ROCK ISLAND COUNTY FOREST PRESERVE COMMISSION
JUNE 16, 2026 – 6:17PM
PRESIDENT KAI SWANSON – PRESIDING

1. **PRESENTATION:** Jason Anselment—General Counsel, Illinois Association of Park District

President Swanson stated, "Thank you everyone for your patience. I'd like to call this meeting of the Forest Preserve Commission to order. We have a presentation to start us off this evening. Jason Anselment, who is a great advocate for organizations like ours, as General Counsel of the Illinois Association of Park Districts, is going to be joining us remotely. I am grateful to have represented you, at a recent Park District gathering in Chicago. How are you doing Jason?"

Mr. Anselment stated, "Great, President Swanson. How are you doing"

President Swanson continued, "I am doing just great, and happy to have you with us. Ever since I got a little closer involved with what you are doing, I realized my fellow Commissioners would benefit from learning more. So, the floor is yours sir."

Mr. Anselment continued, "Well, it's an honor to be here, and I want to make sure that you can see my screen. I've got just a brief 10-minute presentation, because I know you want to get on with your meeting, so I'll keep it right at 10 minutes, but I trust you can see my screen."

President Swanson answered, "Yes, we can."

Mr. Anselment continued, "Great. Let me begin by saying the IAPD is the oldest statewide association of its kind, in the country. We've been around since 1928, so just like our great nation, we'll be celebrating an anniversary here in a couple years. Our offices are about a 2-minute walk from the State Capitol, and so if you're ever in Springfield, we always love it when members stop by. We are governed by a 19-member board of elected officials just like all of you, so we're always looking for people to get actively involved. I know President Swanson is on our Program Committee, and so if you're ever interested, we have many opportunities, many committees to get involved with IAPD. You've been a member, the Forest Preserve since, I think, at least 2009, and I don't know if that seems that long ago to all of you, but I've only been with the association since 2010. At that time, I only had 2 daughters, and now I've got 4. Back when I first started, our family vacations were to go around to forest preserves and park districts, and our very first family vacation of that kind was to the Quad Cities, and we were at Niabi Zoo back in 2011, and I can tell you, my kids, the 2 that are now in college, but they still remember that fondly. It is truly a crown jewel and really, a tribute to all of you and the work that you do. IAPD has many member benefits.

I'm going to really talk about 3 core services tonight, advocacy, being the first. Advocacy matters, as you probably all know in both your roles as County Board members, and Forest Preserve Board Members, because what happened next door here at the Capitol, affects all the authority that you have. How you conduct your meetings, your liability, everything from how you make purchases, the items that were on your agenda at the county board meeting and will be on the agenda just after this. Of course, a big thing for you all of us is grant funding, and that's a big part of IAPD's advocacy efforts, to make sure that there is grant funding, matching grant funding in the budget each year. You've certainly done a great job of availing yourselves of those grants. In fact, I believe you might have an agenda item related to your next OSLAD grant on the agenda tonight, that was certainly great news back in January. I know the Loud Thunder campsite improvements, I think were right, pretty much coincided with the pandemic, so we know how important that asset has been to the community, and you've done a great job at taking advantage of bike path grants as well. So, that's a big part of our advocacy. One of the other things we do, is we initiate legislation that really come from our membership, things that would help your agency operate more efficiently. We've raised the competitive bid limit, here in the last year or so. We clarified some trail signage requirements. It was very important to insulating the district and others from liability. We had a very unique situation, where a member had gotten a FOIA request that it turns out, was actually malware. It wasn't a FOIA request at all, and we were able to pass landmark legislation to fix that. I don't think we will have this signed by the Governor in time for you to file your budget appropriation ordinances electronically here soon, but next year you'll be able to do that just like your tax levies and your bond ordinances. So, oftentimes these benefit all local governments, and we certainly work with other agencies. In the last 40+ years, we've been one of the most successful in terms of passing legislation. I have to tell you, the membership deserves the credit for that, and you certainly have sent us bipartisan representatives. It is good to see Representative Morthland, I haven't seen you in a while, but always bipartisan support coming out of Rock Island County, and we really appreciate it, and it helps us because we are a bipartisan issue. As much as we like passing bills, I would say we spend much more time, fighting unfunded mandates and bills that would expose our members to liability, either through unfunded mandates or expanding tort liability. We have oftentimes attacks on local control, sometimes those are unintended. We've got this new e-bike legislation that probably will be signed soon. When that came out, it's great to have uniformity and new rules, but we all know that not all trails are really suitable for those types of devices, so we were able to preserve that authority in the final version, because it was not in the original version. So, that is a big part of our advocacy efforts. I think one of the things that's important to our members is really our bill review services. We do review every bill. The magnitude of legislation in Springfield only grows every year, so you can see there almost 10,000 bills filed, almost 3,000 amendments in the last couple years. So, we track a lot of legislation, and then we keep you updated through updates and alerts. I know many of you have come to those legislative breakfasts over the years, and

