NEW BUSINESS:

4. Chairman Brunk stated, "We have the University of Illinois Extension update, Ms. Jenny Gardner is here this evening."

Ms. Gardner stated, "Hello. Slides this year...whoo hoo! Hey, thank you all for having me every year. I really do appreciate it...so I can kind of recap what's happened

last year and give you a peek of what's happening this year so far. Okay, so staffing changes. I just wanted to give you an update. This is primarily in the Youth Development Area. We've been running with two program coordinators and one educator for quite a few years. And so, what we've done...we had Theresa Kerr split her time as Mercer County Ag Education and Henry County 4-H Youth Development. And so, she is returning full-time to AG Education and we hired Kristin Vandewalle...her family farms in Galva, Illinois, and she is now the program coordinator for Henry and Stark, taking some of the pressure off. We still have McCala Crawford as the program coordinator for Rock Island County and Tracy Pestol is the program coordinator for Mercer County. And, I am back...next week the position will post...we are hiring Youth Development Educators specific to early programs working primarily in Rock Island County. So, we are really excited about that possibility. It will post June 28th and close on August 3rd...and hopefully, we will have somebody hired before the year is out. Okay, so a quick year in review. We were really overrun, especially, in early 2022, with enthusiasm for in-person programming. Some of our events, I did some math on it and there was a 2% increase over previous years. The first event we did would be the Winter Wellness Event...I am sorry, that slide is supposed to say Winter Wellness 2023...and then we did it again at Blackhawk Lodge in 2023. It was very popular...several hundred turned out both years for that. We had snow the first year and lovely weather this year. So, and then what you will see in our other image is our Farm Series...we get corporate support to put those on. And, what we did last year...nope, sorry two years ago was a mailing list for all four counties of producers and farmers. So, where as we might have you know, maybe five to a dozen maybe come, we are selling out of these things now like crazy. And, you can see here is the one put on at the Holiday Inn putting tables to the back of the room because it was standing room only by the time we got done. And, they are staying and engaging. Our unit likes to collaborate so this is disaster and preparedness (slide) put together a series of webinars helping the homeowner with how to prepare for disasters. We received a grant from one of our National professional associations to do this. We used the money to purchase disaster kits. We held one at each of the counties...one was at Project Now in Rock Island...very, very popular. We are hoping to continue to do that. These disaster kits are not just band-aids and stuff...there is some really cool stuff. Like if I don't have power, now, I have got a small battery generator to use...it was very well received. This session I thought was particularly lively. Our Community Economic Development Educator, Russell Medley, (Slide) here he is at Project Now doing the Disaster Preparedness. He also is involved with and helps facilitate Disaster Ready Quad Cities for Rock Island County. This has been a very effective program...he was this year involved in the flooding, the high winds, tornadoes and most recently, the building collapse. So, in the poverty relations, we just did one at Heritage Church. We do specific to organizations requesting them but we also do community-wide ones. So, last year...it was at St. Paul Lutheran Church in Davenport, and this year, we did it at Heritage Church in Rock Island. And, of course, we still have our webinar series. Make sure that you check those out from time to time. ECQC that is an acronym for somebody I know in the room knows,

emerging faith call themselves Emerging Cities of the Quad Cities and these are rural community economic development educators from the four-county area come together and brain-storm and talk about issues and learn things from each other. So, that has been reignited. Emily is our Horticulture Educator. She came to us about a year and a half ago. Her area of expertise is trees. She is this year's starting an urban tree program. She recently did one at Chippiannock Cemetery. Last year though, she and Rachel Curry are the watershed outreach educators who paired up and did a rain-saving program...and that garden was just planted at Riverside earlier this month and that is all for the homeowner to learn how to capture rainwater for landscape. She went through a series of workshops last year and planted the garden this year. She regularly appears on Paula Sands Live. Paula has found Emily to be reliable and provides good quality information. She is slated to become the Garden Expert on WQPT and she will be doing 5-minute segments of garden reporter. I can't say enough about our Master Gardeners, there is so much they do. I just wanted to point this out...last year and this year, they did this massive build at the Flower and Garden Show. The vendors did their own thing, but if you saw anything that was part of the general...if you went, those were our Master Gardener's. This year, they added the speakers, they did the information booth and they did the educational garden. It really rivals the Garden Show in Chicago. They Rock! They are just so amazing! In our Nutrition and Wellness Area, Kristin Bogdonas, I know you guys know her...she has the third most popular podcast on WVIK. And she is going to be tagged in 2023 to a National Podcast...so, she will have even greater outreach there. Here she is doing an aging series at Watch Hill Tower and she also did some fermentation last year for the German-American Heritage Center. Every day, there is something...multiple things happening. I am just touching on things that might be interesting and give you a sense of the diversity of the programming we offer. Taylor, she is our (inaudible) educator and the housing and strategic plan...that is a multi-year project to develop nutrition and culturally responsible foods that adopted by the CEO (Inaudible) and is going to be rolling out this year. I am sorry, I am trying to hurry through this. And then, of course, Youth Development. It's okay. We are all familiar with traditional 4-H Clubs. As you can see (Slide) last year, this shows that the Rock Island County Fair is gearing up for Mid-July, but there are many other things that we do which you have heard about. You know...it's kind of interesting, the packet program that we started during the pandemic...there are a few things that have hung on, and that's one of them. Um, we partnered with our public libraries in the last year and distributed to 11,642 youth; which was amazing. Again, that's a partnership with our public libraries. Jennifer Peterson, our educator, she continues with the Civic and Engagement Club at Edison Junior High and what they identified last year as an area of concern was the lack of water as a beverage option during the lunch period. So, they started working with school officials about that. So, the Civic and Engagement did do a needs assessment, identified the project and try to make a change. Planting trees was a partnership with the Soil and Water Conservation District and here is our Rock Island County plan to plant 25 trees at Illiniwek Forest Preserve. The last thing I want to share a tad about this...I loved this program. It is now done...it is actually now State-wide and I want to thank Kristin for

creating this program...it is such great quality, it is now being used State-wide. You may remember three years ago we talked about parents and or grandparents whoever their caregiver might be...would watch a live webinar with their child. It didn't have to be a 4-H, it could be any one. And, then they did whatever it might be. The first one was making bread and then the kids had to do an outcome survey. So, three years ago...they said, oh, I should have sprayed the pan and smooth the bread out a bit better...um, another one said they would stay more hydrated when they did that program. Well, these are two good examples of this last year...October Pumped for Pumpkins kit, the quiz was interesting...they had to look for a longer stem on the pumpkin for a longer shelf life. And the other would store their pumpkins away from apples and pears to preserve a longer shelf life. And then, they did a do-it-yourself freezer jam ice-cream. And when asked about summer safety tips, I am going to use sunscreen when outside...if you get a bite, don't scratch it...and stay away from weeds if you don't know what they are. So, the maturity of these youth that have been through this program over the last three years, it just continues to increase. I love this program! You could just see the joy on their faces when they are making something that they just learned how to do. That's it for me. Do you have any questions?"

