College. But strangely enough, it's doing

well in Illinois, especially in pastures...obviously cows don't like or eat thistle. So, it's doing well in Illinois...but, everywhere outside of Illinois, it's not."

President Swanson asked, "Really?"

Ms. Moorehouse continued, "So, it is on our watch list to keep an eye on. We have enough populations secure enough in Illinois to delist it."

President Swanson stated, "Great!"

Ms. Moorehouse added, "That's a success story, I guess."

President Swanson stated, "That's a success story. Friends, thank you...any other questions you might have for Ms. Moorehouse? Well, then I would ask you in please thanking Ms. Moorehouse. You came all the way up here for this presentation and we are glad you did. Thank you."

(Group Applause)

3. Commissioner McNeil moved to approve the September 20, 2022, Commission Minutes, as presented. Commissioners L. Moreno and Thompson seconded.

A roll call vote was taken.

D. Adams, D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, C. Enburg, E. Langdon, P. McNeil, D. Mielke, L. Moreno, M. Moreno-Baker, R. Morthland, A. Normoyle, E. Sowards, L. Thompson, B. Vyncke, J. Woods

**TOTAL YES                    19**

**TOTAL NO                    0**

Motion carried.

4. **PUBLIC COMMENTS (NONE)** Three calls were made for Public Comment.

5. **PRESIDENTS COMMENTS:**

President Swanson stated, "No President's Comments this month."

6. Commissioner Langdon moved to approve the Old and New Fiscal Year Forest Preserve Claims and Treasurer's Disbursements in the amount of \$202,005.74, as presented. Commissioner Cremeens seconded.

Commissioner Adams moved to approve the previous roll call vote. Commissioner Sowards seconded.

D. Adams, D. Beck, L. Boswell-Loftin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, C. Enburg, E. Langdon, P. McNeil, D. Mielke, L. Moreno, M. Moreno-Baker, R. Morthland, A. Normoyle, E. Sowards, L. Thompson, B. Vyncke, J. Woods

**TOTAL YES            19**

**TOTAL NO            0**

Motion carried.

7. Commissioner L. Moreno moved to waive the reading and approve the Resolution regarding FY 23 Illiniwek Recreation Trail Grant Appropriation, as presented. Commissioner Mielke seconded.

Note\*\* The Resolution is in a .pdf format and begins on the next page)

## RESOLUTION

### FY 23 Illiniwek Recreation Trail Grant Appropriations

**WHEREAS**, Illiniwek Forest Preserve was awarded \$200,000.00 from the Illinois Recreation Trail Grant program to construct a new restroom facility and make trail improvements, and

**WHEREAS**, the Illinois Recreation Trail Grant program is a reimbursable grant, and

**WHEREAS**, engineering and construction document work has been performed, and

**NOW, THEREFORE, BE IT RESOLVED** by the Forest Preserve Commission of Rock Island County, Rock Island, Illinois, as follows:

SECTION 1. An emergency exists as outlined above.

SECTION 2. Expenditures in the amount of \$1,892.50 shall be increased from grant revenue to be received in the Development of Forests & Capital Improvements #335 to the following:

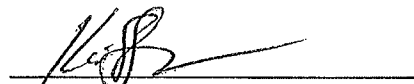

AMOUNT	APPROPRIATION	DESCRIPTION
\$1,892.50	335-32-35 765 RTP 23	Construction in Progress

SECTION 3. Revenues in the amount of \$1,892.50 shall be increased in the Development of Forests & Capital Improvements #335 to the following:

AMOUNT	APPROPRIATION	DESCRIPTION
\$1,892.50	335-32-35 334.70 RTP 23	State Grants

SECTION 4. This resolution to become effective immediately.

**ADOPTED** by the Rock Island County Forest Preserve Commission, Rock Island County, Illinois, this 18<sup>th</sup> day of October, 2022.

  
Kai Swanson, President  
Forest Preserve Commission

  
Karen Kinney, Secretary  
Forest Preserve Commission

Commissioner Enburg moved to approve the previous roll call vote. Commissioner M. Moreno-Baker seconded.

D. Adams, D. Beck, L. Boswell-Loffin, R. Brunk, L. Burns, D. Cremeens, J. Deppe, C. Enburg, E. Langdon, P. McNeil, D. Mielke, L. Moreno, M. Moreno-Baker, R. Morthland, A. Normoyle, E. Sowards, L. Thompson, B. Vyncke, J. Woods

**TOTAL YES            19**

**TOTAL NO            0**

Motion carried.

8. Commissioner Mielke moved to waive the reading and approve the Resolution regarding FY 23 Niabi Fund Prairie Dog Grant Appropriations, as presented. Commissioner Adams seconded.

Note\*\* The Resolution is in a .pdf format and begins on the next page)

## RESOLUTION

### FY 2023 Niabi Zoo Fund Prairie Dog Grant Appropriations

**WHEREAS**, Niabi Zoo was awarded \$433,000.00 from the Illinois Public Museum Grant program to construct a new Prairie Dog exhibit, and

**WHEREAS**, the Illinois Public Museum Grant program is a reimbursable grant, and

**WHEREAS**, architectural and construction document work has been performed, and

**NOW, THEREFORE, BE IT RESOLVED** by the Forest Preserve Commission of Rock Island County, Rock Island, Illinois, as follows:

SECTION 1. An emergency exists as outlined above.

SECTION 2. Expenditures in the amount of \$3,202.93 shall be increased from grant revenue to be received in the Niabi Zoo Fund #131 to the following:

AMOUNT	APPROPRIATION	DESCRIPTION
\$3,202.93	131-32-35 765 MCPD24	Construction in Progress

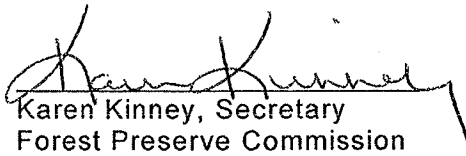

SECTION 3. Revenues in the amount of \$3,202.93 shall be increased from the Niabi Zoo Fund #131 to the following:

AMOUNT	APPROPRIATION	DESCRIPTION
\$3,202.93	131-32-35 334.70 MCPD24	State Grants

SECTION 4. This resolution to become effective immediately.

**ADOPTED** by the Rock Island County Forest Preserve Commission, Rock Island County, Illinois, this 18<sup>th</sup> day of October, 2022.

  
Kai Swanson, President  
Forest Preserve Commission

  
Karen Kinney, Secretary  
Forest Preserve Commission

Commissioner Thompson moved to approve the previous roll call vote.  
Commissioner Brunk seconded.

D. Adams, D. Beck, L. Boswell-Loffin, R. Brunk, L. Burns, D. Cremeens, J. Deppe,  
C. Enburg, E. Langdon, P. McNeil, D. Mielke, L. Moreno, M. Moreno-Baker,  
R. Morthland, A. Normoyle, E. Sowards, L. Thompson, B. Vyncke, J. Woods

**TOTAL YES                19**

**TOTAL NO                0**

Motion carried.