certainly that's a great opportunity to connect with your legislators. We have events, and then the website is a great way to stay informed as well. If you don't get our emails and you want them, please call the office. I'll have our number at the end of the presentation, certainly want to make sure you have all of the information that you need. Again, the website is a great repository of all kinds of legislative information. Another big service we do is research, and this helps us not just in advocacy, but I know that it's helped our members as well. So, we had a statewide citizen satisfaction survey back in 2023. We've done employment analysis that I think have demonstrated what a significant role we play, you all play as employers within the State of Illinois. We're coming out very soon with an agency expenditure analysis that I'll touch on in just a second because the Forest Preserve did fill out that survey, and you'll be getting your own individualized report. For instance, this is one of my favorite stats that came out of that independent research, 2 or 3 years ago on the heels of the pandemic. You know, when the county is trying to attract businesses or residents to the community, we talk about quality of life, and this independent research demonstrated that forest preserves and park districts are providing, some of the top assets to, and have those attributes that people are looking for when they look for quality of life in terms of recreational programs and open space, and the number of forest preserves and parks. You can see there, the 2 of the top 3 beat out even the quality of public schools, so very important research. Then, this expenditure analysis that I touched on, Jeff will share that with you here in the coming weeks. It will help demonstrate, number one, some benchmarking, but also help you demonstrate the financial impact that you're having on the local economy. So, we're very excited about that. As I close out, education is also a big part of what we do. President Swanson mentioned the annual conference, I want to commend that to all of you. If you get the opportunity, we have a legal symposium, where we go over all of the new laws that have passed, legislative conference, lots of other opportunities. I think I first met Kai at a boot camp, probably a decade ago, the way time flies. That is a great opportunity for new and seasoned elected officials to learn about the OMA and FOIA, those kinds of requirements. Then, we do webinars and workshops, oftentimes those are complimentary. I just want to commend you to a couple here in the next 2 days. There are new federal ADA rules, and while they've been delayed as they relate to your websites, they're still around the corner, and that's a complimentary webinar, it's not too late to register tonight or tomorrow morning. So, I would commend that one to you. Then, the OSLET cycle is opening up here, within the next 2 weeks. We're going to have IDNR as well as a grant consultant that will give you some tips on 2026 applications. We have a governance and leadership forum next week, so lots of opportunities to stay on top of legal and other requirements. If you've never been to the Illinois State Fair, please come on the 22nd of August, it is a great way to help raise awareness about forest preserves and conservation. We've got awards recognition programs, if you have businesses that you would like to recognize. I mentioned the symposium and the conference, there are so many other services and again, I want you to be able to get on with your meeting tonight. I know I've

talked with staff over the years, we do offer legal consultation and work with local counsel as well. We do a lot of board development, I mentioned those awards in recognition and public awareness. All of this information is on our website under the "About Us" membership tab. There's a whole guide to membership benefits, but most importantly I want you to know you can call the office and we are happy to spend time answering whatever questions that you have. We really are here to serve you. Appreciate all that you do to improve the quality of life. A very impressive meeting earlier, what a great County Board that you have. So, thank you one and all."

President Swanson stated, "Well, Jason, thank you very much for taking the time to be with us this evening. I'll look around to see if we have any questions from Commission members, Mr. Morthland, let's hear from you."

Commissioner R. Morthland stated, "Jason, I just wanted to say hi, it's good to see you again. I will tell everyone that I always had a very warm welcome at IAPD, and that you guys are tremendous partners. Having come from this body, to go down to Springfield, you make really great thing happen. So, thank you, it's wonderful to see you again."

Mr. Anselment stated, "It was a surprise to see you, I knew you were on the board but it's great to see you. Thanks so much, and President Swanson, always good to see you."

President Swanson stated, "And you too sir, thank you for your time, and I wish you a pleasant evening. Thank you. All right, well friends, I was in such a hurry to get going, and that's just a sign the Novocain is starting to wear off. I came straight from the dental visit, and the numbness is going, so I'm in a rush. Not so much in a rush that we can't have a roll call, whenever Madam Clerk is ready to give us a roll call to call this meeting to order officially."

2. Karen Kinney, County Clerk, called the roll:

D. Adams, R. Brunk, L. Burns, E. Dewith, C. Enburg, C. Layer, D. Mielke, L. Moreno, R. Morthland, B. Perkins, C. Ramos, R. Simmer, E. Sowards, K. Swanson, B. Vyncke, J.R. Westpfahl

TOTAL PRESENT 16

T. Foster, M. Moreno-Baker, J. Woods

TOTAL ABSENT 3

President Swanson stated, "Thank you very much friends, for your patience with that. I am going to try something just a little bit different so we can separate the

comments, questions from the motions and the seconds. For motions and seconds, simply raise a hand, and I'll call your name so the Clerk has your name that way. That way that'll save the button for when you want to make a comment, questions that kind of thing. We'll just see how that works, because this is the first time. If it doesn't, we'll do it exactly the way we did during county board. You guys okay with that? Alright."

3. Commissioner D. Adams moved to approve the May 19, 2026 Commission Minutes as amended, Commissioner B. Vyncke seconded.

A voice vote was taken.

Motion carried.