Chairman Brunk asked, "Are there any questions for Ms. Gardner?"

Ms. Gardner stated, "Thank you, always for your support. We could not do this work without you."

Chairman Brunk stated, "Thank you, Jenny."

Chairman Brunk stated, "Yes?"

Mr. L. Moreno stated, "Due to the reports, I failed...it was not in my report to mention that it was brought up....a concern with regards to the safety of the parking lot. The fact that we had some items stolen...a catalytic converter. Is that right, Ms. Kinney?"

Ms. Kinney answered, "Yes. It cost us \$4,000 to replace."

Mr. L. Moreno added, "She wanted to mention that today...and to have it on the record that you heard it from her."

Chairman Brunk stated, "Over the last few years we have had a few catalytic converters stolen from county vehicles in the COB parking lot. Mr. Grafton and I have been working through and trying to find out a long-term solution to a possible way of securing county vehicles to prevent any vandalism or theft. And so, we are working through that administratively. Ms. Kinney did inquire as to whether or not there was any plans or anything. So, Mr. Grafton and I continue to work on that or work with various stakeholders, including the Public Works and Facilities Committee on that issue."

Ms. Kinney stated, "Can I say something? We are looking for some kind of enclosure for the county vehicles."

PROCLAMATION**

WORLD REFUGEE DAY 2023

WHEREAS, World Refugee Day is an annual commemoration adopted by the United Nations in 2000 to honor and raise awareness of refugees; and

WHEREAS, Rock Island County is a welcoming community that celebrates the growing diversity of its residents and acknowledges that refugees, immigrants, and all newcomers enhance the culture and the economy of our county; and

WHEREAS, more than 100 million displaced people have been forced from their homes worldwide, more than any time in recorded history, including 31 million refugees and 4.4 million people seeking asylum; and

WHEREAS, refugees are people who have fled their country because they have a well-founded fear of persecution because of their race, religion, nationality, political opinion, or membership in a particular social group; and

WHEREAS, under domestic and international law, seeking asylum is a protected right; and

WHEREAS, resettlement provides safe haven when refugees cannot return home and rebuild their lives in the country they fled due to lack of access to safety, shelter, health care, education or protection; and

WHEREAS, Rock Island County is home to a diverse population of refugees and immigrants, adding to the economic strength and cultural richness of our community; and

NOW, THEREFORE, I, Richard H. "Quijas" Brunk, Chairman of the Rock Island County Board, do hereby proclaim June 20, 2023, as World Refugee Day in Rock Island County, Illinois, and encourage all county residents to aspire to live up to our highest social values of acceptance and equity, treating newcomers with decency and respect, creating a vibrant community for all.

PUBLIC WORKS AND FACILITIES COMMITTEE -- BOARD MEMBER MR. L. BURNS – CHAIRPERSON

17. Board Member Burns moved to approve the Ordinance regarding the authority of the Department of Zoning and Building Safety to clean up accumulated garbage and/or debris on private property, as presented. Board Members Foster and Morthland seconded.

(Note** The Ordinance is in .pdf format and begins on the next page)

Rock Island County Board

Ordinance

Re: Authority for Department of Zoning and Building Safety to Clean Up Accumulated Garbage and/or Debris

WHEREAS, 55 ILCS 5/5-1118 authorizes the County Board to “provide for the removal of garbage and debris from unincorporated areas of the county if the owner of the property refuses or neglects to remove the garbage and debris”; and

WHEREAS, the same statute authorizes the County Board to “collect the reasonable costs of removal from the owner”; and

WHEREAS, the same statute sets out certain minimum procedures to invoke such authority; and

WHEREAS, the accumulation of garbage or other debris outside of areas designated for the disposal of such materials constitutes a hazard to the health and safety of the community; and

WHEREAS, 55 ILCS 5/5-1052 authorizes the County Board to “do all acts and make all regulations which may be necessary or expedient for the promotion of health or the suppression of disease”; and

WHEREAS, 55 ILCS 5/5-1113 authorizes the County Board to “pass all ordinances and make all rules and regulations proper or necessary, to carry into effect the powers granted to counties”; and

WHEREAS, the County Board finds good cause to provide for the removal of garbage and other debris in certain cases, as set forth herein, and finds good cause to establish a more formal procedure for doing so in the interests of due process of law.

NOW, THEREFORE, BE IT *ORDAINED*, by the County Board of Rock Island County, Illinois that the County’s Code of Ordinances is amended as follows:

1. A new chapter shall be added to Title 3 of the County’s Code of Ordinances, with respect to Zoning Regulations. This Chapter shall be designated Chapter 9 and titled “Removal of Accumulated Garbage and/or Debris.” Chapter 9 of Title 3 shall read as follows:

Chapter 9

Removal of Accumulated Garbage and/or Debris

SECTION

3-9-1 Authority

- 3-9-2 Definitions
- 3-9-3 Removal of Accumulated Garbage and/or Debris
- 3-9-4 Limitation on Authority
- 3-9-5 Notice
- 3-9-6 Funding
- 3-9-7 Recovery of Costs
- 3-9-8 Appeal of Determination

3-9-1 AUTHORITY

This Chapter of the County Code of Ordinances is adopted under the authority and in furtherance of 55 ILCS 5/5-1118 (2023), 55 ILCS 5/5-1052 (2023), and 55 ILCS 5/5-1113 (2023). The County Board intends that all provisions of this Chapter be interpreted to carry out its intent of promoting the health, safety, and welfare of the people of the County by allowing the proper County officials to remove accumulated Garbage and/or Debris from properties within the jurisdiction of the County when the owner refuses to do so.