9. Commissioner Sowards moved to approve the 2022 Levy Ordinances for the General Fund, Niabi Zoological Preserve Fund, IMRF Retirement Fund, Liability Fund, FISSA Fund, Audit Fund and Development of Forests & Construction of Improvement Fund, as presented. Commissioner Woods seconded.

(Note\*\* the Ordinances are in .pdf format and begin on the next page.)

AN ORDINANCE PROVIDING FOR THE LEVY ASSESSMENT AND COLLECTION OF TAXES FOR THE FOREST PRESERVE DISTRICT OF ROCK ISLAND COUNTY, ILLINOIS, FOR THE FISCAL YEAR BEGINNING THE FIRST DAY OF JULY 2023 AND ENDING THE THIRTIETH DAY OF JUNE 2024.

BE IT ORDAINED by the Board of Commissioners of the Rock Island County Forest Preserve District of Rock Island County, Illinois, as follows:

SECTION ONE: That there be levied, assessed and collected upon the real property within the corporate limits of the Forest Preserve District of Rock Island County, Illinois, for and during the fiscal year beginning the first day of July 2023 and ending the thirtieth day of June 2024 the sum of **ONE MILLION THREE HUNDRED SIXTY-FIVE THOUSAND DOLLARS AND NO CENTS**, being the total of the appropriated sum heretofore made which is to be raised by taxation for the above stated fiscal year. The specific amounts as levied for the various purposes are being placed in the separate column designated "Amount To Be Raised By Taxation" which item appears in the right hand column of this Ordinance. The said tax so levied is for the above stated fiscal year of said Forest Preserve District of Rock Island County, Illinois, for the **FOREST PRESERVE GENERAL FUND** and for the said appropriated sum to be raised from taxation. Whereas, the total of which has been ascertained as aforesaid and being as follows:

Classification Objects & Purposes	Estimated Expenditures	Amount From Other Sources	Amount Raised From Taxation
Salaries & Wages	\$1,306,216	\$-0-	\$1,306,216
Personal Benefits	343,889	285,105	58,784
Uniforms	6,900	6,900	-0-
Operating Supplies	325,579	325,579	-0-
Professional Development	13,410	13,410	-0-
Professional Services	251,617	251,617	-0-
Public Utilities	97,435	97,435	-0-
Machinery & Equipment	285,270	285,270	-0-
Infrastructure	13,000	13,000	-0-
Interest on Bond Issue	140,428	140,428	-0-

## **RESOLUTION**

### **FY 2023 Niabi Zoo Fund Prairie Dog Grant Appropriations**

**WHEREAS**, Niabi Zoo was awarded \$436,100.00 from the Illinois Public Museum Grant program to construct a new Prairie Dog exhibit, and

**WHEREAS**, the Illinois Public Museum Grant program is a reimbursable grant, and

**WHEREAS**, architectural and construction document work has been performed, and

**NOW, THEREFORE, BE IT RESOLVED** by the Forest Preserve Commission of Rock Island County, Rock Island, Illinois, as follows:

SECTION 1. An emergency exists as outlined above.

SECTION 2. Expenditures in the amount of \$4,000.00 shall be increased from grant revenue to be received in the Niabi Zoo Fund #131 to the following:

<b>AMOUNT</b>	<b>APPROPRIATION</b>	<b>DESCRIPTION</b>
\$4,000.00	131-32-35 765 MCPD24	Construction in Progress

SECTION 3. Revenues in the amount of \$4,000.00 shall be increased from the Niabi Zoo Fund #131 to the following:

<b>AMOUNT</b>	<b>APPROPRIATION</b>	<b>DESCRIPTION</b>
\$4,000.00	131-32-35 334.70 MCPD24	State Grants

SECTION 4. This resolution to become effective immediately.

**ADOPTED** by the Rock Island County Forest Preserve Commission, Rock Island County, Illinois, this 22<sup>nd</sup> day of November, 2022.

---

Kai Swanson, President  
Forest Preserve Commission

---

Karen Kinney, Secretary  
Forest Preserve Commission

## RESOLUTION

## ABATEMENT CERTIFICATE

Pursuant to Ordinance No. 11-01-17, AN ORDINANCE AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION REFUNDING BONDS (ALTERNATE REVENUE SOURCE), SERIES 2017, OF THE ROCK ISLAND COUNTY FOREST PRESERVE DISTRICT, IN ROCK ISLAND COUNTY, ILLINOIS, PROVIDING THE DETAILS OF SUCH BONDS AND FOR ALTERNATE REVENUE SOURCES AND THE LEVY OF DIRECT ANNUAL TAXES SUFFICIENT TO PAY THE PRINCIPAL OF AND INTEREST ON SUCH BONDS, AND RELATED MATTERS, adopted by the Board of Commissioners of the Rock Island County Forest Preserve District, Rock Island County, Illinois (the “**Issuer**”) on November 21, 2017, with respect to which undefined terms herein shall have the meanings therein, as supplemented and amended, by Ordinance No. 11-01-17, adopted November 21, 2017, collectively, the “**Bond Ordinance**”), the undersigned, as President and Secretary of the Issuer hereby certify to the Rock Island County Clerk that it is appropriate to reduce by abatement the tax levy for 2022 (to be received in 2023) as provided in Section 13 of the Bond Ordinance (filed on November 30, 2017, with such County Clerk), as follows:

<b>New Levy Amount</b>		
<b>Tax Levy</b>	<b>To Continue After Abatement</b>	
<b><u>For the Year 2022,</u></b>	<b><u>A Tax Sufficient to Produce the Sum of,</u></b>	<b><u>(Amount Abated)</u></b>
\$345,427.50	-0-	\$345,427.50

No other tax levy year is to be affected by this Abatement Certificate. The County Clerk is hereby directed to abate taxes as set forth above and to ascertain the rate per cent required to produce the aggregate tax hereinabove provided to be levied in 2022, as shown above to be levied, and to extend the same for collection on the tax books in connection with other taxes levied in such year, in and by the Issuer for general corporate purposes of the Issuer, and in such year levied and collected in like manner as taxes for general corporate purposes for such year is levied and collected and, when collected, such taxes shall be used solely for the purpose of paying the principal of and interest on the Bonds herein described as the same become due and payable. The tax levy shall be abated as parenthetically shown above. Otherwise Ordinance No. 11-01-17 shall be given effect according to its terms.

The Issuer has complied with the Bond Ordinance requirements preliminary to the execution and filing of this Abatement Certificate.

# Rock Island County

November 7<sup>th</sup>, 2022

**TO THE MEMBERS OF THE COUNTY BOARD:**

Accompanying this letter is the Treasurers' monthly report of Financial Status as of October 31<sup>st</sup>, 2022 and Interest received on **Forest Preserve Funds** invested for the month of October, 2022 as the fourth month of the fiscal year, compared with the prior year follows:

Current year interest received in October, 2022	\$ 10,140.00
Prior year interest received in October, 2021	\$ 1,048.00
Current year accrual for October 31 <sup>st</sup> , 2022	\$ 24,839.00
Prior year accrual for October 31 <sup>st</sup> , 2021	\$ 3,022.00

Monthly interest rate just jumped to 3.40% after the Federal Reserve met on November 2<sup>nd</sup> and hiked the rate up again! The rate is up from 2.763% last month.