4. **PUBLIC COMMENTS** – President Swanson stated, "Now, I have not received a formal call for public comment, and I'm not going to put our guests on the spot, but we so rarely have guests. If any of you would like to introduce yourselves, we'd be very happy to know who is joining us this evening. If I could just ask you to go over to the podium if you're so inclined. You don't have to, but I'm grateful for your attendance. Thank you, Emma."

Ms. Bowes stated, "Hi, my name is Emma Bowes. I am a student at Augustana College here in Rock Island, going in to my Senior year. I am a triple major in Environmental Studies, Religion and Anthropology, and I'm here tonight to really learn more about how this board actually works. I've been doing a lot of research, in how preserves and natural areas are protected and conserved, especially in the State of Illinois. So, I figured no better research could be done than to actually be here and watch you guys do your thing, very intriguing."

President Swanson stated, "Thank you, Emma. Thank you for being with us. Emma comes from Colorado, so they know a thing or 2 about protecting natural resources out there. Would either of you like to say your names? You don't have to."

Ms. Oliveri stated, "I'm Lillie Oliveri, I am a rising Junior at Augustana College. I am studying Environmental Studies and Sociology, and like Emma, I was curious how the county board works, and I just want to learn more about the Forest Preserve Commission."

Ms. Ocenasek stated, "My name is Emilia, I am a rising Sophomore majoring in Biology and Environmental Studies. Same as them, I am just doing more research on the preservation of land."

President Swanson stated, "We're so very happy to have you with us, and I think you know my day job, so if you have any questions from tonight that you'd like to

unpack, send me an email and I'll do my best to connect you with the information. Thank you also for letting me put you on the spot."

President Swanson made 2 additional calls for public comment.

5. **PRESIDENTS COMMENTS:**

President Swanson stated, "Not much to address in terms of President's comments, however, I don't know how closely you looked at the reports this month, I'm going to swear you all to secrecy. It's an open meeting, so I can't swear you to secrecy, but I'd ask you be discreet. Our Pallas's Cats at Niabi have had a litter. We haven't told the public yet, in fact it is so early, we do not know the genders yet. If you read the report you will see 0.0.3, which means they don't know the gender yet. So, at the appropriate time a big ballyhoo will be made of it, but I thought you all deserved to know a little bit in advance. Pallas's Cats are the ones they call grumpy cats because their default face is like that. They're cute, and I cannot wait to see what the kittens look like. That's something I wanted you all to know about, some exciting news from Niabi. We will have a chance for questions later on in the meeting."

6. Commissioner R. Simmer moved to approve the Forest Preserve Claims and Treasurer's Disbursements in the amount of \$520,333.97 Commissioners L. Burns and C. Layer seconded.

10. Commissioner C. Layer moved to approve the Zoo Director employment agreement amendment 6. Commissioner R. Simmer seconded.

(*Note—Agreement begins on next page.)

ZOO DIRECTOR EMPLOYMENT AGREEMENT

AMENDMENT 6

The Parties, Lee Jackson, "Zoo Director" and the Rock Island County Forest Preserve District entered into an Employment Agreement, "Agreement" on the 29th of April, 2016. That Agreement is still in effect. The District and Zoo Director agree to the following modification to the compensation provisions of the Zoo Director's Employment Agreement;

1. Zoo Director's annual salary is presently \$129,896.00 annually, which is calculated as an hourly rate of \$62.45 per hour for a 40-hour work week for payroll purposes.

2. Zoo Director agrees that beginning July 1, 2026 the annual salary shall be \$130,998.40, which is calculated as an hourly rate of \$62.98 per hour for a 40-hour work week for payroll purposes.

IN WITNESS WHEREOF, the Forest Preserve District of Rock Island County has caused this Amendment to the Agreement to be signed and executed in its behalf by its President and duly attested by its Secretary, and the Zoo Director has signed and executed this Agreement, effective upon mutual execution by the Parties.

Zoo Director
Lee Jackson

11. **Comments from Commissioners**

Commissioner E. Dewith stated, "I just want to let you guys know, that's Augustana, this is Augustana, Go Augustana, we represent. I also had a dog that was born at Niabi, my Dingo."

Commissioner R. Simmer stated, "I have 2 that that have graduated from Augustana, the last one just finished her SLP this semester. I'd like to tell you that Mr. Swanson does a multitude of talents, and my grandson at just 3 years old is driving his John Deere tractor around last night at my house. He just wears the wheels off this thing. Just a couple of weeks ago, he pulls up and he's got his little radio on, and what's he got on it? Mr. Swanson doing his talk show on this thing, listening to that as he's driving around the dang neighborhood. I said "He is always pushing it." We'll have to talk to him about that."

12. Commissioner L. Burns moved to approve all routine reports from the Director and Department Heads to the Forest Preserve Commission, Commissioner E. Dewith seconded

A voice vote was taken.

Motion Carried.

President Swanson stated, "The next meeting of the Forest Preserve Commission will be Tuesday, July 21, 2026, in these chambers following County Board."

President Swanson declared the meeting adjourned at 6:40 PM.