3-9-2 DEFINITIONS

As utilized in this Chapter, the following terms shall have the meanings ascribed to them herein:

“Accumulation of Garbage and/or Debris” and “Accumulation” shall mean any significant buildup of Garbage and/or Debris which is not placed within a receptacle or other container intended to be used for the deposit of Garbage and/or Debris by the owner or tenant in lawful possession of the real property where the buildup occurs. The authority to determine whether a buildup of Garbage and/or Debris is significant shall be vested solely and exclusively in the County Authority.

“County” shall mean Rock Island County, Illinois.

“County Authority” shall mean the Rock Island County, Illinois, Director of Zoning and Building Safety, and any duly appointed subordinate of that person who is authorized by that person to perform tasks under the authority of this Chapter.

“County Board” shall mean the County Board of Rock Island County, Illinois.

“Debris” shall mean any inorganic substance which is not a discrete building, structure, work of art, decoration, landscape feature, or other construction or a material incorporated into any of the same.

“Exempt Property” shall mean any parcel of real estate which has been designated as a site for depositing Garbage and/or Debris by the appropriate federal, state, or local governmental entities.

“Garbage” shall mean any organic or biological substance other than (a) living plants or animals, (b) properly created and utilized compost or other fertilizer, or (c) a discrete building, structure, work of art, decoration, landscape feature, or other construction or a material incorporated into any of the same.

“Owner” shall mean any person, agent, operator, firm, or corporation having legal or equitable interest in the property; or recorded in the official records of the state, county, or municipality as holding title to the property; or otherwise having control of the property, including the guardian of the estate of any such person, and the executor or administrator of the estate of such person if ordered to take possession of real property by a court.

3-9-3 REMOVAL OF ACCUMULATED GARBAGE AND/OR DEBRIS

Whenever the County Authority finds that an Accumulation of Garbage and/or Debris exists on any parcel of real property other than an Exempt Property within the County and outside of the territory of each incorporated local governmental entity, the County Authority shall provide notice of such Accumulation to the owner or owners of that property as set out in this Chapter. If the Accumulation is not removed from the real property before the date set out in the notice, the County Authority shall cause the Accumulation to be removed from that property.

3-9-4 LIMITATION ON AUTHORITY

The County Authority shall not take any action under this Chapter against (a) a person who is acting under the direction of a proper governmental official during special cleanup days or (b) during a declared emergency situation.

3-9-5 NOTICE

A notice of Accumulation of Garbage and/or Debris sent under this Chapter shall be in writing and specifically state (a) the identity of the County Authority, (b) that the County Authority determined an Accumulation of Garbage and/or Debris exists on the real property, (c) the mailing address and property index number of the real property where the Accumulation was found to exist, (d) that the person receiving the notice is required to remove the Accumulation, (e) a date by which the Accumulation must be removed, which shall be no earlier than fifteen (15) days following the mailing or posting date of the notice, and (f) that, should the person fail to remove the Accumulation, the County Authority intends to remove the Accumulation and assess the costs of that removal to the person receiving notice.

A notice of Accumulation of Garbage and/or Debris sent under this Chapter shall be sent by mailing a copy of the notice to the address of the real property where the Accumulation exists and to the last known address of each owner of the real property where the Accumulation exists. In the event any owner of the real property where the Accumulation exists is deceased, the notice shall also be mailed to the last known address of each identifiable heir of that owner. This provision shall not require the mailing of more than one (1) notice to any given property address. In addition to all mailed notices, a copy of the notice shall be posted physically in a prominent location on the real property.

If any mailed notice is returned undeliverable, the County Authority shall determine whether the notice was returned due to mislabeling the address on the mailing. If the return is due to such an error, that notice shall be mailed with the corrected address, and this new notice shall indicate a new date by which the Accumulation must be removed which shall be no earlier than fifteen (15) days following the date the new notice is mailed. If the return is not due to any such error, the notice shall be deemed properly sent notwithstanding the fact it was returned.

3-9-6 FUNDING

The County Board hereby creates a standing fund for the County Authority to use solely to remove any Accumulation of Garbage and/or Debris under this Chapter. Any costs of removing any Accumulation of Garbage and/or Debris under this Chapter which are successfully recovered from the owner or owners of the real property where the Accumulation exists shall be deposited into this standing fund.

3-9-7 RECOVERY OF COSTS

All costs and expenses actually incurred by the County Authority to remove any Accumulation of Garbage and/or Debris under this Chapter shall be documented by the County

Authority and shall be recoverable from any owner of the real property where the Accumulation existed. Costs and expenses under this provision shall include the reasonable value of the time any County employees spend in conducting the cleanup of the property, calculated as either (a) the number of total employee hours spent on the project multiplied by those employees' ordinary hourly salary or (b) the amount which the County department employees work in would charge a private entity to perform such work, if such a service is offered to the public by that department. Any claim of the County under this provision shall be enforceable as a general unsecured debt of the owner or owners of that property.

Additionally, all costs and expenses actually incurred by the County Authority shall be a lien on the real property where the Accumulation existed if, within sixty (60) days after the costs are incurred, the County Authority files a notice of lien in the Office of the Rock Island County Recorder. This notice of lien shall be a sworn statement setting out: (a) a description of the real estate sufficient for identification, (b) the amount of money representing the cost and expense incurred or payable for the service, and (c) the date or dates when the costs were incurred by the County. This lien shall be superior to all other liens except tax liens, but shall not be valid or enforceable against: (a) any purchaser whose rights in and to the real estate have arisen after the removal of the Garbage and/or Debris and before the filing of the notice of lien, or (b) any mortgagee, judgment creditor, or other lienholder whose rights in and to the real estate arose before the filing of the notice of lien. The County Authority shall file a release of this lien in the Office of the Rock Island County Recorder if and when the debt the lien secures is paid in full.

Any lien obtained under this Chapter may be enforced by proceedings to foreclose as in the case of mortgages or mechanics' liens. An action to foreclose this lien shall be commenced within two (2) years after the date of filing notice of the lien.

3-9-8 APPEAL OF DETERMINATION

Any person who receives a notice of Accumulation of Garbage and/or Debris under this Chapter may, prior to the deadline to remove the Accumulation set out in that notice, submit a written appeal of the County Authority's decision to the Zoning Board of Appeals. Appeals should be submitted in accordance with and subject to the Zoning Board of Appeals' standard practices and rules of procedure. The County Authority shall take no action to remove the Accumulation until any decision or order of the Zoning Board of Appeals or any reviewing court becomes final and not subject to further appeal.