The 6<sup>th</sup> tax distribution was received on October 25<sup>th</sup>. The 4<sup>th</sup> and final tax installment is due Wednesday, November 9<sup>th</sup> to be followed by a 6<sup>th</sup> Tax Distribution on November 29<sup>th</sup>.

Please contact me if you have any questions.

Sincerely,

Louisa Ewert  
County Treasurer

**Indian Bluff Clubhouse Report – November 2022**

<b><u>OCTOBER Sales Numbers:</u></b>	<b><u>2022</u></b>	<b><u>2021</u></b>	<b><u>2020</u></b>	<b><u>2019</u></b>
Rounds played:	2016	1978	1702	1592
Golf Revenue's:	\$44,355	\$42,643	\$37,941	\$30,483
Concession's:	\$10,378	\$8,343	\$5,936	\$7,930
ProShop:	\$1,460	\$1,581	\$1,411	\$2,713
Improvement Fund:	\$2521.00	\$2,561.00	\$2,285.00	\$1912.50
Total Revenue for Oct:	\$56,193	\$52,568	\$45,289	\$46,736
Avg \$/Player	\$27.87	\$26.58	\$26.59	\$25.83
2022 Season Passes Sold	0	0	0	7
Season Pass Revenue	\$0	\$0	\$0	\$5,610.00
Rain Days	2	6	4	6

October once again the numbers will speak for themselves. Revenue and rounds both showed an increase over a very strong October in 2021. All the numbers showed an increase over 2020 and 2019 numbers. Overall the weather was pretty good, with warmer than average temps, and below average precipitation. Overall October did see 2 days complete rained out, which is less than last season. Overall, a very strong October. So far November is off to a strong start as well.

We had two golf outings in the month of October, the IBEW Local Union held their golf outing to start the month, they had a good turnout with 112 players. The annual Chili Open was held late in the month, we had an average showing with 88 players.

At this point all major events and leagues have ended at the golf course. The weather is forecast to turn significantly colder, and daily play will quickly begin to decline. We will be open the next few weeks as much as possible, and get as many players as we can. Mid November looks to have the weather change to more of a winter pattern.

Overall Indian Bluff has had a very good year. Revenues have increased more than rounds played, although both show increases for the year thus far. The increase in revenue shows that

all of the increases in play have been new and paying players coming out to the golf course, not just an increase in season pass players playing more golf. To date 2022 revenues have surpassed 2021 total revenues. Rounds are very close to the 2021 numbers, they will depend on the amount of good weather remaining as to whether rounds get past the 2021 numbers.

## Report to Forest Preserve Committee

Name of Park \_\_\_\_Indian Bluff  
For the Month of \_October

The month of October started out pretty well for the golf course but with the turning weather we had to abruptly shift gears!

### Grounds Maintenance performed-

- Bi-weekly applications of plant protectants and growth regulators
- Aerified all playing surfaces
- Deep sliced all fairways and approaches
- Cleared some dead timber from tee and fairway surrounds
- Daily cleanup of leaf litter from the course
- edged bunkers
- Cleaned out dead and dying plant material from our flower and memorial bed landscaping
- Topdressed greens weekly
- Continual mowing of all of our “in play” areas
- Cleaned and organized our storage facilities
- Pruned low hanging branches and problematic trees

**Building Maintenance projects performed-** New wash pad built in conjunction with Blackhawk college

**Equipment repairs and/or project performed-** Daily and routine service as required

**Course/General facility conditions-** The course remains in great shape despite the cold temps

**Incidents-** None

**Accidents reports-** None

**Weather conditions-**

**Activities/Events/Outings held at park-**

**Upcoming-** In the coming weeks we will be winterizing the golf course and begin switching over to off season projects.

**This report was prepared by:** Jay Verstraete **Date:** 11/8/22

## Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of October 2022

**Grounds Maintenance**—Staff continued to mow until the 15<sup>th</sup> of October. Staff planted 30 trees and shrubs in the campground and in the field on the south side of route 84. Staff was able to spray about 2 acres of bittersweet vine in an area with a very heavy infestation that was mowed during the summer with the fecon forestry mulcher at Illiniwek. 16"x16" concrete pavers were installed around the 4 water spigots in the field around the pavilion and behind the river primitive sites to prevent muddy conditions spigots. Then staff installed 6" diameter PVC over the water line and 4"x4" post holding the water line upright. The PVC will protect the poly water lines from the sun and prevent people from turning the water off by covering the water shutoffs up at each water spigot.

**Building Maintenance Projects Performed**— The fan belt was replaced on the north shower building exhaust fan. Staff replaced two wall packs one at the south shower building and one at the public restroom. The outdoor flood light was also replaced at the maintenance building.

**Equipment repairs and/or projects performed**— A new battery was installed in the 870 zero turn.

**Trails/Course/General facility conditions**— The trails at Illiniwek and Dorrance have been opened most of October due to dry conditions. Staff blew debris off the GRT south of Cordova and under the interstate 80 bridge. Leaves were building up on the path and the state mowed again which left a lot of debris on the path in some areas.

**Vandalism report-** No vandalism

**Incidents**— No incidents

**Accidents reports**— No accidents

**Weather conditions**— Average.

**Activities/Events/Outings held at park**— The weather for the Fall Fest/Halloween at Illiniwek was perfect. The RV section of the campground was 100% occupied with some RVers setting up on primitive sites. All the activities planned for that day were filled with families enjoying themselves. Fleet Feet sponsored a foot race on October 22<sup>nd</sup> that consisted of 40 runners competing for the best times in 3k and 5k.

**Items to be bid by Purchasing**— No items to be bid.

**Upcoming Activities**—Planting prairie at Amowa east and west.

**Misc.-** Staff spent the week prior to the Fall fest converting the 18' trailer into a "hay wagon" for the hay rack rides by building hand railing and decorating the trailer. Staff also built frames that individuals could construct scare crows on as part of the scare crow build at the fall fest. Staff also purchased clothes from Goodwill to supply items for the scare crow build. Two large signs were built. One was a frame work for family photos and the other a pumpkin sign where you stick your head in a hole for a photo opp.

Staff built 2 gates that will be installed on the sledding hill road. Two bollards were also installed using concrete that the gates will be attached to. In the past we were using a simple barricade to keep people from driving on the road below the sledding hill. But people would drive around the barricade to use their 4-wheel drive to try and climb the sledding hill. The new gates should prevent this from happening.

Staff received word the seed grant that had been applied for through the pollinator plus program was awarded to Amowa forest preserve. The seed consists of supplemental high diversity seed mix.

The campground at Illiniwek stayed open until November 1<sup>st</sup>.