RESPECTFULLY SUBMITTED,

A handwritten signature in black ink, appearing to read "Karen Kinney", with a long, sweeping horizontal line extending to the right.

KAREN KINNEY
COUNTY CLERK AND SECRETARY
OF THE FOREST PRESERVE COMMISSION

ADOPTED by the Forest Preserve Commission of Rock Island County,
Rock Island, Illinois on the 21st day of July, 2026.
The Revised Appropriations shall be in full force and effect from and after this date.

Resolution

Rock Island County Forest Preserve District
Re: Open Meetings Act Review of Minutes of a Meeting Lawfully Closed

WHEREAS, the Rock Island County Forest Preserve Commission strictly adheres to all provisions of the Open Meetings Act as defined in 5 ILCS 120; and

WHEREAS, 5 ILCS 120/2.06(c), calls for periodic review of minutes of meetings lawfully closed to determine if the need for confidentiality still exists as to all or part of these minutes or that the minutes or portions therefor no longer require confidential treatment and are available for public inspection; and

WHEREAS, during regular committee meetings held during the month of July, 2026; Rock Island County Forest Preserve has reviewed minutes of closed meetings for all previously held closed sessions.

NOW, THEREFORE, BE IT *RESOLVED* that the following meeting minutes have been determined to contain matters where the need for confidentiality still exists:

July 7, 2026

TO THE COMMISSIONERS OF THE FOREST PRESERVE DISTRICT:

Accompanying this letter is the Treasurer's monthly report of Financial Status as of June 30, 2026. The report includes the cash balances of **Forest Preserve Funds** and interest received for the month of June 2026, as the twelfth month of the fiscal year.

Interest received compared with the prior year:

FY 2026 interest received in June 2026	\$ 8,139.00
FY 2026 accrual as of June 30, 2026	\$ 199,847.00
FY 2025 interest received in June 2025	\$ 25,593.00
FY 2025 accrual as of June 30, 2025	\$ 233,784.00

- The Blackhawk Bank interest rate has been at 3.1875% since December 11, 2025.
- As of July 7, 2026, Forest Preserve funds accounted for 4.3% of the pooled investments. (Sum of all FP funds invested divided by Pool Investments.xls)

Pass Sale Revenue	0	\$500	\$225
Avg \$/Player	\$37.09	\$35.63	\$33.26

June was an ok month at Indian Bluff Golf Course. It ends what appears to have been another very good fiscal year. Overall, numbers for the month of June were down slightly from the last two years. Weather had a major impact this month. SEVEN days were heavily impacted by rain and severe storms. Three of those days were complete closures. Two days closed before 10 AM. We lost 2 Sundays including Father's Day, 2 Wednesdays, and a Thursday. Each of those days would have brought 175 rounds or more, which would have led to possibly a record month. We also dealt with extreme heat the last 2 days of the month, and that cut into play as well. The old saying is you never make up for the lost days, and that is true in this month. Despite all of that, Indian Bluff still came in with around 4000 rounds played, and revenues were just barely behind those of June 2025. Considering the challenges that the month brought, that is a good month. Play during the good weather was exceptional.

Indian Bluff hosted 3 golf outings in the month of June. We hosted:

- Putts for Mutts
- St Gabriel's Church
- Edgewood Baptist Church

Putts for Mutts had more than 144 players this season, St Gabriels had 120 players and Edgewood Baptist had 54 players play. One thing to note from the numbers this month, is that the lowest revenue producing Saturday's were the shotgun start outings for Putts 4 Mutts and St. Gabriel's. The other Saturday's produced more play and revenue with the shotgun starts. This has been a trend the last few years, so far it is a larger trend to start the 2026 golf season. I upped the minimum player required for a shotgun start this season to account for the increases in non-outing play.

Looking ahead to July, we have four golf outings on the books for the month. The Hackers and Slackers outing is July 19, and will be a full event, as they currently have a lengthy waiting list. We have the one-time memorial for long time Assistant Superintendent Dan Salmonson on July 10. We have Alleman Football Fundraiser and another Memorial event later in the month. Only one shotgun start on a Saturday, which is Hackers and Slackers, typically our largest golf outing of the season. With the weather and talent at the John Deere Classic this year, I expect a sluggish July 4th weekend. Once the weather cools down after the 4th, I expect things will pick back up dramatically.

.

Report to Forest Preserve Committee

Name of Park Indian Bluff
For the Month of June

The month of June was unusually warm but we were able to remain relatively busy in spite of the weather. The facility saw quite a bit of daily play and a couple golf outings.

Grounds Maintenance performed-

- Bi-weekly applications of plant protectants and growth regulators
- syringe/hand watering greens and dry areas
- minor irrigation repairs
- Raked and edged bunkers as necessary
- Roll and mow greens daily
- Top-dressed greens
- Daily mowing of all of our “in play” areas
- Cleaned and organized our storage facilities
- Pruned low hanging branches

Building Maintenance projects performed- Routine cleaning and servicing of facilities

Equipment repairs and/or project performed- Routine service as needed.