2. A one-time appropriation is hereby made in the amount of \$ _____, to be transferred from the County's general fund, for the creation of a standing fund to be used by the Rock Island County Director of Zoning and Building Safety solely for the removal of accumulated garbage and/or debris from properties within Rock Island County jurisdiction pursuant to the terms of the newly adopted chapter set forth herein.

REQUEST FOR SPECIAL USE PERMIT

Case: SU-23-205

RE: MIKE & RIANNE HOWARD

The Rock Island County Zoning Board of Appeals held a public hearing at the request of **MIKE & RIANNE HOWARD** (Owners) to consider a Special Use Permit for a Density Increase in an AG-1, Agricultural Preservation District as authorized in Section 3-2-10.3.H of the Rock Island County Code of Ordinances on the following described property:

Address: 2015 265th Street N, Hillsdale, IL 61257

Legal Description: P/O PIN 10.15.400.002, SA Lot 10, Sheet 17, supplemental for 2002, Section 15, T18N R2E, 4th PM, Zuma Township, Rock Island County, Illinois, containing approximately 3.3 acres.

WHEREAS, the Zoning Board of Appeals met on Wednesday, May 17, 2023 and voted to recommend to the Rock Island County Board that the Special Use Permit request be approved with conditions. There were no objectors present. A motion was made to approve the request with conditions by Mr. VanDaele and seconded by Mr. Boyd. The vote to approve the request was as follows: Chairman Fuhr – Yes; Mr. VanDaele – Yes; Mr. Brown – Yes; Mr. Coyne – Yes & Mr. Boyd – Yes. Motion carried.

The following findings of fact are based upon the evidence, documentation and testimony presented in open meeting at the Public Hearing:

1. *That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare; This request will not differ from existing uses and will therefore have little impact to the surrounding area.*
2. *That the Special Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purpose already permitted, nor substantially diminish and impair property values within the neighborhood, and will be located and operated to minimize incompatibility with the character of the surrounding area and to minimize the effect on the value of the surrounding property. The applicant need not demonstrate complete compatibility, but the applicant shall demonstrate reasonable efforts to minimize incompatibility; the special use will maintain the character of the surrounding properties and should have little to no effect.*
3. *That the establishment of the Special Use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the districts; this request will not impede development as it only applies to an existing structure and does not alter the use of that structure.*
4. *Those adequate utilities, access roads, drainage and/or other necessary facilities have been, or are being provided. Access is provided via 265th Street North and all necessary facilities are already in existence.*
5. *That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets; the access to the tract will continue to be off 265th Street North, a township road.*
6. *That the plan of operations for the Special Use is designed to minimize the danger to the surrounding area from fire or other operational accidents; The property will be in keeping with safety standards for residences.*
7. *That the Special Use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the County Board.*

(con't)

*****CONDITIONS*****

1. A deed restriction shall be recorded along with the deed for the property on and adjoining amount of land totaling 40 acres stating *"The herein described area that may be a portion of, or all of, a parcel in total, having the restriction that no residential structures or farmsteads used for residential purposes may be upon the said real estate herein described, said restriction being placed on the above described real estate voluntarily, so as to conform to the Rock Island County Zoning Ordinance and the decisions of the Rock Island County Zoning Board of Appeals and to remain in effect until such time that the Rock Island County Zoning Laws allow additional residential development, or is annexed into another municipality."*

NOW, THEREFORE, BE IT RESOLVED by the Rock Island County Board that a Special Use Permit for a Density Increase in an AG-1, Agricultural Preservation District with the above conditions, for the property herein described be and the same is approved.

REQUEST FOR REZONING

Case: RZ-23-105

RE: BAYNE FAMILY FARM PARTNERSHIP

The Rock Island County Zoning Board of Appeals will hold a public hearing at the request of the **BAYNE FAMILY FARM PARTNERSHIP** (owners) to consider a rezoning from AG-2, General Agricultural District to R-1, Single Family Dwelling District, on the following described property:

Address: 9609 Turkey Hollow Rd, Taylor Ridge, IL 61284

Legal Description: P/O PIN: 16.31.200.005, SA Lot 208, Sheet 45, supplemental for 2008, Section 31, T17N R2W, 4th PM, Blackhawk Township, Rock Island County, Illinois, containing approximately 1.02 acres.

WHEREAS, the Zoning Board of Appeals met on Wednesday, May 17, 2023 at the Rock Island County Office Building, 1504 - Third Avenue, Rock Island, IL and voted to recommend to the Rock Island County Board that the request be approved. A motion was made to approve the request by Mr. VanDaele and seconded by Mr. Brown. The vote to approve the request was as follows: Chairman Fuhr – Yes; Mr. VanDaele – Yes; Mr. Brown – Yes; Mr. Coyne – Yes & Mr. Boyd – Yes. Motion carried.

The following findings of fact are based upon the evidence, documentation and testimony presented in open meeting at the Public Hearing:

1. The existing use within the vicinity of the property is agricultural and residential.
2. The zoning classification within the general area of the property in question is AG-2, General Agricultural District, SE-2 Suburban Estates Medium Density District and R-1, Single Family Dwelling District.
3. The trend of development is residential.
4. The tract is suitable with the surrounding uses.
5. The subject parcel is not located in the regulatory floodplain.
6. The property is within 1.5 miles of the City of Rock Island.
7. The request is consistent with the Rock Island County Land Use Plan and maps.

NOW, THEREFORE, BE IT RESOLVED by the Rock Island County Board that the rezoning from AG-2, General Agricultural District to R-1, Single Family Dwelling District for the property herein described be and the same is approved.