This report was prepared by: Mike Petersen Date 11-4-2022

**Report to Forest Preserve Committee**

**Name of Park** \_\_Loud Thunder \_\_

**For the Month of** \_\_October 2022\_\_

**Grounds Maintenance performed--**

- Picked up trash on grounds, removed trash from trash receptacles
- Cleaned pit toilets as needed
- Mowed all grounds as needed
- Tilled horse corral for horse show
- Removed several trees off the trails at the preserve
- Mowed all trails on the park.
- Continued to level the parking pads in White Oak Campground
- Finished installation of three large culvert pipes for creek crossings on the south Sac Fox trail
- Mowed all firebreaks at Martin Conservation Area
- Mowed half of new prairie planting on south west side of Loud Thunder Rd as recommended by fish and wildlife service

**Building Maintenance projects performed--**

- Cleaned both shower buildings and shelters several times a week
- Turned off all water and winterized all buildings
- Cleaned/organized work spaces
- Replaced light bulbs in Horse Corral Shelter

**Equipment repairs and/or project performed--**

- Performed pre and post operation checks daily on equipment to be used.
- Finished rebuilding the suspension on trailer
- Replaced several leaking hoses on Case SuperK 580 Backhoe
- Began annual maintenance on JD 997 zero turn

**Trails/Course/General facility conditions--**The park as a whole is looking great. I was able to keep the trails open for the majority of the month.

**Vandalism report**—I have no vandalism to report for the month of October 2022.

**Incidents--**I have no incidents to report for the month of October 2022.

**Accidents reports--**I have no accidents to report for the month of October 2022.

**Weather conditions**—Weather conditions have been nice with cooler evenings and daytime highs in the mid 70's.

**Activities/Events/Outings held at park**— We hosted the fall Illinois City Saddle Club Horse Show early this month.

**Volunteer Hours**--I have no volunteer hours to report for the month of October.

October was a very busy month here at Loud Thunder. The fall colors hit their peak around mid-month and brought out dozens of people to look, take pictures, and picnic while enjoying the beautiful canopy. Campers continued to patronize the preserve until the very last day of camping due to the extremely nice weather we had during the month. Trail usage was up significantly for the month of October as I was able to keep trails open and staff were able to make some big improvements on several creek crossings out on the South Sac Fox loop.

David Wyffles with the ILDNR Fisheries came out to do a survey on the crappie population in Lake George in the last week of October. He and other Fisheries staff netted and analyzed crappies for two days. At the conclusion of this site visit, he mentioned that there will possibly be future harvest regulation information to put out to the public to improve the population in Lake George. At this point in time he had no concerns with Lake George.

Of the two-bee hives that I have here at the preserve one of them is thriving. The second hive seems to have abandoned their home or absconded. This spring staff will prep the abandoned hive and also rehab a hive that was donated to the preserve so Loud Thunder will be going into the 2023 season with 3 healthy bee hives. The honey that staff have harvested seems to be a very big seller in the office and the pollination benefits that we are seeing in our prairies has been very encouraging over the past two years since we started being a site for bees.

I applied for a grant from the Rock Island Soil and Water Conservation District to receive 25 rpm oak trees. If awarded the trees I will be planting them in our new equestrian campground area. I will also be placing signage to help educate the public on the value of these native trees and to assist them with identification. I will inform this committee on the outcome of this application moving forward.

As I mentioned earlier in this report, the Illinois City Saddle Club held their annual fall horse show early in the month. Staff tilled the corral twice to ensure that the arena was in the best condition that we could possibly get it for this event. We mowed the area closer to the day of the show to give this area a fresher look than it typically would during that time of the week, and staff spent extra time cleaning the rest rooms. Hopefully, all these little things helped the club to hold an awesome event. Unfortunately, I was out of town with my son for youth season shotgun season so I was not able to get out and get feedback from the club that day.

I will be reaching out to the Highway Department to help me address a few things noted on our last inspection of the Lake George Spillway. The majority of what I will need help with is filling in some erosion and burrow holes on the downward side of the dam. I would like to have these addressed prior to going into the winter season as IMEG will be conducting another inspection this spring, and I would like to have this checked off the discrepancy list prior to that inspection.

Blackhawk highway career construction training program (BHCCTP) members did some work here for the month of October. The students came out and poured two dumpster pads for the preserve which really help to make the dumpster areas much more aesthetically pleasing. I really can't say enough good things about the partnership that I have been able to build with Paul Fessler and this program. Loud Thunder has benefited substantially from the projects that the HCCTP students have completed for the preserve. Thank you for allowing me to work with this group and your continued support for this program as it is saving the district significant amounts of money and greatly enhancing the infrastructure of Loud Thunder Forest Preserve.

Joshua Sun, the organizer of the LT50 race has sent me a request for permission, attached, from this committee to hold his race again next April in 2023. It is my recommendation that this committee approve this request as Josh has proven that he runs a great event and he has donated monies back to the preserve after both of his previous races. He and his group have donated over \$2,500 to Loud Thunder in just two years and they leave Loud Thunder looking clean and undisturbed when their event is over.

**Ben Mills Superintendent**

**11/01/2022**

Date: 10/19/2022

Joshua Sun  
Sun Trail Running  
27 Crestwood Terrace  
Davenport, IA 52803

Dear Rock Island Forest Preserve Commission,

My name is Joshua Sun and I am submitting a proposal to host a trail running event at Loud Thunder Forest Preserve scheduled for Saturday April 15<sup>th</sup> pending the commission's approval.

This will be our 3<sup>rd</sup> annual event and we have had great success both previous years with runners enjoying a beautiful and challenging day of trail running all while raising \$3,500 in just those two years for the park.

We are seeking approval to once again host a small, low key trail race offering 50mi, 50k and half marathon distances on Saturday April 15th 2023. We plan to limit the number of total participants to 180. All proceeds from the event will be again directed back to the park in whatever capacity is seen by the commission as being most appropriate. The course utilizes many of the hiking and bridle trails throughout both sides of the park. First and foremost, our top priority is to work with LT Superintendent Ben Mills and this Commission to ensure full transparency and to make sure that all proper steps are being taken to put on the highest quality event that assigns the highest priority to runners' safety and the best interests of the preserve. Liability insurance for \$1,000,000 will once again be secured through Everest National Insurance Company in the months prior to the event and will name the Loud Thunder Forest Preserve as an additionally insured party.

We hope you consider our proposal for the Loud Thunder 50 trail race in April of 2023.

Thank you!  
Joshua

## **2023 Tree Planting Initiative – Request for proposals**

### **2023 Goal: Plant 850 container trees throughout Illinois communities!**

**Rock Island Soil & Water Conservation District is looking for an upland site to plant 25 4' RPM oak trees – approximately  $\frac{3}{4}$  acre. The site must be on public property such as public parks, nature trails, conservation areas, schools or other public property.**

This is a community partnership project funded by the Illinois Forestry Development Council, University of Illinois Extension 4-H Foundation and Association of Illinois Soil & Water Conservation Districts.

Additionally, the purpose of this year's project is to educate students, teachers, and their communities on the value of native oak savannas and trees to Illinois natural history, oaks as a keystone species in Illinois forests, tree planting techniques, and oak tree identification.

Rock Island Soil & Water will coordinate pick-up and delivery of the trees to the site. Extension 4-H kids will be planting the trees on a specified date TBD in early April with assistance from Extension and Rock Island Soil & Water staff. Rock Island Soil & Water will also provide tree tubes and stakes for all 25 trees and signage for the site. Trees provided include: 10 White Oak; 5 Red Oak; 5 Black Oak and 5 Bur Oak.