Course/General facility conditions- golf course is in rather good shape in spite of the adverse weather conditions apart from our ninth green. We experienced an outbreak of an unusual turf pathogen on several of the putting greens but as has been the case more and more every season our 9th and 17th greens were hit even harder than the others and have some unsightly conditions that have persisted on them longer than I feel is acceptable. My recommendation is to close down the ninth green here towards the end of the summer months, open a temporary green in the approach area of the fairway, and take the time to renovate the ninth green this season. The grass and soil on that putting surface have aged themselves out of balance and it is not uncommon for even improved cultivars of turfgrass to breakdown into their parent phenotypes and develop genetic mutations that become unstable, the grass and soil on this particular putting green is very like 75-100 years old and as such has become quite mutated and is need of being removed and regressed with a new variety of bentgrass that has disease and insect resistance built into the plan.

Incidents- None

Accidents reports- None

Weather conditions- near record high temperatures

Activities/Events/Outings held at park- General play, weekend golf outings

Other misc. notes Upcoming Items—

This report was prepared by: Jay Verstraete **Date:** 7/9/26

Report to Forest Preserve Committee

Name of Park Illiniwek

For the Month of June 2026

Grounds Maintenance performed— Staff has been mowing the grass every week now that the weather has warmed up. Staff has also been mowing around the parking lots and prairie trails at Amôwa east and west every two weeks. Staff sprayed around the Dorrance ball diamond. They also weed-eated the steep hill sides along the road to the back parking lot. Staff has been pulling weeds and planting annual flowers around the camp office and campground entrance sign. Staff used the forestry mulcher to mow along the railroad tracks to try to eliminate the spread of poison hemlock. It's a very aggressive plant that can blister your skin from the plants sap. Staff planted 35 oak trees along the Mississippi river where trees were removed last winter due to trees dying or invasive. River Action funded the planting through the QC Conservation Consortium funds. Staff watered the tree for weeks due to dry conditions.

Building Maintenance projects performed— New lights were installed in the public restroom due to a faulty relay switch on the motion sensors. A lock smith fixed the locks on the south shower building. Keys were no longer working and campers could not enter the building. Staff had to thoroughly clean the Dorrance bathroom 3 times in June due to flooding. The angle of the parking lot towards the bathroom coupled with heavy rains causes them to flood which deposits silt on the floors.

Equipment repairs and/or project performed— No equipment maintenance this month.

Trails/General facility conditions—The forest trails are in good shape but have been closed on and off this month due to rain. Two trees were removed from the forest trails on the north loop at Illiniwek. FORC has weed-eated along the trails at Illiniwek to keep the itch weed away from hikers/bikers.

Weather- Normal. HOT!

Vandalism report—No vandalism or break-ins this month.

Incidents—No incidents

Accidents reports— No accidents.

Activities/Events/Outings held at park— QC hiking club enjoyed a hike at Amôwa west on June 20th.

Items to be bid by Purchasing—No items.

Upcoming Events – On July 11th the popular astronomy club will set up telescopes at Illiniwek to view celestial objects. This event is free and open to the public. The event starts at dusk. This is a rain date reschedule. New chainlink fencing will be installed along bike path to protect bikers from falling into a culvert if the go off the trail. New back stop fencing will be installed on D2 at Dorrance. Pump two in the lift station keeps tripping off with a thermal code. JL Brady will be out to service pump and BB Draintech will clean the pit at the same time.

Misc – There has been no progress on the electric charging station installs except a transformer was installed at Illiniwek.

This report was prepared Mike Petersen **Date** 7-02-2026

Forest Preserve Committee Report

Park: Loud Thunder Forest Preserve

Reporting Period: June 2026

Grounds Maintenance

- Collected litter throughout the park and emptied all trash receptacles.
- Cleaned pit toilets as needed.
- Cleared storm-damaged trees and debris from trails.
- Mowed park grounds.
- Performed string trimming throughout the park.
- Installed new park signage.
- Continued the Sac Fox Trail signage project.
- Mowed all accessible trails.
- Installed, removed, and reinstalled the Andalusia Slough dock as river levels fluctuated.
- Tilled the horse arena early in the month prior to heavy rainfall.
- Applied herbicide to gravel camping pads, parking lots, and the spillway to control weeds.

Building Maintenance

- Cleaned the maintenance shop.
- Cleaned the park office and removed trash on a weekly basis.
- Cleaned shower buildings and pit toilets.
- Painted the Lone Cedar Shelter.
- Painted the Lone Cedar restroom facilities.
- Began painting the horse corral shelter.

Equipment Maintenance

- Performed daily pre- and post-operation inspections on all equipment in use.
- Completed routine monthly equipment maintenance; no significant repairs were required.
- Sharpened mower blades on all three John Deere 997 zero-turn mowers.
- Changed the engine oil and filter on one John Deere 997 mower.
- Cleaned and detailed park vehicles as needed.

Trail and Facility Conditions

Overall park conditions remain in excellent shape. Horse and bicycle trails were opened whenever weather and trail conditions permitted safe access.

Vandalism

No vandalism was reported during the month.

Incidents

No incidents were reported during the month.