Mr. Wilson, our current Assessor was not able to be with us this evening, but I did communicate with him earlier this afternoon and he regretted that he was not able to be with us. But just for clarification, his resignation is based on his desire to retire. He is retiring at the end of his term end of this month. It was brought to my attention earlier today that there was some question about term resignation...but he is retiring and we wish him well with that. With that, Item #12, Ms. Allman is actually with us this evening in the Chambers. She is currently the Chief Deputy in the Assessor's Office she does have 28 years' experience with that office and I am confident that she will be able to continue to do great things in that office to keep the process rolling forward in a timely fashion. This would be for a Term to begin on July 1, 2023, following the retirement of Mr. Wilson on the 30th of this month with a term to Expire on June 30, 2027. 4. WARRANTY PROVISIONS: CXT provides a one (1) year warranty. The warranty is valid only when concrete is used within the specified loadings. Furthermore, said warranty includes only the related material necessary for the construction and fabrication of said concrete components. All other non-concrete components will carry a one (1) year warranty. CXT warrants that all goods sold pursuant hereto will, when delivered, conform to specifications set forth above. Goods shall be deemed accepted and meeting specifications unless notice identifying the nature of any non-conformity is provided to CXT in writing within the specified warranty. CXT, at its option, will repair or replace the goods or issue credit for the customer provided CXT is first given the opportunity to inspect such goods. It is specifically understood that CXT's obligation hereunder is for credit, repair or replacement only, F.O.B. CXT's manufacturing plants, and does not include shipping, handling, installation or other incidental or consequential costs unless otherwise agreed to in writing by CXT.

This warranty shall not apply to:

1. Any goods which have been repaired or altered without CXT's express written consent, in such a way as in the reasonable judgment of CXT, to adversely affect the stability or reliability thereof;

2. To any goods which have been subject to misuse, negligence, acts of God or accidents; or

3. To any goods which have not been installed to manufacturer's specifications and guidelines, improperly maintained, or used outside of the specifications for which such goods were designed.

5. TERMS AND CONDITIONS OF INSTALLATION (IF APPLICABLE): All prices subject to the "Conditions of Sale" listed on the CXT quotation form.

Customers are responsible for marking exact location building is to be set; providing clear and level site, free of overhead and/or underground obstructions; and providing site accessible to normal highway trucks and sufficient area for the crane to install and other equipment to perform the contract requirements. Customer shall provide notice in writing of low bridges, roadway width or grade, unimproved roads or any other possible obstacles to access. CXT reserves the right to charge the customer for additional costs incurred for special equipment required to perform delivery and installation. Customers will negotiate installation on a project-

by-project basis, which shall be priced as separate line items. For more information regarding installation and truck turning radius guidelines please see our website at <http://www.cxtinc.com>.

In the event delivery of the building/s ordered is/are not completed within 30 days of the agreed to schedule through no fault of CXT, an invoice for the full contract value (excluding shipping and installation costs) will be submitted for payment. Delivery and installation charges will be invoiced at the time of delivery and installation.

Should the delivery and installation costs increase due to changes in the delivery period, this increase will be added to the price originally quoted, and will be subject to the contract payment terms.

In the event that the delivery is delayed more than 90 days after the agreed to schedule and through no fault of CXT, then in addition to the remedies above, a storage fee of 1-1/2% of contract price per month or any part of any month will be charged.

****Customer is responsible for all local permits and fees.**

6. DELIVERY CHARGE: All prices F.O.B. origin prepaid and added to invoice. CXT operates three (3) manufacturing plants in the United States and will deliver from the closest location on our carriers.

7. PAYMENT TERMS: All orders are cash in advance. At CXT's discretion, credit may be given after approval of credit application. Payment to CXT by the purchaser of any approved credit amount is net 30 days after submission of invoice to purchaser. Interest at a rate equal to the lower of (i) the highest rate permitted by law; or (ii) 1.5% per month will be charged monthly on all unpaid invoices beginning with the 35th day (includes five (5) day grace period) from the date of the invoice. Under no circumstance can retention be taken. If CXT initiates legal proceeding to collect any unpaid amount, purchaser shall be liable for all of CXT's costs, expenses and attorneys' fees and costs of any appeal.

8. LIMITATION OF REMEDIES: In the event of any breach of any obligations hereunder; breach of any warranty regarding the goods, or any negligent act or omission of any party, the parties agree to submit all claims to binding arbitration. Any settlement reached shall include all reasonable costs including attorney fees. In no event shall CXT be subject to or liable for any incidental or consequential damages. Without limitation on the foregoing, in no event shall CXT be liable for damages in excess of the purchase price of the goods herein offered.

9. DELIVERY INFORMATION: All prices F.O.B. origin prepaid and added to invoice. CXT operates three (3) manufacturing plants in the United States and will deliver from the closest location on our carriers. Use the information below to determine the origin:

June was a very good month at Indian Bluff Golf Course. It caps off what has been a very good fiscal year for the golf course. Overall the fiscal year closes out with an even better fiscal year than in June 2022. Despite rain playing havoc with the last few days of the month and on Father's Day, the course did not see much in the way of play going down for those days. So far this year, many people have played thru the inclement weather. Overall golf revenues increased once again, concessions were up by a small margin as well. Proshop sales were down slightly, but not a significant amount. .

Indian Bluff hosted 3 golf outings in the month of June. We hosted:

- Putts for Mutts
- Steve's Old Time Tap
- Habitat for Humanity Quad Cities

Putts for Mutts and Habitat for Humanity were full shotgun starts. Both went very well, Habitat for Humanity played thru the rain for the majority of their golf outing. Steve's Old Time tap had 84 players on a Friday afternoon

Looking ahead to July, we have only one golf outing on the books for the month. The Hackers and Slackers outing is July 15, and will be a full event, as they currently have a lengthy waiting list. I had 3 other events scheduled that all cancelled for various reasons. It will be interesting to see how the weekends fair without the golf outings, as the last couple years the course has posted better numbers on many non outing weekends. The John Deere Classic appears to be getting good attendance the first week of July, it remains to be seen if that will effect our second weekend in July.

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of June 2023

Grounds Maintenance — Staff has been mowing as needed due to dry conditions. Seasonal maintenance staff weed eaten as needed at Illiniwek along with the hill sides at Dorrance by the front parking lot and D3. The prairies that were planted last fall at Illiniwek were mowed to eliminate competition from weeds which helps establish the prairie. Staff finished cleaning flood debris up around boat ramp parking lot. Staff broomed off the boat ramp parking lot and the river road with the rotary broom attachment. The site markers were straightened to all the river primitive sites. During the flood logs get pushed against them and the current helps push them over. The river primitive camping sign was knocked down during the flood. Staff replaced the sign using new 4"x6" treated posts. Staff also installed the new Amowa East and West entrance signs. Hydroseeding was completed around both Amowa parking lots. Staff also spread a seed enhancement mix to these areas to increase plant diversity.