### **TO APPLY FOR THIS PROGRAM, PLEASE PROVIDE THE FOLLOWING BY NOVEMBER 1<sup>ST</sup> :**

1. Proposed map and layout of site
2. Soil type of site
3. Explain how this site will be used to educate the community on trees (max 200 words)

Return to: Dawn Temple @ [dtemple@rockislandswcd.org](mailto:dtemple@rockislandswcd.org)

*\*\*Final site selection will be made by Rock Island County Soil & Water Board of Directors*

### Niabi Zoo Monthly Attendance Report for October 2022

Attendance	Oct-22	Oct-21	Variances	YTD 2022	YTD 2021	Variances

2021 Opening Day: Friday, April 10

2022 Opening Day: Monday, April 18

## **Niabi Zoo report for October**

**Lee Jackson**

11/3/2022

- Bids were received for Prairie dog exhibit.
- Received finalized Red Panda exhibit conceptual plans and cost estimate from CLR Design.
- Consulted with engineers to explore options for replacing stairs in giraffe building. The stairs are heavily damaged by rust and will need to be replaced.
- Staff met with engineers to continue planning of painted dog exhibit and to complete identification of infrastructure needs.
- A press release were distributed to announce the arrival of 2 new bald eagle, Boo at the Zoo, and a special encore wildlife art sale.
- A second "train ambush event was held on 10/22/2022. A total of 1,000 dollars was made for the foundation.
- Initial planning discussions started on several potential projects in the zoo, including future temporary exhibits, a refresh/reimaging of the biodiversity building, and renovations to the gibbon/binturong exhibit.
- We are winterizing exhibits throughout the zoo and moving cold sensitive animals indoors for the season.
- Hydraulic gate project in rhino yard started. Will be completed on 10/3/2022
- Cinderblock wall in giraffe exhibit repaired.
- Grant was awarded from Keith and Rosemary Woodward Charitable Fund for \$16,000.00 for Security Camera System on behalf of Niabi Zoo

### **Animal Updates**

Acquisitioned 1.0 Turkey Vulture (will go to BioD once Quarantine is cleared)

### **Staffing**

2 Seasonal Keepers are coming to the end of their hours

1 Seasonal Animal Attendant transferring to Animal keeping in November

5 New volunteers starting in Animal Care in Nov

### **FRONT GIFT SHOP:**

- 2022 OCT /\$16,663

### **CONCESSIONS:**

- 2022 OCT/\$7,354

### **NZ MEMBERSHIP/ FUNBUNDLE MEMBERSHIP/ZOOSEUM SEASONAL PASS:**

- 2022 OCT NZ MEMBERSHIPS / \$1680
- 2022 SEPT FUNBUNDLE DEPOSIT/\$1,045

- Sales have been slower since it is the end of our season, but they will ramp up starting in Nov-Dec.

#### **CAROUSEL:**

- 2022 OCT/\$10,447

#### **GIFT CARDS/EGIFT CARDS:**

- 2022 OCT /\$95

#### **ADOPTS:**

- 2022 OCT /\$0.00
- Promoting weekly on Facebook
- We will ramp these up during holiday season

#### **SCOOTERBUG:**

- 2022 SEPT/\$377
- 2022 OCT/\$354
- We will be getting 4 new ECV's in 2023, and Scooterpals in 2023

#### **PEPSI:**

- Coming to pick up the vending machines and winterize both fountain pop machines.

#### **PENNY PRESS MACHINES:**

- 2022 Oct /\$179

#### **EVENTS**

- Boo @ the Zoo went great. We had 38 vendors this year and the weather was fabulous.  
Saturday – 4,174 (online-1,946, onsite-2,228) Sunday – 3,312 (online-1,215, onsite-2,097)

#### **WEBSITE**

- No major changes made in October

#### Education

- Tours
  - 10/1: Joel, Conservation & Careers for 20 participants
  - 10/13: Maddie, Homey Habitats for 23 participants
  - 10/16: Kira, Big Cats tour for 25 participants
  - 10/23: Nick, Big Cats Tour for 25 participants
  - 10/27: Joel, Zoo Careers for 23 participants
- Interpretatio
- Zoo Camp – Kira finished updating camp plans for 10-13yr, 8-9yr and 6-7yr and are ready for 2024. 4-5yr nearly complete. Adjusting all camp plans for no more Spineless Wonders
- Behavior Observation – Nick continued to transfer collected data into Animal Observation Ethograms for each animal.
- Decorated for Boo at the Zoo 10/16-20

#### **Graphics/Website**

- 10/3-10/6 - Installed Train Car graphics on before Indigenous Peoples Day (10/10)
- Continued development of Painted Dog graphics
- Continued development of Gibbon graphics

#### Development

- 10/7 – Attended QCCF Development Link meeting with 20 other development professionals from QC
- 10/21 – Along with 4 NZFP Foundation board members, Joel met with the board of the Hubbell-Waterman Foundation to discuss grant application for generators and rhino transport.
- 10/29 – NZFP Foundation hosted booth at Boo at the Zoo and sold Pints t-shirts raising \$358.19 for Painted Dog campaign and sold bracelets and finger puppets to raise \$32.46 for General Fund

#### Donations

<b>Institutional Development - 2022</b>						
<b>Designation</b>	<b>ZDonor#</b>	<b>Zoo</b>	<b>FDonor#</b>	<b>Foundation</b>	<b>Donors</b>	<b>Amount</b>
General Donation	1	\$30.00	2	\$40.00	3	\$70.00
Admission Gifts	6	\$78.00			6	\$78.00
Donation Boxes	2	\$1,078.51			2	\$1,078.51
Painted Dog			1	\$50.00	1	\$50.00
Events			23	\$657.67	23	\$657.67
Pints for Preservation			22	\$358.19	22	\$358.19
Conservation			21	\$443.90	21	\$443.90
Scavenger Hunt/Cards	6	\$30.00			6	\$30.00
<b>Total</b>	<b>15</b>	<b>\$1,216.51</b>	<b>69</b>	<b>\$1,549.76</b>	<b>84</b>	<b>\$2,766.27</b>
Niabi Zoo Foundation Reimbursement						\$0.00
Painted Dog Campaign Total as of 10/31/22 (including pledged grants & sponsorship, not including Pints ticket sales)						<b>\$477,214.10</b>

#### Conservation

- BiCAN – 10/5 – Breakfast at Izaak Walton League in Davenport for all member networking event on Conservation Fundraising. Joel led panel discussion with Moline Foundation, Regional Development Authority, Quad Cities Community Foundation, John Deere Foundation, Mark W. Schwiebert Fund for Environmental Studies, USFWS
  - Put forth idea of creating a QC Environmental Trust similar to the QC Cultural Trust
- USFWS – 10/5 – Met with Scott James to review seasonal observations of RPBB and evaluate restoration sites. Prairie furthest back on property has invasive *sericea lespedeza* and recommends spraying before it takes over more area.
- QCEC – 10/20 – Met at Niabi. Presented Niabi Zoo conservation projects & featured whale shark tagging trip. Took members on tour of the Zoo.
- Painted Dog Research Trust – Dr. Greg Rasmussen was officially accepted as a nominee for the Indianapolis Prize, for which Joel wrote the nomination with Jane Goodall.
- Snow Leopard Trust – Niabi hosted Strides for Snow Leopards on Snow Leopard Day (10/23). 20 participants in Strides and raffle for snow leopard painting plus donations raised \$443.90 for Snow Leopard Trust.