Accidents

No accidents were reported during the month.

Weather

June was characterized by above-average precipitation, with several heavy rain events and periods of high winds.

Activities and Events

Several family gatherings were hosted throughout the park during the month.

Monthly Summary

June was an exceptionally wet month, with multiple heavy rain events accompanied by strong winds. These conditions made keeping the trail system clear of fallen trees and limbs particularly challenging. Staff worked diligently to remove debris whenever trail conditions were safe enough to allow access. The combination of saturated soils and high winds resulted in significantly more downed trees than we typically experience. In addition to trail maintenance, herbicide applications were completed throughout the park to control vegetation in designated areas.

The abundant rainfall also resulted in rapid grass growth across the park. Staff devoted considerably more time than normal to mowing and string trimming in order to maintain park appearance and accessibility. Lake George Boat Rental opened for the season, and patronage has remained steady despite periods of inclement weather. However, several significant rain events did result in reduced camping numbers specifically when referring to tent campers.

Throughout June, staff installed, removed, and reinstalled the Andalusia Slough dock in response to changing river levels. River conditions continue to be monitored closely as weather patterns evolve throughout the season.

Lake George experienced a noticeable increase in fishing and paddling activity whenever weather conditions permitted. Fishing reports have been very positive, with some anglers attributing the success to Eurasian milfoil providing shoreline cover for fish. David Wyffle, an Illinois Department of Natural Resources (IDNR) Fisheries Biologist, continues to monitor the vegetation to ensure it remains beneficial and does not become invasive. He has discussed treating areas where the milfoil creates operational issues, particularly around the boat rental facility where trolling motor propellers frequently become entangled. I will continue to keep the Committee informed of any future treatment plans or management strategies.

The Illinois City Saddle Club hosted its annual horse show over Father's Day weekend. Unfortunately, several inches of rain fell both two days prior to the event and again on the second scheduled day, allowing only one day of competition to be completed. The same weather conditions also reduced visitation to the Lake George Boat Rental during the holiday weekend.

Ben Mills

Niabi Zoo report for June 2026

Lee Jackson

7/6/2026

- Finished construction of new shelter for rental strollers.
- Soft opening done for “Conservation in Action Exhibit” on 7/4/26. There are still additions to be made.
- First phase Installation of fiber optic cables for improved internet and phone service has been partially completed.
- The General public has been very enthusiastic about the 3 Pallas’s cat Kittens.
- Dr. Lauren Hughes and Keeper Laura Riggins published a paper in the ZAA quarterly newsletter entitled “Niabi Zoo supports aging Gibbon pair with innovative modifications”.
[https://online.fliphtml5.com/bslrb/2026-June-ZAA-Magazine/?utm_source=email&utm_medium=email%20marketing&utm_campaign=June%202026%20Magazine%20\(01-07-2026\)#p=1](https://online.fliphtml5.com/bslrb/2026-June-ZAA-Magazine/?utm_source=email&utm_medium=email%20marketing&utm_campaign=June%202026%20Magazine%20(01-07-2026)#p=1)
- On August 10th of this year we will open up the zoo for some local military vets and their families, in partnership with the Quad Cities Vet Center.
- Started exploring ways to improve viewing and aesthetics at the ostrich / donkey area.
- The pride night theme of our June 18th late evening was well received and attended. A number of families commented that they had never been to the zoo before or had not been here in years. All visitor comments were very complimentary.
- Work on new fencing and bridge in animal encounters area is near completion.

Maintenance department

- Fabricated and installed plastic door at Painted Dogs.
- Installed spark plugs and fuel injectors on dump truck.
- Ran conduit and wire for fan in Bald Eagles exhibit.
- Repaired wall in Camel barn.
- Removed a dead tree from Gibbons playground area.
- Back flushed East pool suction line with fire hose at Cathouse.
- Installed a new transformer on Snow Leopard shift door at Cathouse.
- Repaired Red River hogs scale.
- Fabricated and installed shelter hut for Barn Owl exhibit.
- Installed 6” extension on goat hoof trimming table.
- Removed landscape posts and rope fence from Animal Encounter area, in preparation of putting in split rail fence.
- Replaced faucet on Giraffe sink downstairs.
- Repaired wiring on car hauler trailer.
- Repaired Donkey waterer.
- Replaced mailbox that got knocked off.
- Continued work on Split Rail Fence project in Animal Encounters area.
- Moved limestone screenings into Donkey/Ostrich yard.