Building Maintenance Projects Performed— Staff replaced two LED flood lights on the north shower building. JL Brady replaced the shower shutoff valves on the women's side south shower building. Staff painted the orchard pump house and the firewood shed.

Equipment repairs and/or projects performed— No equipment repairs this month

Trails/Course/General facility conditions— Trails have been opened most of the month due to dry weather. Rain closed the trails often the last week of June.

Vandalism report- no vandalism to report this month.

Incidents— No incidents

Accidents reports— No accidents to report this month.

Weather conditions— Above Average.

Activities/Events/Outings held at park— On June 16th LL&W along with 150 John Deere interns removed honeysuckle for 2 hours at Amowa west.

Items to be bid by Purchasing— No items to be bid.

Upcoming Activities —Popular astronomy club will use the scheduled rain date of July 8 to set up telescopes at Illiniwek.

Misc.- The solar lights at Amowa are still on back order and should be installed late July. Port Byron is requesting the use of Dorrance Park parking lot for Tugfest parking and shuttle service to down town. River Valley library sponsored a nature scavenger hunt at Dorrance which included the trail system. Trail counters were installed on the GRT, Dorrance trails, and on the trails at Illiniwek. Staff painted yellow STOP lines on the new asphalt at the 2 stop signs in the campground. Hutchinson engineering is redesigning the dump station at Illiniwek. There are two issues. The 6" curb surrounding the station does not meet ADA specifications and people are having trouble emptying their waste water buggies. The second issue is the station island is too long and 40' RV's are driving up on the curb to enter dump station parking area. Hutchinson is designing the island to be 15' shorter and eliminate the 6" curb around the dump station drain.

Good afternoon. Seeking approval for tugfest guests to park at dorrance park 2023. Busses will continue their normal routes between dorrance and port byron Methodist church. We will continue to check the park for garbage and damage on Sunday as previous care has always been done.
I appreciate your time

Thanks so Much

- Cleaned pit toilets as needed
- Cleaned burn rings
- Mowed grounds as needed
- Fixed a sign on bridge near boyscout camp on Sac-Fox trail
- Pruned trees on public boat ramp road and main entrance road
- Fixed broken lid on electrical riser in white oak campground
- Replaced 5 rotten posts at horse corral
- Watered new tree planting and seeded areas as much as possible
- Cleaned debris from hazard trees and ground the stumps at Riverview Campground

Building Maintenance projects performed--

- Cleaned maintenance shop
- Cleaned and organized both boat rental buildings
- Replaced mixing valve at White Oak shower building

Equipment repairs and/or project performed--

- Performed pre and post operation checks daily on equipment to be used.
- Repaired railing on large pontoon boat
- Replaced steering gearbox on boat rental golf cart

Trails/Course/General facility conditions--The park as a whole is looking great. Trails were Open for the majority of the month to horses and bike traffic due to dry conditions.

Vandalism report--I have no vandalism to report for the month of June 2023.

Incidents--I have no incidents to report for the month of June 2023.

Accidents reports--I have no accidents to report for the month of June 2023.

Weather conditions--The month of June was extremely dry and hot.

Activities/Events/Outings held at park-- We hosted a wedding and a couple family gatherings at our shelters.

The Illinois City Saddle Club held their two-day horse show in the horse corral area over Father's Day weekend, and Kathy Bizzari followed up with me after this event and let me know that they really enjoyed the opportunity to hold their event over a two-day period. She wanted to make sure that I thank this committee for allowing them to do it.

Volunteer Hours—I had two volunteers who cut a few trees off the Hauberg Trail for a total of 4 hours this month.

I and David Wyffles the IDNR Fisheries Biologist have been monitoring the Eurasian Milfoil for a couple years now on Lake George as it has been growing at higher rates than typical near the public boat launch and the boat rental. At this point in time he does not feel like this is a concern so no treatment is recommended. We are mainly seeing this in these two areas as every time a motor prop severs a piece from the main plant the severed portion finds the bottom and becomes another individual plant. The extremely dry and hot temperatures during the month of June created prime conditions for algae to grow on bodies of water in our region. One of the types of algae that I brought to Mr. Wyffles attention was filamentous algae. I began seeing this around over 50% of the shoreline on the lake at its worst and we are also continuing to monitor this as well. I will inform this committee if any treatment becomes necessary or is recommended by the biologists.

We have been having a great camping season which is reflected in the camping revenue generated at the preserve for the month of June. The higher temperatures did have an impact on my primitive camping, and I am hoping things cool down a just a bit so those folks can come on out and enjoy the campgrounds as the season moves on. Boat rentals have been steady and people are really enjoying being out on the water this season.

This month I had to have 7 septic tanks pumped due to the much higher usage than originally anticipated with the construction of our new campgrounds. I am currently exploring options to provide our patrons with more shower and toilet facilities as they are desperately needed. The dump station located in the Horse Corral area has been giving me issues as the fields have been having sewage seeping up through the ground and flooding out two of my new campsites. I am seeing problems with the dump station due to the higher rate of use than it has ever seen. I will keep this committee informed of the recommendations as the health department and septic professionals give me options on how to fix this problem.

Niabi Zoo report for June

Lee Jackson

7/6/2023

Administrative

- Work continues on the Painted dog exhibit. Water feature and main yard work is complete. Secondary yard work is near completion. Graphics have been delivered and are being installed.
- We submitted initial paperwork for AZA mentorship program.
- Participated in weekly Prairie dog construction meetings with contractors. Continue working closely with painted dog contractors to work out issues as they arise.
- Concrete forms 90% complete for prairie dog exhibit. Concrete pour scheduled for rockwork footings started on 7/6/23. Concrete pour for rest of exhibit scheduled for 7/12/23.
- Planning and preliminary conceptual planning for upgrades and additions to the domestic animal area complete. These would include a "sky bridge" allowing animals to pass overhead to a new paddock in the area adjacent to the guinea pig area, the replacement of old fencing, and expanded utilities in the area.
- Conceptual planning on a new Bear exhibit that would be placed between the Painted dog exhibit and the Pallas cat exhibit is substantially complete. Initial cost estimate made.
- Received ZAA conservation grant to do field work in South America.