#### Volunteers

- 10/13 - University of Iowa Intern Fair
- Interviewed and selected 4 new volunteers
- 6 volunteers helped decorate for Boo at the Zoo
- 10/29-30 – Boo at the Zoo = 46 volunteers gave 141.5 hours of service

Volunteer service report:

Type	Oct 2022 Hours	Volunteer #
Adult	333.98	14
Intern	44.53	1
Junior Zoo Keeper	34.08	7
Special Event	89.25	16
<b>Grand total</b>	<b>501.85</b>	<b>38</b>
Paid FTE/hour	\$17.63	
Total	\$8,847.02	

#### Administrative

- Met with Tina Dawson Scott from Environmental Education Association of Illinois to host annual conference workshops on Thursday, April 13, 2023.
- Media: Paula Sands Live to 10/24 to promote Boo at the Zoo.

**Subject:** Maintenance report

### 2022 October Maintenance Report:

- Claened carb. On push mower.
- Repaired coupler on small trailer.
- Put mesh under Giraffe deck to deter birds from nesting.
- Replaced starter on truck #145.
- Replaced flush valve gaskets on both toilets in mens Admin.
- Poured concrete pad for Red River hog waterer.
- Installed new thermostat in program.
- Repaired Nelson waterers in mixed primates.
- Repaired portable band saw.
- Winterized reptile house.
- Installed new sprockets and tracks on the Skid Steer.
- Repair outlet in Colobus.
- Install new brake line assembly on gator # 10.
- Change battery and adjust brakes on golf cart #20.
- Replaced battery in Chrysler van.
- Set up and tear down for Boo at the Zoo.
- Pulled the train engine and coach off the tracks and over to the shop for maintenance.

# Forest Preserve District

Rock Island County

*Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.*

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of October 2022.

## **Notes & updates from prior Forest Preserve Executive Committee Meetings**

The District's appropriation & tax levy ordinance and Truth-In-Taxation certificate have been filed with County Clerk's Office.

City of Rock Island acquired the property near Bally's Casino in Rock Island and is in the process of annexing the property into the City. Once the City completes the annexation, the District expects City officials to contact the District about transferring portions of the property to the District.

Another public hearing about the I-80 bridge and transportation corridor was held October 27<sup>th</sup>. Enclosed is the newsletter about that meeting for your review. The District is specifically interested in the I-88 interchange as Alt A & B will impact Amôwa Forest Preserve. I highly doubt Alt D will be considered due to costs and higher environmental impacts than the other alternates. Another impact of a new bridge construction is the bike path being closed or altered in some form. More information can be found at <https://www.i80mississippibridge.com/>

With the camping season at its end, staff will begin winter preparations such as turning water off throughout the parks and winterizing other plumbing. Certain areas of the parks will be closed to vehicular traffic come the middle of December or earlier weather permitting. The parks are equipped with the ability to plow snow but not spread salt. The past several winters and springs continue to be very hard on the roads throughout the District especially at the parks as they were not constructed for the current capacity of patrons on a 12-month basis.

The zoo closed for the season after the two-day Boo at the Zoo activity.

The golf course will continue to operate, but play has significantly slowed due to frost in the mornings and when daytime high's do not exceed 50 degrees.

## **Issues or Items noted on the agenda for the month of November**

### **District Finances**

Claims & Treasurer's Disbursements for the month are in your packets. Any discrepancies or flagged claims will be rectified by staff as necessary.

Loud Thunder Forest Preserve   Illiniwek Forest Preserve   Niabi Zoo  
Indian Bluff Golf Course & Forest Preserve   Dorrance Park   Martin Conservation Area

# Forest Preserve District

Rock Island County

No Transfers of Appropriation were required in any fund of the District as appropriations are currently in-line with the amounts adopted.

## Resolution

There are three resolutions to consider this month and all three pertaining to grants and appropriations for those grants. At this time the appropriations pertain to the design portions of the projects for the Prairie Dog Exhibit, African Painted Dog Exhibit and Illiniwek Grand Illinois Trail and Support Facility.

## Ordinances

There are two abatement ordinances pertaining to the existing bonds the District has acquired in prior years. These abatements are done annually at this time of the year as funds from the General Fund and Niabi Zoo Fund property tax received along with earned revenues are used to make the scheduled payments. A specific levy to ensure payment of the bonds was written into the adoption of the bond ordinances and these abatement ordinances stop that levy from going into effect for taxes levied in 2022 to be payable in 2023. Upon approval they will be filed with the County Clerk's Office.

## Other Business

Consider bids received for the Niabi Zoo Prairie Dog Exhibit. Two bids were received from local contractors, Estes Construction and The Henley Group. The Niabi Zoo Prairie Dog Exhibit is being funded through the Illinois Public Museum Grant program and the grant is a reimbursable grant in the amount of \$436,100. The apparent low bidder is The Henley Group from Muscatine, IA. An addendum for an exhibit structure was added after the grant was submitted. Total project cost is approaching \$582,500 or \$655,500 if accepting the addendum. Use of unappropriated funds within the Zoo Fund will most likely create short-term cash flow issues for the Zoo Fund in 2023 and likely into 2024.

## Reports

Budget Performance Report for FY 23. October was a solid month throughout the District in terms of revenue generation. When looking at the calendar year some numbers fell behind last year's record numbers. Staff can only associate the slight fall back to the slow start of the spring/summer season, fuel and inflationary costs limiting discretionary spending. Personal Property Replacement Taxes continue to be strong and trending nearly three times higher than appropriated. Property tax distributions continue with another significant distribution due in late November. Expenses continue to be on par with appropriations as well as salaries. No major repairs to equipment or infrastructure have been required in the General Fund at this time, however the Zoo has had a couple unforeseen expenses totally more than \$20,000. Recently some significant work was required at the giraffe barn and several months ago the fire alarm system in

Loud Thunder Forest Preserve   Illiniwek Forest Preserve   Niabi Zoo  
Indian Bluff Golf Course & Forest Preserve   Dorrance Park   Martin Conservation Area

# Forest Preserve District

Rock Island County

Bio-Diversity building was upgraded. Salaries, mainly seasonal salaries, were expected to be higher however staff throughout the District, mainly at the zoo have had difficulty attracting workers.

The Treasurer's Report enclosed for your review.

The Auditor's Reports enclosed for your review.

Staff Reports enclosed for your review.

## **Facility Usage throughout the District**

The first hard frost of the year occurred in the first half October and then a very windy weekend left a very short window for leaf peepers to see the change in the season peak. Many of the traditional activities the District hosts in October had great weather like Boo at the Zoo, Illiniwek Halloween festivities, Chili Open at the golf course, fall horse show at Loud Thunder and a couple of races held at the parks. The warm and dry weather provided ample quality trail days whether a hiker, equestrian or biker. More on these events can be found in staff reports.

## **Union**

No grievances were received by the District from the Union in the month of October.