- **GIFT SHOP:**
 - 2026 June Revenue-\$63,757
 - We are up \$20,872 compared to last June!
- **CONCESSIONS:**
 - 2026 May 10% of gross sales- \$ 3,130
- **NZ MEMBERSHIP/ FUNBUNDLE MEMBERSHIP/ZOOSEUM SEASONAL PASS:**
 - Online Membership Egift Cards Total Sales- \$435
 - Niabi Zoo Memberships Total Sales Revenue -\$21,627
 - Fiscal year comparison- We are up \$27,522 from the previous year.
 - Funbundle MAY Deposit – \$1881.52
 - This year, before opening for a limited time, we offered \$10 off for anyone who purchased a membership online, and we will offer \$5 off for the rest of the season for anyone who goes online and purchases a membership.
 - Renewal email sent out
- **CAROUSEL:**
 - Carousel has not been operational due to a motor issue. Maintenance is working with a company to resolve the issue, and we are hopeful it will be resolved soon.
 - The new music system is in place and is working.
 - Guests who have carousel passes will be able to use them for the train.
- **GIFT CARDS/EGIFT CARDS (GENERAL ZOO ONES):**
 - Total Sales Revenue-18/\$739
- **ADOPTS:**
 - Total Sales Revenue -/\$375
 - Online Adopt GC sold-2/\$100
 - In 2026, we will be doing a \$75 Adopt Monthly Special featuring a specific animal while supplies last, to see if we can increase revenue.
- **VENU PLUS (Strollers, Wheelchairs, ECV's, Scooterpals, Penny Press, Medallion Machine)**
 - We are still waiting on the arrival of the photo booth.

Animal Department

Staff

1 FT Keeper resigned, last day 3 July

Interns all doing well, working on Observational Ethograms for Gibbons and Prairie Dogs

Animals

3.0 Pallas's Cat Kittens doing very well, Mom is excellent

0.0.4 Prairie Dog pups moving all over the habitat now, growing and doing great

1.1 North American Porcupines acclimated to one another and often observed resting together

0.2 Barred Owls have acclimated well to one another, out for guests to visit at BioDiversity Hall

1.0 Juvenile Black and White Colobus monkey already bounding around and transitioning to adult coloring

Baby Cape Porcupine doing well

Accessioned a juvenile Great Horned Owl (non-releasable), will maneuver through quarantine, then will make a home a biodiversity near the Barred Owls

Reptile House changes; Ball Pythons now on habitat, Smallwood's anoles moved to new tall aquarium, new box turtles in habitat as of 1 July

Conservation, Education & Development Report – June 2026

Education/Events

- Events
 - 6/6 – Pollinator Day - 3 education activity stations interacted with 875 participants
 - 6/18 – Pride Night – 1 education activity station – 200 participants
 - 6/20 – Breakfast with the Giraffe – 59 participants = \$2230
 - World Giraffe Day – 2 education activity stations interacted with 1905 participants
 - 6/26-27 – BioBlitz at Wapsi River Ed Center – Info table – 60 participants

Black-breasted leaf turtle	2.3	11-Jun	death	
Reeves' turtle	0.0.1	10-Jun	death	

Forest Preserve District

Rock Island County

Our mission: is to maintain and acquire lands with the intent to restore and conserve such lands for the purpose of preservation, education, and recreation for its residents with fiscal responsibility.

Members of the Rock Island County Forest Preserve District Executive Committee, please accept this report to the Committee for the month of July 2026.

Executive Committee Follow-Up: The FY 2027 Budget and Appropriation Ordinances have been executed, filed with the County Clerk, and published in the *Argus/Dispatch* on June 28 in accordance with statutory requirements.

Monthly Disbursements: Monthly claims and Treasurer's Disbursements reflect normal seasonal operations. All previously flagged claims have been resolved by staff. Although the fiscal year closeout process remains underway, both the General Fund and Niabi Zoo Fund are projected to finish the fiscal year with operating surpluses.

Budget Transfers: Year-end appropriation transfers are necessary to align expenditures with actual operating activity in both the General Fund and the Niabi Zoo Fund. These transfers represent standard fiscal management practices.

Resolutions: The Committee will consider the following resolutions:

- Approval of payment for completed work associated with the Electric Vehicle Charging Station Project, including construction services provided by Rock River Electric and project administration by IMEG Consultants.
- Approval of reimbursement for completed OSLAD grant work performed by Hutchison Engineering. Procurement activities continue for the Dinosaur Dig Play Area, Splash Pad, and Outdoor Educational Deck. Bids are scheduled to open on August 6, with recommendations presented during the August meeting cycle.
- Approval of reimbursement for improvements funded by the Niabi Zoo Foundation, including repairs to the giraffe feeding deck roof and installation of a fiber optic network to enhance internet connectivity throughout the zoo.
- Semiannual review of closed session minutes in accordance with the Illinois Open Meetings Act (5 ILCS 120/2.06) to determine whether continued confidential treatment is warranted.

Ordinances: There are no ordinances requiring Committee action this month.

Other Business

Fleet Replacement: Staff recommends approval of the purchase of a Ford Maverick for Loud Thunder Forest Preserve from Morrow Brothers Ford in the amount of **\$35,655**. This is a FY 27 appropriation item.

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo
Indian Bluff Golf Course & Forest Preserve Dorrance Park Martin Conservation Area

Lake George Spillway and Dam

Staff requests authorization to move forward with conceptual planning to address maintenance needs at the Lake George Spillway and Dam.

The 2025 inspection completed by IMEG Consultants identified exposed reinforcing steel and deteriorated wall and floor joints requiring repair. While the spillway remains structurally serviceable, corrective maintenance is recommended to preserve the asset and prevent further deterioration.