GUEST SERVICES- JUNE 2023

In June, our attendance and business patterns undergo a shift compared to April and May. In May, we experienced a constant influx of school groups during the peak hours of 10 am to 2 pm during the week, resulting in a bustling atmosphere at the zoo. With schools letting out in June, we still have some daycares, camps, and other facilities organizing group outings; however, the volume of such visits is not as high as in May. The business during June is usually a slower, steady flow instead of a high-pressured block of hours. The high temps in June added some challenges in regards to attendance, but most guests who had purchased tickets or wanted to come out came in the morning to try to beat the heat, and we posted on Facebook and our website about heat alerts for the animals, such as Heat Alert; for the safety and wellness of some of our animal family through the summer, we will offer inside access when the temperature is above 85F.

- **GIFT SHOP:**

- The gift shop will partner with the Animal Enrichment team each month to feature a particular animal and its Animal Art. June was Primates.
- The gift shop sold \$39,042 in merchandise for JUNE.

- **CONCESSIONS:**

- *Zooseum Passes sold at the zoo/ 1-\$125*
- Sent out Membership Renewal reminders for June and July
- Started promoting Members Only Night which will be happening on July 27 from 5:30-8:30 pm.

- **CAROUSEL:**

- Is working well

- **GIFT CARDS/EGIFT CARDS:**

- 13/\$555
- We will continue to promote these in our monthly newsletter and on our Facebook page.
- **ADOPTS:**
 - 3/\$150
 - We will continue to promote these in our monthly newsletter and on our Facebook page.
 - Once the Painted Dogs and Prairie Dogs are here- these animals will be added to our list of animals that can be adopted, and we will run a special promotion.
- **SCOOTERBUG (wheelchairs, ECVs, Strollers & Scooterpals):**
 - Scooterpals- raised the credit card hold to \$50 instead of \$25. We were running into issues with guest not being able to pay the rest of their transaction.
 - Scooterpals- We had 76 transactions for the month of June.
- **PEPSI (4 vending machines)**
 - Guests are using vending machines a lot.
 - They are refilled every Mon and Thurs.
- **PENNY PRESS MACHINES (2 machines/1 @ gift shop & 1- back concessions) :**
 - June-\$346.07
- **EVENTS (Members Only & Pints) :**
 - Members Only event will be July 27th, 5:30-8:30 pm. It's Members Only Night at the Zoo! We will have free train and carousel rides, activities on the lawn, special keeper chats, and more. We started promoting at the end of June, and 450 tickets have been reserved.
 - We will start promoting Pints Mid-August
- **WEBSITE:**
 - Continually updating as needed.
- **STAFFING/HIRING/TRAINING:**
 - We've recently posted job openings on Facebook as we're in need of new staff members for August-October. Some of our current employees are leaving for school or their full-time jobs in the school system, while others will be transitioning to working only on weekends. We're seeking individuals to join our team and assist us in running smoothly through October.

- **MARKETING:**

- We continually promote & highlight revenue-generating products and events on our Facebook page, website, and monthly e-newsletter. The goal is to showcase the positive developments at the zoo and increase attendance/revenue.

Positive Customer Google Reviews:

- Very clean & good place for kids/ toddlers. It can be done in 2-3 hours & still have enough time to do other activities.
- Great time we got the fun bundle so we go very often. I'd recommend getting the carousel tickets and train tickets when you enter.
- Cool place, membership is worth the value
- Had a great time with my grandson who loved the Giraffe and all the exciting facts we learned about him.

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of June 2023.

Notes from the prior Forest Preserve Executive Committee Meeting/Old Business

Nothing to report at this time

Issues or Items noted on the agenda for the month of July

District Monthly Claims and Receipts

The monthly claims & Treasurer's Disbursements for the month are included in the packet and once again are typical for this time of the year. Claims had not been fully reviewed at the time of this report, any flagged claims will be rectified by staff as soon as possible.

June property taxes were received providing a boost to the overall cash flow needs of the District as those funds such as FICA, IMRF, Liability and DFCI Fund solely rely on property taxes as the sole source of revenue.

The \$500,000 outstanding loan from the General Fund to the Niabi Zoo Fund was repaid.

A \$55,000 donation in support of the African Painted Dog project was received from the Niabi Zoo Foundation.

An ARPA payment in the amount of \$260,481.06 was received from Rock Island County to support the construction of the African Painted Dog exhibit. Thank you for the support.

Transfers of Appropriations

The District's fiscal year turned over June 30th however expenditures and revenues generated before that date will be backdated until the end of August. Many general ledger budget lines exhausted appropriated funds and some mainly in seasonal salaries and employee health benefits did not. Savings in these areas were applied to the overages and at this time of the year, there tends to be more than usual. Another line item in which funds were transferred was in the golf course sub department. A line item of \$50,000 for a new vehicle that wasn't purchased due to lack of availability. Overall the General Fund did not need to appropriate more funds and neither did the Niabi Zoo Fund at this time.

Resolutions

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

Forest Preserve District

Rock Island County

There are three resolutions for the Commission to consider this month. These should be very familiar as they all pertain the grants and projects that have been occurring over the past year in which expenses come due and appropriations for grant expense when they occur.

The resolution for Illiniwek Trail Grant Appropriation is for expenses occurred with the construction of the new road and trail way. The first phase is still incomplete as the contractor needs to bore water and sanitary sleeves to the restroom location. This portion of the project was expected to be completed in May, however delays in the District acquiring insurance and contractual issues with the railroad and securing flaggers from the railroad have significantly delayed it getting completed. Additional expenses will be forthcoming in the upcoming months until the project is completed.

The resolution regarding Niabi Zoo Fund African Painted Dog Appropriations is required as additional claims pertaining to the project have come due. The contractor completed all aspects of the construction documents and the contract has been closed out. The claim for signage is also included in the expenditure amount which is the last item to fulfill this grant. A reimbursement request was made for the remaining construction costs associated with the grant and next month a final reimbursement for the signage will be made. Then a final report will be submitted. This should be the last resolution pertaining to this grant.

The resolution regarding Niabi Zoo Fund Prairie Dog Appropriations is required as additional claims pertaining to the project have come due. The contractor has been on site since March and the architect has been providing construction support services. The project is expected to be completed in August so additional claims will be coming forth requiring additional resolutions as well. Once the project is completed, a final report will be submitting requesting reimbursement of \$436,100 in funds.