## **Items of note for the Current Month**

Deb Toppert, wife of Larry Toppert who was an instrumental force in establishing the Amôwa Forest Preserve in East Moline, established the Larry Toppert Memorial fund for Amôwa Forest Preserve with the Quad City Community Foundation. The Fund will be managed by the Quad City Community Foundation and annual distributions from the fund can be used by the District to support its mission. Those wishing to support the memorial fund can do so by going to the Quad City Community Foundation at [https://qccf.fcsuite.com/erp/donate/create/fund?funit\\_id=6318](https://qccf.fcsuite.com/erp/donate/create/fund?funit_id=6318)

- Vacation scheduled November 9-18<sup>th</sup>, 2022
- Election Day is November 8<sup>th</sup>, Veteran's Day is November 11<sup>th</sup> and the Thanksgiving Holiday is November 24<sup>th</sup> & 25<sup>th</sup>.
- Attended the Upper Mississippi River conference October 19 and 20<sup>th</sup> at Moline's Stoney Creek.
- Hosted Quad City Community Foundation staff learned more about the Quad City Community Foundation and endowment building.
- External Auditors have been conducting their review of the District's FY 22 activities. No significant issues or concerns to bring forth, not that any were

Loud Thunder Forest Preserve   Illiniwek Forest Preserve   Niabi Zoo  
Indian Bluff Golf Course & Forest Preserve   Dorrance Park   Martin Conservation Area

# Forest Preserve District

Rock Island County

anticipated. A complete and clean opinion is expected to be presented to the Commission in December.

- The deadline for RFP's for Niabi Zoo Food Concessionaire was November 3rd. One proposal was submitted from Bubble's Boba Tea, Eldridge, IA. Staff are reviewing the proposal and will be meeting with representatives to work out details of an agreement.
- Social media posts will now be on as an as needed basis as Mindfire Communications retainer only covers April-September. Amy Behnning from Mindfire Communications, INC. will be presenting a 2022 social media recap at the November Forest Preserve Commission meeting. Met with the Mindfire team on putting forth a year-long strategy to increase awareness and build the two existing endowments on October 31<sup>st</sup>.
- Reached out to the Highway Department about getting a sidewalk along Agnes Road which borders Dorrance Park. The Village of Port Byron has done some sidewalk and street scaping work that would
- Loud Thunder Archery Program is now active until January with the close of the regulated deer season.
- Evaluations of exempt employees will begin this month.
- The IACD held its quarterly meeting in Macon County at the Rock Springs Nature Center in Decatur, IL on October 21<sup>st</sup>. The 2023 IACD conference presenters have all been lined up and registration is expected to go live sometime in November.
- Loud Thunder Forest Preserve Endowment third quarter statement is enclosed.
- Next meeting of the Forest Preserve Executive Committee is December 13<sup>th</sup> at 9:30 AM, in the Rock Island County Building.
- Continue to reviewing best practice policies and procedures as recommended by the Illinois Distinguished Agency Accreditation program.
- Comfortably warm & dry weather hopefully!

Submitted this 4<sup>th</sup> day of November, 2022 by Jeffrey Craver, Director.

## THIRD PUBLIC MEETING HELD FOR I-80 MISSISSIPPI RIVER BRIDGE STUDY

*Narrowed list of bridge and interchange alternatives presented; public input sought*

The Illinois Department of Transportation, in partnership with the Iowa Department of Transportation and under the jurisdiction of the Federal Highway Administration, hosted a third online Public Meeting on Thursday, October 27, 2022, to provide study information, present a narrowed list of improvement alternatives, and receive public feedback as part of the I-80 Mississippi River Bridge study.

This early-stage transportation study was launched to coordinate with stakeholders to identify existing and future transportation problems and needs in the area, with the project's purpose and need used to develop proposed improvements, or "alternatives."

The study area reaches from Rock Island County, Illinois to Scott County, Iowa, covering approximately six miles from the I-88/I-80 interchange in Illinois to 35<sup>th</sup> Street SW in LeClaire, Iowa, and including the bridge connecting the states over the Mississippi River.

The I-80 Mississippi River Bridge was built in 1967 and is one of three major interstate bridges in the Quad Cities. The bridge has required significant repairs and rehabilitation in recent years and traffic is increasing with associated increases in vehicular crashes. The aging bridge continues to face costly maintenance expenses, and the roadway design does not meet current standards.

In April 2020, the state departments of transportation held an online public meeting to introduce the planning study and seek public feedback. More than 500 residents, organizations and other stakeholders participated, submitting more than 125 questions and comments that were considered in creating the project's purpose & need statement, and developing improvement alternatives.

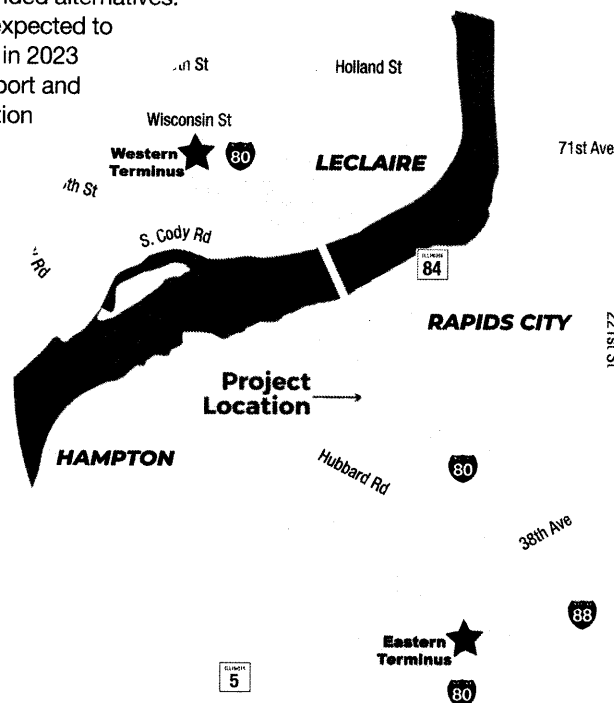

A second online public meeting was held on May 11, 2022 to present seven Mississippi River Bridge and four I-88 Interchange improvement alternatives, and receive public feedback. More than 400 participants attended the meeting, with more than 370 questions and comments submitted during the meeting comment period.

Based on public feedback and additional study, the list of bridge and interchange alternatives was narrowed and presented at the third online public meeting on October 27, 2022. Specifically, four River Bridge alternatives and three Interchange alternatives were recommended to move forward in the process.

Public input is critical to the study. The public is encouraged to visit [i80mississippibrIDGE.com](http://i80mississippibrIDGE.com) to view a recording of the public meeting, review meeting materials and other study information, and submit questions and comments. Comments are always welcome, and those received by November 10, 2022 will be part of the public meeting record.

Public feedback and additional study will be considered to further evaluate the recommended alternatives.

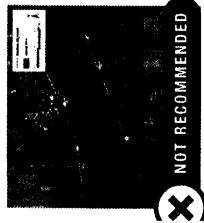

The study is expected to conclude late in 2023 with a final report and recommendation of a preferred alternative.