In addition, the existing pedestrian bridge has reached the point where replacement should be considered. Its current design restricts maintenance equipment access and creates hydraulic constraints during periods of elevated water flow, impacting bank stabilization efforts.

Staff recommends requesting a proposal from IMEG Consultants to prepare engineering design and construction documents for spillway repairs and bridge replacement. Remaining bond proceeds should be utilized for the spillway rehabilitation, consistent

Loud Thunder Forest Preserve Illiniwek Forest Preserve Niabi Zoo

Forest Preserve District

Rock Island County

with the original funding priorities. Replacement of the pedestrian bridge is recommended to be funded through the Marvin Martin Loud Thunder Endowment Fund, supplemented by the 2026 allocation if necessary.

Operations Update

Weather conditions during June included high winds, significant rainfall events, and prolonged periods of extreme heat. Despite these conditions, the District experienced no major damage to facilities or infrastructure.

Operational impacts included:

- Reduced boat rental activity at Loud Thunder Forest Preserve due to wind conditions.
- Lower attendance at Niabi Zoo and reduced golf and camping activity during periods when the heat index exceeded 90 degrees.
- Temporary trail closures for equestrian and bicycle use following heavy rainfall to protect trail conditions.
- Fourth of July visitation was moderated by adverse weather.

As the summer season continues, staff remain focused on maintaining high-quality operations and visitor services across all District facilities.

Union: No union grievances were filed during the reporting period.

Administrative Activities

- Completed all required grant reporting for the Bike Path, OSLAD, and Electric Vehicle Charging Station projects.
- Continued advancement of the Route 84 Bike Path Project, with bid opening scheduled for August 6 and recommendations to follow during the August meeting cycle.
- Received the second installment of property tax revenues.
- Filed June sales tax returns for both the General Fund and Niabi Zoo Fund.
- Completed the FY 2027 GATA Internal Control Questionnaire.
- Conducted preliminary audit planning with Sikich for the FY 2026 audit.
- Submitted required documentation to Lauterbach & Amen for preparation of the GASB 75 Other Post-Employment Benefits actuarial valuation.
- Initiated planning for the FY 2028 budget development process. Departmental appropriation requests will open September 1, with preliminary budget and levy ordinances anticipated for Commission review in October, or no later than November.

Respectfully submitted,

				Project: Lake George Dam - 2026 Maintenance Location: Illinois City, Illinois Description: Preliminary Cost Estimate		Calc By: Matt Dotson Date: 2026.06.11 REV: 1	Check By: John Fellman Date: 2026.06.11
Item	Description	Quantity	Unit	Unit Cost (\$/Unit)	Subtotal (\$)	Remarks	
1	Mobilization	1	LS	\$10,000.00	\$ 10,000.00		
2	Safe spillway access	1	LS	\$ 6,000.00	\$ 6,000.00		
3	Removal of existing joint sealant and replacement in-kind Excavation in existing drainage rills [REF: Plan]	230.7	LF	\$ 75.00	\$ 17,300.00		
4		38.2	CY	\$ 20.00	\$ 764.00		
5	Filter fabric	1238.0	SF	\$ 10.00	\$ 12,380.00		
6	Riprap (RR-5)	65.0	Ton	\$ 260.00	\$ 16,900.00		
7	Partial depth concrete repair at spillway wall	4.0	SY	\$ 500.00	\$ 2,000.00		
8	Crack sealing at spillway wall	10.0	LF	\$ 150.00	\$ 1,500.00		
9	Cut off existing anchor bolts	1.0	LS	\$ 500.00	\$ 500.00	Located on east spillway wall near bottom of slope	
Estimated Total = \$ 67,344.00 Construction Contingency (20%) = \$ 13,468.80 Budgetary Total (for planning) = \$ 80,812.80							

NOTES:

- 1.) WORK INCLUDES REMOVAL OF EXISTING JOINT SEALANT AND REPLACEMENT IN-KIND WITH SIKAFLEX CR 195 OR ENGINEER APPROVED EQUIVALENT.
- 2.) SPECIAL ATTENTION SHOULD BE GIVEN TO THE SLOPED SPILLWAY AND THE METHOD THE CONTRACTOR PLANS TO UTILIZE TO SAFELY EXECUTE THE WORK

SUGGESTED CONSTRUCTION SEQUENCE:

- 1.) ACCESS SOUTH END OF SPILLWAY AND INSTALL SAND BAGS OR OTHER MEANS TO TEMPORARILY DIVERT WATER FLOW.
- 2.) INSTALL CONTRACTOR DESIGNED PLAN TO SAFELY ACCESS THE EXISTING JOINTS AND TO ACCOMPLISH REPAIR ACTIVITIES.
- 3.) REMOVE EXISTING MATERIAL AND REPLACE WITH THE ABOVE PRODUCT.
- 4.) WHEN WORK IS COMPLETE ON ONE SIDE OF THE SPILLWAY, REMOVE ACCESS AND WATER DIVERSION MEASURES. REINSTALL ON THE OPPOSITE SIDE.
- 5.) RINSE AND REPEAT.