Other Business

Illiniwek Recreation Trail Grant Phase 2 - Purchase of a CXT Precast Concrete Products restroom in the amount of \$239,787.80 purchase order is enclosed with the meeting materials. The purchase of a preconstructed building is the engineer's recommendation as the most cost effective method to replace the existing building in phase 2 of the improvements rather than having an architect designed structure. The CXT Precast Concrete Products TAOS 20 x 26 building is being secured through a Sourcwell contract to meeting bidding requirements. The contract # is 081721-CXT. Bids for the demolition and site preparation for the building will be let in July with construction expected to occur this fall and completed by the years end.

Reports

The District's Budget Performance Report for the monthly close of June is available for your review. Please note that even though the fiscal year came to an end on June 30th there are still significant sums of revenues and expenses to be accounted for such as property tax distributions in July and August, hotel/motel taxes to be received, a split payroll and expenditures occurred in June that payment has yet to be made that will need to be backdated. Overall it appears several funds will end with a deficit, however that was to be expected due to the construction of the Amôwa parking area, reimbursable grant project occurring at the zoo and deficit budgeting to use surpluses in the FICA and IMRF Funds.

The Treasurer's Report is available for your review.

The Auditor's Reports are available for your review.

Facility Usage throughout the District

June was another very busy month for staff throughout the District with dry weather through most of the month. The golf course and Loud Thunder did exceptionally well when comparing rounds and camping units compared to last year. Illiniwek camping finally came online when the construction was complete and users started rolling in and usage was strong but typical. The zoo was on par with attendance compared to last year for the month and is up a couple thousand visitors from last year. Trails were open the first half of the month at the parks due to the drought like conditions but had to be closed once the precipitation events started occurring. The Illinois Saddle Club had a well-attended event on Saturday of Father's Day Weekend. Unfortunately, the rain on Sunday forced a cancellation of the remainder of their scheduled events. The golf course leagues and outings have been rolling along and daily play was better than average during the brief heat spells that occurred throughout the month. The zoo saw the drop off in school field trips in June but little ones at zoo camp have been learning all about the zoo and conservation the past month. The boat rental usage has slowed compared to year's prior, assuming prior year's demand was significantly influenced by COVID and closure of West Lake Park. Shelter rentals have seen some occasional use throughout the month.

The prairies throughout the District are starting to see more and more color and folks from the Illinois Native Plant Society have been out looking for unvouchered species.

Please take note of the staff reports which go into greater detail of what is transpiring at each preserve.

Niabi Zoo Foundation

The CAB meeting scheduled for June 20th was canceled due to lack of agenda items. The July 18th meeting has been canceled as well. The zoo foundation which consists of mostly CAB members did meet and continue exploring funding opportunities to support Niabi Zoo's masterplan.

Union

No grievances were received in the month of June. A labor-management meeting was held with zoo management and the union pertaining to the scheduling of maintenance personnel on the weekends.

Projects throughout the District

Amôwa parking lot projects-the parking areas are completed and signage has been installed but the contractor is still awaiting lighting to be installed. A back order has occurred causing the delay in the lighting. Trail construction will begin with staff using the forest mulcher in the upcoming weeks. During one of the recent heavy rain events the erosion controls failed leaving Hubbard Road covered in soil. The contractor came the next day and cleaned the road. The Amôwa West prairie looks amazing!

African Painted Dogs Exhibit-the main construction is complete, signage is being installed and staff are working on secondary construction issue in preparation to have the species on display.

Prairie Dog Exhibit-it is starting to look like something more than just a hole in the ground with 80% or more of the concrete foundation area being completed.

GRT/MRT bridges-Hutchison Engineering is still preparing bid documents.

Illiniwek Trail & Support Facility-phase I is nearly complete. Contractor is awaiting flaggers from the railroad to bore the water and sanitary sleeves. There were several issues with the design of the dump station island and modifications to address access and vehicular movement are enclosed with staff reports. Scheduling for these modifications are yet to be determined. For phase 2, approval of the restroom facility is being submitted to the board for approval in July with bid document and a letting to follow upon the building's approval.

Indian Bluff Golf Course Stormwater Improvements-plans have been developed and enclosed for review. Upon approval the project will be advertised for bid.

Zoo Misc.-Klingner is still in the design phase for improvements to the big cat and eagle exhibits. Funds were appropriated for a new roof on the rhino building and those well

be incorporated into the bids as well if possible. Zoo staff are working with BKP architects on a conceptual plan for a bear exhibit and improvements to the biodiversity building. A goat bridge is being prepared as well.

District roads and parking area review-IMEG is still reviewing the District's infrastructure. A report is expected later in the year.

Deer Haven Shower Building-Strand is in the preliminary stages of reviewing the proposed site for producing a technical report for use.

Items of note for the Current Month

- A lot of end of FY 23 business, mainly transfers.
- Submitted quarterly grant reports for RTP and IL Public Museum Grant, submitted monthly DECO IL Tourism Grant.
- Attended the monthly CEO Link event at the QC Community Foundation, the Illinois Association of Conservation & Forest Preserve District's quarterly meeting at Bryon Forest Preserve District. Toured some of their native prairies, and FY 23 audit preparation planning meeting with auditor and Sikich.
- Participated in the IPRA monthly educational webinar pertaining to intersectionality.
- Reviewing and developing a policy to address the Paid Leave for All Act that is to go into effect January 1, 2024.
- FY 24 budget review and adjustments due to operational needs and changes.
- Annual inventory and petty cash checks with auditors were conducted.
- Budget preparations for FY 25, most staff have completed input and those requests are being reviewed.
- Updated the mailing address of the District to 19406 Loud Thunder Road, Illinois City, IL 61259 with the IRS to correspond with SAM account.
- The July 4th Holiday was a fairly slow one but revenues generated were steady. The rain and holiday being on a Tuesday brought mixed results.
- The third of the 2023 property tax distributions is expected in late July. Most likely about 3% of the total expected distribution to be received.
- Continue to reviewing best practice policies and procedures as recommended by the Illinois Distinguished Agency Accreditation program.
- Completed quarterly Payment Card Industry scan.
- Hilltop Nursery and Greenhouses donated approximately 15 flats of annuals for beautification of the Loud Thunder Park Office.
- The bee hives at Loud Thunder continue to be productive, need to set aside some time to harvest.
- Rock Island County Fair is the week of July 17th. I will be using some vacation time to assist my kids who participate in the various activities.