## MISSISSIPPI RIVER BRIDGE ALTERNATIVES:

Improvements along I-80 between the curve west of the US 67 interchange in Iowa and the Mississippi Rapids Rest Area ramps south of the IL 84 interchange in Illinois:

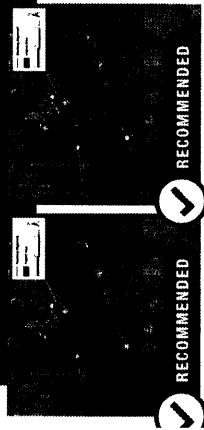

NOT RECOMMENDED

Replace the existing bridge on the existing alignment; estimated 4 years of traffic detours as existing bridge is demolished and replacement built

**NOT RECOMMENDED** as Alternative to be Carried Forward

- Substantial impacts associated with required 38-mile detour during four-year closure of bridge during construction

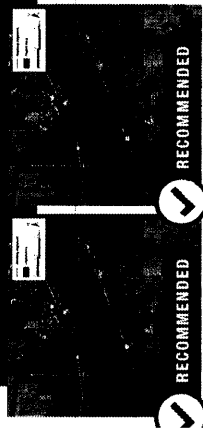

RECOMMENDED

### ALTERNATIVES 2 & 3: BRIDGE REPLACEMENT EAST & WEST

Bridge replacement 50 feet east (Alternative #2) or 50 feet west (Alternative #3) of existing alignment

**RECOMMENDED** as Alternative to be Carried Forward

- Similar environmental impacts as other recommended alternatives
- More favorable constructability
- Least impacts to traffic during construction

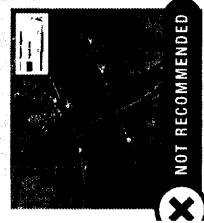

RECOMMENDED

### ALTERNATIVES 4 & 5: COMPANION BRIDGES EAST & WEST

Companion bridge constructed 20 feet east (Alternative #4) or west (Alternative #5), resulting in two side-by-side bridges

**RECOMMENDED** as Alternative to be Carried Forward

- Similar environmental impacts as other recommended alternatives
- Less favorable constructability
- Moderate impacts to traffic during construction
- Constructability and traffic impacts during construction do not warrant dismissal from further evaluation at this stage of the study

NOT RECOMMENDED

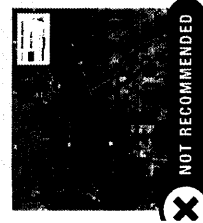

Bridge replacement approximately 600 feet east from existing alignment; access to Mississippi Rapids Rest Area modified

**NOT RECOMMENDED** as Alternative to be Carried Forward

Highest impacts with regard to:

- Relocations (15)
- Right-of-Way (95 acres)
- Potential Indiana bat and NLEB forested habitat (66 acres)
- Prime farmland (91 acres)

These impacts are considerably higher than Alternatives 2, 3, 4 & 5

NOT RECOMMENDED

Bridge replacement approximately 2,100 feet east from existing alignment; Mississippi Rapids Rest Area constructed

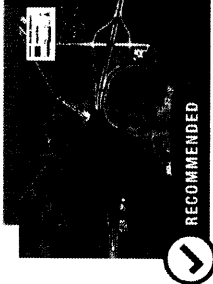

**NOT RECOMMENDED** as Alternative to be Carried Forward

Highest impacts with regard to:

- Relocations (53)
- Right-of-Way (157 acres)
- Potential Indiana bat and NLEB forested habitat (70 acres)
- Prime farmland (128 acres)

## I-88 INTERCHANGE ALTERNATIVES:

Improvements at the I-80/I-88 interchange and the I-88/Old IL 2 interchange

RECOMMENDED

Maintain and expand all four cloverleaf interchange loops at the I-80/I-88 interchange; minor ramp modifications at the Old IL 2 interchange

**RECOMMENDED** as Alternative to be Carried Forward

- Lower or similar environmental impacts as other recommended alternatives
- More favorable constructability
- Least impacts to traffic during construction

RECOMMENDED

Maintain and expand 3 of 4 cloverleaf ramps (NW, NE, SE); replace SW loop with an outer direct ramp; minor ramp modifications at the Old IL 2 interchange

**RECOMMENDED** as Alternative to be Carried Forward

- Lower or similar environmental impacts as other recommended alternatives
- More favorable constructability
- Least impacts to traffic during construction

NOT RECOMMENDED

Maintain and expand 3 of 4 cloverleaf ramps (NW, NE, SE); replace SW loop with an inner overhead direct ramp; complete modification of the Old IL 2 interchange

**NOT RECOMMENDED** as Alternative to be Carried Forward

- Results in the highest or second highest impacts in multiple areas
- Impacts include right-of-way (55 acres), floodplains (32 acres), potential Indiana bat and NLEB forested habitat (15 acres), and prime farmland (65 acres)

RECOMMENDED

Replace loop ramps with fully directional, four-level interchange; complete modification of the Old IL 2 interchange

**RECOMMENDED** as Alternative to be Carried Forward

- Higher, lower, and similar environmental impacts as other recommended alternatives; avoids Arrowhead Forest Preserve
- Less favorable constructability
- Moderate impacts to traffic during construction
- Constructability and traffic impacts during construction do not warrant dismissal from further evaluation at this stage of the study

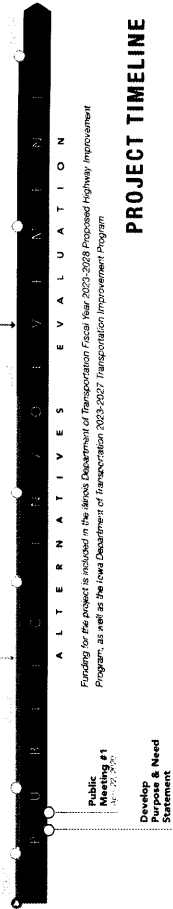

RECOMMENDED

Replace loop ramps with fully directional, four-level interchange; complete modification of the Old IL 2 interchange

**RECOMMENDED** as Alternative to be Carried Forward

- Higher, lower, and similar environmental impacts as other recommended alternatives; avoids Arrowhead Forest Preserve
- Less favorable constructability
- Moderate impacts to traffic during construction
- Constructability and traffic impacts during construction do not warrant dismissal from further evaluation at this stage of the study

## WHO

The Illinois Department of Transportation is conducting this study in conjunction with the Iowa Department of Transportation and under the jurisdiction of the Federal Highway Administration

## WHAT

This study is designed to coordinate with stakeholders in identifying existing and future transportation challenges and potential improvements

## WHEN

Study completion is expected late 2023. Following completion of the study it is anticipated that the next phase of engineering will begin, involving the development of detailed contract plans for the selected improvement alternative.

## WHERE

The study includes approximately six miles from the I-88/I-80 interchange in Illinois to 35<sup>th</sup> Street SW in LeClaire, Iowa

## WHY

The bridge does not meet current design standards, and recurring and costly maintenance is required

**Your input is critical to the success of this study.** Review the project information on this website. Let us know about your experiences, what you are seeing, and what you believe are the greatest strengths and challenges to transportation in the I-80 Mississippi River Bridge corridor.
